TREE REMOVAL NOTICE

Date Posted: November 30, 2022

Address: Lincoln Park, 1450 High Street, Alameda.

The Recreation and Parks Department has scheduled the removal of this publicly owned tree after November 31, 2022.

This tree is being removed for the following reason: The tree has major structure and root decay, creating a hazardous condition and poses an urgent threat to public safety. City staff held a public meeting at the park and discussed the status of this tree on October 29, 2022.

A copy of the Arborist Report is on file and available for review at the Recreation and Parks Department, 2226 Santa Clara Ave., Alameda and online at <https://alamedaca.gov/go-green/street-trees>

The City will replace the two oak trees that fell in 2021. This tree will be replaced at a later date pending the Urban Forest Plan recommended tree species list. To provide input and follow process of the Urban Forest Plan development, go to <https://www.alamedaca.gov/Departments/Public-Works-Department/Current-list-of-projects/Urban-Forest>
