## City of Alameda California

July 4, 2022

Dear Alameda Residents and Visitors:

I am thrilled to welcome you back to the City of Alameda's 4<sup>th</sup> of July Parade after a two-year pandemic pause!

Alameda's 4<sup>th</sup> of July Parade celebrates our country's independence and freedom, and brings our vibrant, diverse community together like no other event. Today we gather with family, friends, neighbors, and visitors to cheer on marching bands, dance troupes, floats showcasing community groups and local businesses, the U.S. Coast Guard, elected officials, equestrians, and more.

Be sure to cheer the walkers and runners who will kick off the 2022 parade at 9:00 AM! They'll be walking and running the entire 5K parade route to benefit Alameda's Midway Shelter for survivors of domestic violence.

Then, the parade will start promptly at 10:00 AM. I'll be riding an electric bike along the parade route, and I can't wait to see all of you!

Last, but not least, this parade couldn't happen without the hard work and dedication of our incredible City staff. Special thanks to the Alameda Recreation and Parks Department for organizing this year's parade.

Have a Happy, Safe 4th of July, Everyone!

# PETS AND Fireworks

Fireworks season is seldom fun for pets! Here's how to protect nervous furry family members when the booms start.

1. Keep your pet inside.
2. Eliminate escape routes, such as open doors or windows.
3. Buffer noise by taking your pet to an interior room.
4. Distract. Try a game of fetch, or train with treats.
5. Mask noise with music or the TV.
6. If anxiety is extreme, ask your veterinarian about medication.
7. Make sure your pet is wearing ID.
8. If you leave your pet alone at home, crating can be an ideal extra precaution.

## Meet the 4th of July Parade Grand Marshals: Christine Chilcott, Al Mance, Cheryl Taylor, Jolene Wright

Mayor Marilyn Ezzy Ashcraft is pleased to announce that the four members of Alameda's Police Reform and Racial Equity Steering Committee – **Christine Chilcott, Al Mance, Cheryl Taylor, and Jolene Wright** – are the Grand Marshals of this year's 4th of July Parade.

In August 2020, Christine, Al, Cheryl, and Jolene were appointed to be the Steering Committee that organized a community-led process to help shape the future of policing in Alameda, and address systemic racism. The Steering Committee members' tireless efforts, and the work of more than 50 community volunteers who met for 3,000+ collective hours, resulted in a series of police reform and racial equity policy recommendations that the City Council unanimously approved in 2021. Among the recommendations is Alameda's new CARE Team (Community Assessment Response & Engagement) – specially trained Alameda Fire Department paramedic/EMT's and Alameda Family Service mental health clinicians – who respond to calls for service for mental health, substance abuse, and homelessness issues. The work of the Steering Committee and volunteers will have lasting impacts for today's residents and future generations, for which we honor them today.

"My fellow steering committee members and all of the reform committee members were wonderful to work with on this process. Although we know our recommendations were just the beginning, I feel they were a good jumping off point and I am pleased that Mayor Ezzy Ashcraft and city council unanimously approved them."

— Christine Chilcott

"the work continues."  
— Cheryl Taylor

"I am so fortunate to be a part of this wonderful and diverse community. As part of our work, I was lucky to meet all of our Subcommittee members whose passion and dedication were humbling to watch. I am also so thankful for our wonderful Mayor, Mayor Ezzy Ashcraft and I am thrilled to participate in this year's 4th of July Parade as a co-Grand Marshall with my Steering Committee brother and sisters."

— Jolene Wright

## Congratulations to Ruth Abbe and Debi Ryan, Alameda's 2020 4th of July Parade Grand Marshals ... if we'd had a parade!

Before we knew that the COVID-19 pandemic would prevent us from having a parade in 2020, Mayor Marilyn Ezzy Ashcraft nominated two amazing Alameda women to be the Parade Grand Marshals – Ruth Abbe and Debi Ryan, the incredible leaders of CASA (Community Action for a Sustainable Alameda). CASA works hand in hand with City staff to address the existential threat of climate change and sea level rise. Thank you, Debi and Ruth! We salute you for increasing our community's awareness and sustainability.
