Date Posted: November 19, 2026

Address: 2501 Monarch Street

The Public Works Department has scheduled the removal of this publicly owned tree after December 10, 2026.

This tree is being removed for the following reason: The tree canopy and trunk are both in conflict with building, there are no practical and reasonable options to mitigate this infrastructure conflict, therefore removal is recommended consistent with the City of Alameda Tree Removal Policy Section D (All Other Tree Removal – 3 Week Posting).

A copy of the Arborist Report and Tree Removal Policy (Street Tree Master Plan, Volume 2) are on file at the Public Works Department, City Hall West, 950 W. Mall Square, Room 110, Alameda, for review.

Date: November 18, 2026

Prepared by: Erin Smith, Public Works Director
950 West Mall Square, Room 110
Alameda, CA 94501

Subject: 2501 Monarch Street

Species: *Acacia melanoxylon* – Black Acacia

Recommendation: Removal - This tree was determined for removal per the City's Tree Removal Policy. Section D- All Other Tree Removals. Any resident or property owner can protest this determination in writing: November 19, 2026 – December 10, 2026. Protest procedures are in Section E of the City's Tree Removal Policy.

Summary: The tree at 2501 Monarch Street is growing against the building. The canopy is one sided as a result of crowding from the building, and the tree base is pressing against the base of the building. There are no practical or reasonable options to mitigate these conflicts which are causing damage to the building, therefore removal is recommended.
