The Public Utilities Board shall direct Alameda Municipal Power to collect the amount of the annual transfer from Alameda Municipal Power ratepayers, except for exempt ratepayers, by including an amount proportionate to the amount paid by the ratepayer as a percentage of the total revenue collected by Alameda Municipal Power, within each rate, fee, or other charge.

(d) To determine the amount of the annual transfer, the Public Utilities Board shall, on an annual basis: (i) determine whether any ratepayers are exempt from the annual transfer pursuant to local, state, or federal law and deduct the amount of the exemptions from \$3,700,000, and (ii) adjust the amount of the transfer each year for inflation based on the Consumer Price Index for All Urban Consumers for the San Francisco Bay Area, published by the Bureau of Labor Statistics of the United States Department of Labor, or any successor to that index.
