

CITY OF ALAMEDA

CAPITAL IMPROVEMENT PROJECTS | FISCAL YEARS 2017-19

CLEMENT AVENUE SAFETY IMPROVEMENTS

CIP Number: 91819

Lead Department: Base Reuse and Transportation Planning

Project Type: Transportation

Brief Project Description:

Work on the environmental review, permits and design for the Clement Avenue safety improvement project.

Project Description:

The project creates a complete street and constructs a major portion of the Cross Alameda Trail while ensuring that this designated truck route is in a state of good repair. Clement Avenue is the main thoroughfare in the Northern Waterfront Priority Development Area and is a gateway to Oakland and beyond. This Clement Avenue project runs between Broadway and Grand Street, which is 1.2 miles in length, and includes Class II bike lanes, 22 curb extensions, 2 rectangular rapid flashing beacons, 2 bus shelters, sidewalk/curb ramp improvements, railroad track removal and 100 street trees.

General Plan Consistency:

The Transportation Element of the General Plan Objective 4.1.1: Provide for the safe and efficient movement of people, goods, and services.

Results from 2015-17:

The Transportation Commission approved the Clement Avenue safety improvement concept. The City applied for and won an Alameda County Transportation Commission (Alameda CTC) federal grant totaling over \$5 million, which the City Council approved.

2019-2027:

According to Alameda CTC, the City can begin to use the remaining \$4.5 million in grant monies on July 1, 2019 for construction, which includes \$577,000 in local match monies.

FUNDING SOURCE

Fund Type	Fund amount	
	FY 17-18	FY 18-19
DIF Transportation	\$16,000	\$58,000
Alameda CTC Federal Grant	\$124,000	\$443,000
TOTAL FY 17-19	\$641,000	

Total is for two year time period.
