

Q1 Please check all amenities that you want to see at the western side of Sweeney Park.

Answered: 921 Skipped: 3

ANSWER CHOICES	RESPONSES
Community Garden	66.23% 610
Outdoor Education (both self-guided and classes) on sustainable gardening, climate change and more.	62.11% 572
Urban Orchard – fruit trees and vines that anyone can pick	69.16% 637
Playground	50.16% 462
Seed and Tool Lending Library – managed by the Alameda Free Library	59.93% 552
Walking Trails	74.05% 682
Demonstration Garden – showcasing examples of drought tolerant landscapes	49.62% 457
Dog Park – separate areas for small and large dogs (not included in original master plan but has arisen as a community need with many requests)	33.33% 307
Please tell us any other ideas!	31.38% 289
Total Respondents: 921	

Jean Sweeney Open Space Park Community Survey 2021

#	PLEASE TELL US ANY OTHER IDEAS!	DATE
1	1. Make sure you have shade benches in this part of the park. 2. If you do put in a garden, I would imagine you will have water for it. Please put in a Water Station so people can refill / fill water cans / jugs / cannisters, as well as a drinking fountain 3. In case I didn't say it...., shade benches, lol...	3/2/2021 9:03 AM
2	We would REALLY like a pump track in the vein of DirtWorld in Richmond - https://www.510families.com/dirt-world-richmonds-free-public-bmx-bike-park/ or BMX tracks in Dublin, Oakland or Novato. Pump tracks can be smaller in size and are a great activity for kids and adults alike.	3/2/2021 8:33 AM
3	Absolutely NO DOG PARK	3/1/2021 8:47 AM
4	No dog parks. Dogowners are rude and do little for the community.	2/27/2021 2:29 PM
5	I agree that Alameda sorely needs some Community Gardens but such gardens should NOT be in the middle of heavily trafficked public park (I could see dedicating some space out at the naval air station to this endeavor w an annual lottery). In a public park, I am concerned about theft of fruits & vegetables as well as their adulteration. Community gardens are typically enclosed with access limited to the people who garden there. Will the Sweeney Park Community Garden be enclosed & access limited only to those with active garden plots? If the Sweeney Park Community Gardens are open/on public display, how would plots that go untended or look hideous be dealt with? The Urban Orchard is also a nice idea, but keep in mind that the fallen, rotten fruit will attract rats, squirrels & raccoons, etc.; attracting potentially rabid rodents is obviously undesirable in a relatively small public park. There would need to be full time staff picking up the fallen fruit. I also think it's very likely that there will always be a few jerky people who come & take all the ripe fruits & vegetables from any open gardens or orchards, so these will not really be a resource for everyone. If the powers-that-be decide to proceed with the gardens & orchard, these features need to be enclosed & under controlled access - both of which I suspect would defeat their purpose in the ideal park design. Also, I recommend to not put a dog park anywhere near where potential "food" is grown since particulates from dried dog feces will waft onto the fruits & vegetables. If there's to be a dog park, it should be far away from the gardens. I also worry that the potential noise & commotion of dog park will disturb people who go to Jean Sweeney to relax.	2/27/2021 2:08 PM
6	BMX bike course Tree swing on the big existing tree Please no dog park! There are already dog parks nearby at Washington Park, Main Street, etc.	2/27/2021 1:48 PM
7	Regeneration of soil and landscape with a permaculture approach for food, healing, beauty.	2/27/2021 12:29 PM
8	It would be ideal to ramp up the land management to include Permaculture, regenerative gardening (not just drought tolerant plants). We have a 1/3 acre commercial site on 1113 Lincoln Avenue where we are using these concepts to revive an old plant nursery. We work with a team of experts from the Regenerative Design Institute in Oakland. We invite you to come by for real life ideas and approaches for long term environmental and land health. Thank you, Jennifer Daley 510-520-2855	2/27/2021 10:06 AM
9	Maintain the flexible unplanned space area to allow for group games/gatherings and on blanket picnics and sun enjoyment. Have a sustainably landscaped dog park to show what plants can tolerate dog play and life and it should be outside this current "garden plan" area. Finally, any orchard should be harvested for the food bank not for anyone to pick - who is maintaining this orchard? It is the City's and its fruits should be distributed to those in need or sold at a fruit stand staffed by folks in public job training programs with proceeds supporting the stand and the garden/orchard program.	2/27/2021 8:58 AM
10	While I love the IDEA of the Urban Orchard, I feel that too much damage would be done by the "picking public" to make this feasible in the long term. This feeling is based on the amount of theft and damage that I and my neighbors have observed being done to the various trees and gardens in our East End neighborhood.	2/26/2021 7:50 AM
11	Small stage or gazebo for small shows/music	2/25/2021 11:54 PM
12	shade, there needs to be more shade :-D	2/25/2021 5:52 PM
13	sustainable garden and commercial kitchen that will be used to teach community members to use "food as medicine" (replication of Alameda County All In program) and eat healthy. Kitchen can be a hub to produce meals for the homeless, seniors, and families experiencing food	2/25/2021 3:51 PM

Jean Sweeney Open Space Park Community Survey 2021

insecurity. Garden can be a training ground for unhoused individuals and/or youth to learn skills in agriculture. Kitchen can be used to train for food service.

14	Where is the bike skills loop? Will that be included in the middle section during the 3rd wave of build out?	2/25/2021 1:53 PM
15	Please add Wild flowers instead of grass.	2/25/2021 12:16 PM
16	with the Urban Orchard, could we have an herb garden as well? Rosemary, thyme, etc that would also show what herbs do well in the area	2/25/2021 11:37 AM
17	Outdoor education for toddlers in Spanish would be great! Lots of parents have bilingual kids with Spanish speaking caregivers. Please plant Native plants and landscape with dirt paths between for Kids to explore flowers and shrubs. Please don't put another dog park! Just a small pet relief area in a corner is enough for our fur friends. We need the open space for kids to run, have a picnic and bask in the Sun! :) We love this park!!! -Deva	2/25/2021 8:28 AM
18	Pickle ball courts	2/24/2021 10:57 PM
19	Put in a skate park! Or at least a flat, smooth, surface for roller skating and practicing flat ground skateboarding tricks.	2/24/2021 7:20 PM
20	Please no dog park. This is a small area and we need it for people and children. We need beauty for the future generations.	2/24/2021 6:15 PM
21	I am a dog-owner, but am not fond of dog parks. Too many folks not paying attention to what their misbehaving dogs are doing...I've heard many complaints (not just Alameda). If this were to be done, it should be far enough away from the garden area.	2/24/2021 6:05 PM
22	I would love to see a Maze as opposed to a Steel Structured Playground. It would be fun to see Chinese figures - such as a Dragon; Hispanic structures- perhaps in honor of Dias de los muertos, and other cultural artwork as part of the maze. I feel Dog Parks can not be controlled well enough. People think they have more rights than others.	2/24/2021 5:20 PM
23	Perhaps too optimistic, but would be interested to see if some form of splashpad could be included	2/24/2021 5:08 PM
24	How will you keep us safe in this park? Armed robbery and all increasing in Alameda.	2/24/2021 4:53 PM
25	Large Roller skating area!!	2/24/2021 4:13 PM
26	There is also a narrow strip of ground along the entire pathway of the park. I would like to see a Mountain/ BMX bike dirt run there. It could include turns, jumps, and other common features in bike parks. Good examples include the Pleasanton Bike Park and Dirt World Bike Skills Park in Richmond. Biking is very popular in Alameda for people of all ages and skill levels. It is an activity that lends itself to social distancing. Creating such a run would be relatively inexpensive as well since it just requires moving dirt around for the most part.	2/24/2021 2:15 PM
27	Roller skate park area designation, please.	2/24/2021 7:56 AM
28	worm composting, thermal composting - both in use at park and for trainings. Butterfly garden.	2/24/2021 1:07 AM
29	Would LOVE a splash pad! Maybe this would be easy to do with a garden too since you'd need irrigation anyway.	2/23/2021 5:12 PM
30	Fountain!!! Waterscape is healing and inspirational for reflection and calming	2/23/2021 2:40 PM
31	Roller skating park!	2/23/2021 12:39 PM
32	Smooth open surface for roller skating.	2/23/2021 9:56 AM
33	Roller skating surface. There are very few if any areas in Alameda for us to safely roller skate.	2/23/2021 8:56 AM
34	model a playground after Berkeley's Adventure Playground	2/23/2021 8:03 AM
35	Outdoor skating area/skate park	2/23/2021 5:51 AM
36	Roller skating area.	2/23/2021 5:08 AM
37	Roller skate area	2/23/2021 12:05 AM
38	Outdoor roller rink!	2/22/2021 11:52 PM

Jean Sweeney Open Space Park Community Survey 2021

39	Disc golf course along the long open space in the park, could be a nice recreational fit.	2/22/2021 11:40 PM
40	Flat surface for skating surrounded by benches where people can eat lunch, chat, hang out, etc.	2/22/2021 10:52 PM
41	Skating circle, like the one in golden gate park at the "skatin' place" Nice smooth surface	2/22/2021 10:28 PM
42	Rollerskate Rink	2/22/2021 10:10 PM
43	What ever happened to the bike skills course/pump track? I'd love to see that come to life!	2/22/2021 9:58 PM
44	No more parking is needed. Have people walk or bike to get there or use already existing parking.	2/22/2021 7:22 PM
45	Redwood trees and other trees that help clean the air. A mini forest. Some kids don't get off the island to see these majestic trees. NO PALM TREES!!	2/22/2021 5:09 PM
46	Please Include an Alameda Backyard Growers Free Seed Library, too, if possible. https://alamedabackyardgrowers.org/abg-free-seed-library/	2/22/2021 4:50 PM
47	There should be some types of water features around the park, and beautiful fountains. It would be nice if kids could do sports there, like tennis, or basketball. It would be nice to have a large grass area for kicking balls around on. Kids like skateboard park features, and maybe a rolling hill dirt bike path, for thrill seeking bikers. Lots of pretty trees and flowers.	2/22/2021 4:48 PM
48	Would like to see more trees planted, or drought resistant brush. A Community Garden sounds okay, need to know more about what security measures would be implemented for the garden. Has that been a consideration in planning this garden? Also in this present time, consideration needs to address the pandemic issues and also considerations for the nearby residents. When you received this input, it was 7-8 years ago. Times have changed and this survey it one of the tools for providing further input. As a resident of Alameda, I find that parks provide a place for relaxation and refuge, having all kinds of activity can be helpful to the community, but let us be mindful of a balance between finding tranquility and activity. I am also aware that this is grant specific and certain criteria need to be fulfilled. I am thankful for the park and the city for this survey. It is one step in determining the community input for these changes.	2/22/2021 12:28 PM
49	hills or soft terrain for kids to roll, tumble like hills.	2/22/2021 11:55 AM
50	Less parking. More pedestrian access to the parks from side streets. (Not cars)	2/22/2021 10:12 AM
51	public exercise stations along walking trails	2/22/2021 10:09 AM
52	My only concern is the Urban Orchard and the potential for damage to the trees and individuals harvesting the trees rather than sharing the fruit. Would it be possible to include the Urban Orchard as part of the outdoor education space?	2/22/2021 9:01 AM
53	Natives in the demonstration garden. Education on the importance of native plants to native pollinators and wildlife.	2/22/2021 8:01 AM
54	Swimming pool and Pickleball courts	2/22/2021 7:22 AM
55	Vegetated stormwater channels. Also, somewhere in the park, activities specifically for teens, e.g. a skate park.	2/22/2021 3:33 AM
56	Meet the living community challenge by the international living future institute	2/21/2021 11:04 PM
57	Leave unmoved areas of wildflowers, natural "gardenscaping" that requires no care other than scattering a variety of seeds.	2/21/2021 6:46 PM
58	- native plants garden - recognition of native peoples (sculpture/art installation/info board) - community led kitchen (example - Three Stone Hearth in Berkeley)	2/21/2021 5:40 PM
59	Tennis courts	2/21/2021 4:53 PM
60	Undesignated open space..I'd love to see space where kids can run and play that's NOT a playground. Adults can use it too!!	2/21/2021 4:14 PM
61	We'd really like to see more access to the park from the neighborhoods that border it. Specifically at Saint Charles Street. Right now we have a pretty unsafe walk on Sherman to get into Jean Sweeney, this is keeping us from using the park.	2/21/2021 3:46 PM

Jean Sweeney Open Space Park Community Survey 2021

62	LOTS of benches. So many benches have been removed and it makes it very difficult for this handicapped person to exercise. I need to sit and rest every little bit	2/21/2021 2:33 PM
63	basketball courts	2/21/2021 2:30 PM
64	Disc golf course	2/21/2021 1:52 PM
65	Great stuff! Other thoughts: - Reach out to Chochenyo people and see if they would be interested in a medicine garden here - Greenhouse/potting benches (maybe the public can sponsor?) - Vertical garden zone - Love the pollinator buffer idea! (Is the fence necessary, though?) Would be great to include plenty of plants that feed native insects and birds, and include some interpretive education around that - Limit car parking to just a few handicapped spots and add bike lockers, bike parking, and a small oak or evergreen forest. With the Cross Alameda Trail right here and public transportation nearby, the big car parking lot on the other end of the park is sufficient, and enough park land devoted to car storage. Our city's safety and climate goals call for reducing car trips, so let's make sure we don't use precious park land that work against those goals. Coordinate with tool lending library and build enough sheds to ensure that people don't feel the need to bring big tools like shovels and hoes with them to garden, which may necessitate cars - Worried about noise near the "Nature in the City" zone and nearby neighborhoods -- hope to welcome back birds and frogs and hear their calls once again! Propose swapping out easternmost outdoor classroom and playground shown here for trees or natural seasonal ponds, and/or orient any structures so that human activity noise faces towards Constitution/Kinko's; assume there will be no night-time activity?	2/21/2021 12:31 PM
66	Preservation area for those removed Statues representing American History. Bocci Ball and Running Tracks.	2/21/2021 12:23 PM
67	Wild flowers and natural ground cover instead of grass or mulch.	2/21/2021 11:37 AM
68	Little water/splash play area for kids would be great addition to the park, more swings, monkey bars and benches along the trail, definitely add trash bins along the trail all the way to ferry terminal. A lot more trees along the whole park. Cheery, apple, plum, walnut trees would be nice to see.	2/21/2021 11:03 AM
69	Please prioritize community gardens!	2/21/2021 11:01 AM
70	Outdoor exercise stations	2/21/2021 10:51 AM
71	Kids dirt bike course with hills. Little frog ponds.	2/21/2021 10:09 AM
72	Continue park design for healing, dignity and joy. Have plans with emphasis on inclusions, access and racial equity. Explore collaboration with Sogorea TeLand Trust for medical garden space- Habitat focused elements to support pollinators, migrating butterflies and birds,etc Small carousel or other nod to family centered fun and Neptune Beach. Maybe in consultation with children's fairyland. Instagram/ photo space- inviting for family photos where special moments could be captured or kid's growth could be documented over time. http://groundupjournal.org/deafscape https://www.asla.org/universaldesign.aspx https://www.asla.org/uploadedFiles/CMS/PPNs/Landing_Pages/StudentsGuide_EnvJustice_Draft.pdf	2/21/2021 10:01 AM
73	Outdoor show/concert	2/21/2021 9:10 AM
74	More trees for beauty and shade and benches for resting or just enjoying the park	2/21/2021 8:57 AM
75	Outdoor fitness/workout areas Bike parking Picnic tables/seating Space food a food vendor like a coffee stand or a rotating food truck Free wifi so that the outdoor classroom can be used by local students to attend on-line learning or people that work from home can come to work from the park Flexible grass or turf area for soccer I'd like to see another dog park in Alameda but I would not want it over a flexible grass area at this park. It would be great to see one on the east end of Alameda	2/21/2021 8:27 AM
76	The fruit trees and vegetables will increase raccoon activity making the neighborhood more dangerous for people and pets.	2/21/2021 8:20 AM
77	It is very important to open up the park with entrances and visibility from Atlantic and from the neighborhood to the south. Easier access is key and also for security (as it is now the park is very isolated and could be dangerous since people in the park are hidden from view).	2/21/2021 8:15 AM
78	Modest stage for outdoor performance (possibly part of Demonstration Garden area)	2/21/2021 7:27 AM

Jean Sweeney Open Space Park Community Survey 2021

79	Love the idea of being able to sign up for classes such as how to make terrariums. Something adults and kids can do together.	2/21/2021 6:26 AM
80	Trees, trees and more trees!	2/21/2021 5:13 AM
81	Is that area large enough for a dog park?	2/21/2021 2:53 AM
82	No Parking Lot. Part of the BEAUTY of this park is that I have seen so many families walking and biking to this park. The Beauty is the exercise to get there. A second parking lot is unnecessary. Paving that part of the park seems contradictory and disruptive. In fact, I run through the park quite often, and am surprised to see how few cars are in the parking lot and yet the playground is packed. So add a second playground and not a parking lot.	2/21/2021 1:12 AM
83	Please don't put a playground, there is already one adjacent. A new dog park should be on east end and/or bay farm, not here. Please consider adding the following: A small easy food/drink stand, maybe operated by food shift or similar (partner with the APC programs here?). These are very popular in gardens and can generate work experience, pay, income for for NGO or city. Please consider selling a few things as well, planted arrangements, etc.	2/21/2021 12:49 AM
84	Do NOT allocate and pave all of that valuable parkland! Please! Maybe a few handicapped spaces and some white zones, and some secure bicycle parking for the eco-minded urban gardeners.	2/20/2021 11:18 PM
85	Skateboard Park!! The only skateboard park that Alameda has is at the very west end of Alameda. The park is very crowded on the weekends and we need another one to help with the overflow! We need a skateboard park that is also more centralized for kids to enjoy!	2/20/2021 11:16 PM
86	basketball courts pls	2/20/2021 10:57 PM
87	Composting!	2/20/2021 10:15 PM
88	flowers on the walking path	2/20/2021 9:49 PM
89	Please make sure to include lots of plants that foster local wildlife to attract birds, butterflies (like Monarchs), other insects and small mammals. We need to "rewild" some parts of Alameda. This would help fight the extinction crisis on a local level. Plants (including trees) that provide food and shelter for local wildlife is sorely needed, especially native varieties. And not only do these reforestation efforts help to capture carbon but these landscapes provide a therapeutic escape for our urbanized community.	2/20/2021 9:13 PM
90	Native plant landscaping Areas to sit on grass Benches and sitting areas for seniors Places to secure bicycles while spending time in park Seasonal plant sales Concerned about free fruits to pick, may attract homeless	2/20/2021 9:09 PM
91	Please make sure to have enough bike parking areas!	2/20/2021 8:08 PM
92	If I Come Up With Something I Will Let You Know.	2/20/2021 7:30 PM
93	I've stopped using the park for over a year BECAUSE: I'm NOT a lover of animals (any) animals! I live in Independence Plaza, I tried to bring other elderly people to the park. Upon their arrival we consistently have been run off and scared to death and had to leave out to protect ourselves from unleashed dogs. The elderly refused to come back! I called and complained so many times, two small signs were placed at the entrances of the park BUT that did no good! Each day I walked I had to run from dogs move from the walking path and walk in and around dog poop! After absolutely getting NO help with these unleashed dogs I made the decision NOT to use the park again! Such a loss.	2/20/2021 7:14 PM
94	pump track!!!	2/20/2021 6:35 PM
95	No parking lot.	2/20/2021 6:23 PM
96	we really need a disc golf course, which requires a bit of space, so Jean Sweeney or Lincoln Park or Alameda Point somewhere. Super fun, covid friendly sport for young and old alike. i've heard (but never seen) of rubber ball courses too, kick ball style. maybe the course can do double duty?	2/20/2021 6:19 PM
97	Berries along the chain link fence for human and bird food.	2/20/2021 6:13 PM
98	Please do NOT put a parking lot there. There is already a parking lot on the other side of the park.	2/20/2021 5:49 PM

Jean Sweeney Open Space Park Community Survey 2021

99	Bike skills park. Narrow paths, planks, obstacles to ride on, around and over	2/20/2021 5:15 PM
100	Large shade trees. Too dangerous for a dog park. Not an appropriate location. Let's make it beautiful, not full of feces where we plant\grow food and children play.	2/20/2021 5:09 PM
101	Open space with small stage for concerts and weddings/ceremonies? Could be profitable as well as fun.	2/20/2021 4:22 PM
102	We do not want a large parking lot in the middle of the park as in this illustration. People are mostly walking and rolling to this park.	2/20/2021 4:20 PM
103	Enough benches for older people to sit and just relax there. I don't see any in the garden area or on the path there.	2/20/2021 4:16 PM
104	Off leash dog trails. There are so many smilies with dogs in Alameda and yet there are no dog friendly trails and/or off leash parks. Alameda needs one. Check out Point Isabel.	2/20/2021 4:11 PM
105	There has been a lot of discussion re dog parks. My cat was killed by an unleashed dog, as he napped on our porch 25+ feet from the curb, and 1/2 a level above the ground. And nothing was done, about it, as the dog owner was never found. Not to mention we had to risk getting bitten by this aggressive dog that was shaking our cat while running down the street. Owners don't always know what their pet dog does when they are not around. I've even had my nephew bit by a dog as we walked by. While the dog was on a leash, the dog's new owners weren't paying attention and the dog lunged at my nephews leg, bit through the pants and scratched his skin. Fortunately those owners were cooperative, we exchanged numbers and thank goodness nothing became of it. I know a dog that lives around the corner and I find their dog running loose, marking territory and pooping his way back home regularly. I would like to see this addressed by raising the fines for dog owners who constantly ignore leashlaws, because their dog has never bit them, or anyone to their knowledge, and who even take their dog to the beach in the early morning at 4AM DAILY! Now I've heard Franklin Park baseball diamond is their new makeshift dog park. I feel bad for the little league teams that get to play there. WTH??? I'm sorry but it's the irresponsible/entitled who don't care about other people that makes me not want to support a dog park for them when there are dog owners who won't use it anyway, just let their dogs run free, to avoid picking up their dog poop.	2/20/2021 4:09 PM
106	Chessboard tables	2/20/2021 4:02 PM
107	Off road bike trail	2/20/2021 3:47 PM
108	I trust you all to make good choices with an overall vision for the park and what will be in the west and in its center too. I strongly support the dog park area and would love to see an off-leash walking segment that is fenced off (eg extends alongside the current walking path rather than being a square, it could be a long rectangle.) however, any dog park area would be helpful!! I would support it wherever it can fit and would recommend it be accessible from multiple directions. Otherwise, the only question I have is about the raised beds - are the public allowed in? If so, they make sense. Otherwise, if only certain people can enter, I am not clear on their benefits to the public. Finally, I am sure you have this in mind, but having a 'flow' along the park is useful for us walkers/Dog-owners who walk from one end to the other (enter at Sherman, exit at 8th). I know this is probably not the west end, but I would love to see the st Charles st entrance opened as soon as possible, even as just a dirt path. And lastly, the west end parking lot - personally, I would keep that as close to the busy road as possible, so as to keep the most parkland accessible within the park.	2/20/2021 3:02 PM
109	Small Skate ramp, low water feature/fountain/steam for the kids(they have one at a Danville park)	2/20/2021 3:01 PM
110	No parking lot!	2/20/2021 2:29 PM
111	Little free libraries	2/20/2021 2:19 PM
112	Please allow for the expansion of the existing foodbank at that site. Or better yet, tear-down of old bldg and rebuild os a new one. The foodbank serves a large and needy community here in Alameda, and is beloved by both clients and supporters. AN open-plan site where clients can come in one door, shop on their own, and head out another door is sorely needed. Any additional open-space for clients is likewise appreciated.	2/20/2021 2:09 PM
113	Bike repair kiosk	2/20/2021 1:30 PM
114	adult workout stations	2/20/2021 1:21 PM

Jean Sweeney Open Space Park Community Survey 2021

115	NO DOG PARK PLEASE. Pick another space for that. I love dogs, but their owners generally don't respect the rest of the park space.	2/20/2021 1:21 PM
116	No dog park that has been a no from the beginning. It's ruined as open space with a dog park. I love dogs just NO dogs off lease anywhere on this park. Also what happened to the meadow?	2/20/2021 1:15 PM
117	Petting zoo, market space	2/20/2021 1:07 PM
118	An amphitheater would be nice. During nice weather there could be concerts there. Or an outdoor theater to show movies.	2/20/2021 12:55 PM
119	A place for children and adults to practice bike skills in a low-stress environment. Partner with Bike East Bay and BikeWalk Alameda for classes.	2/20/2021 12:53 PM
120	Alameda seriously needs some amusement rides. Why not a Merry-Go-Round and Steam Train ride? There are plenty of people who would ride and it would be another source of income to help up keep the park.	2/20/2021 11:54 AM
121	Man made pond or lake.	2/20/2021 11:46 AM
122	off road bike area	2/20/2021 11:34 AM
123	Timed fountains that squirt up through a platform base so dogs and kids can run through them on hot days, or adults and elderly can sit next to them for the cooling mist.	2/20/2021 11:18 AM
124	Children's Community Garden	2/20/2021 11:13 AM
125	Bicycle Pump and Repair station	2/20/2021 10:47 AM
126	Love the idea of a dog park, but it needs to be maintained and have dog playground items. The small dog park at Crown Mem. Beach has just been trashed.	2/20/2021 10:22 AM
127	Outdoor exercise equipment	2/20/2021 10:21 AM
128	Smooth surface for roller skating!	2/20/2021 9:47 AM
129	What has happened to the bike skills course that was in the original master plan?	2/20/2021 9:45 AM
130	Event space for garden parties or weddings.	2/20/2021 9:44 AM
131	Robust website to complement these amenities and ensure access, particularly for those who don't get garden plots	2/20/2021 9:44 AM
132	I like the idea of a pick-able garden, but I fear it would become a magnet for junkies to come over from the tent-cities in Oakland for a free snack, or to set up a tent-city here. I don't know if the city has the budget to keep such a garden consistently monitored so that does not happen. I see a beautiful idea being ruined by the lack of state and federal infrastructure for the mentally ill. Until there are no tent cities in Oakland, I don't think we can have a pick-able garden in Alameda.	2/20/2021 9:43 AM
133	A futsal court would be great for small- sided games (5 v 5)	2/20/2021 9:31 AM
134	Bike skills area .	2/20/2021 9:28 AM
135	New skatepark for little kids	2/20/2021 9:15 AM
136	I would give it all up for a splash pad playground. Basically a playground with water features to play on. Also, you might as well designate a homeless camp section because they will be coming.	2/20/2021 9:14 AM
137	Pickleball courts. Alameda desperately needs some more and better courts	2/20/2021 9:11 AM
138	There does not need to be more open space ruined by parking. The park already had enough and I see tons of families getting to the park in bikes, waking, scooters, etc. Also, what happened to the bone skills area? Right now kids are using the hills to play on their business, please don't lose this aspect to cars. Let the kids have an area to play on their bikes. A skate park would be nice as well. The one on the point is always packed.	2/20/2021 9:11 AM
139	Bicycle skills course. It was included in the original plan. Why has it been removed?? Also, no more parking!! Aren't we supposed to be discouraging driving? There's a very large lot at the eastern end of the park.	2/20/2021 8:55 AM

Jean Sweeney Open Space Park Community Survey 2021

140	Something like Dirt World in Richmond. Dirt Bike Play area where kids can ride their bikes up and down mounds of dirt.	2/20/2021 8:50 AM
141	Any chance for rent-a-bike stations? We can't afford, nor do we have the space to store, our own bikes, but my daughter and I would love to be able to bike from one end to the other of the park. One could adopt a grocery cart wheel lock if the bikes move beyond the perimeter of the park to prevent theft, and child-sized bikes would be a plus.	2/20/2021 8:47 AM
142	local artists' statues, tile work, murals embedded in gardens, paths	2/20/2021 8:36 AM
143	Splash pad for kids. Great entertainment and no park in alameda has one	2/20/2021 8:35 AM
144	It's important that some more playgrounds are put in closer to Webster and the other side past college of alameda area as well as at the end near Main Street. There are many alameda children living in the summer house and vue apartments and in the point area that deserve access!! There should be large and beautiful play structures through these areas as well just like at the Sherman entrance!!	2/20/2021 8:30 AM
145	Any space that we could use for our No Excuse Moms FREE work out groups - would be amazing! We are a FREE work out group with over 1700 Alameda members. We meet up in local parks and provide free work outs for all women.	2/19/2021 10:00 PM
146	i have a dog and i love space for dogs but there are two dog parks currently on the island and the constant use is not very clean or sustainable for the earth	2/19/2021 9:58 PM
147	No comment	2/19/2021 7:54 PM
148	no dog park please. same with playground - already got that. room for bmx park?	2/19/2021 7:14 PM
149	exercise stations up and down the trail. some sort of circuit training. native american history stations teaching us of the ways of the people who lived here before us. water fountains. shady trees for relaxing. herbal gardens. scent gardens.	2/19/2021 4:55 PM
150	I see no need for another dog park, as Alameda has a couple already. My husband and I walk in the park almost everyday. It's very well used, almost too crowded at times. I would prefer to keep more open space, just add a little more landscaping. Maybe add a gazebo for an occasional free concert (no rap or hard rock).	2/19/2021 4:23 PM
151	Outdoor bowling alley	2/19/2021 4:01 PM
152	consider adding pollinators to the area, such a a butterfly garden and bee hives. Consider adding chickens to the area. Make this space where people can buy bees and either chicken eggs or chick hatchlings that they can raise at home.	2/19/2021 3:09 PM
153	NO dog park. I love that kids can play, bikers bike and people walk without having to cross with dogs. Some people are afraid and/or allergic to dogs and there is a park very near by at Washington Park.	2/19/2021 1:55 PM
154	More coverage for inclement weather, a plan for housing unstable people who may begin to reside in the area, public transportation to and from the specific location (Free Alameda Bus anyone?), less parking more varieties of art, sculpture, and opportunities to be artistic	2/19/2021 1:23 PM
155	Picnic areas near parking lot and playground that can be reserved.	2/19/2021 1:18 PM
156	Provide details on how to join & contribute to the community garden.	2/19/2021 1:13 PM
157	It would be nice to add a "bike maintenance" station in the park, similar to the one outside the Alameda Library on Oak Street.	2/19/2021 12:37 PM
158	NO to a dog park. Not enough space to accommodate it.	2/19/2021 11:15 AM
159	Children gross motive development high climbing structure. It should in a model which is safe without extra protection gears.	2/19/2021 11:11 AM
160	Please make preteens and teenagers feel welcome on playgrounds. Sadly most playgrounds are designed for small children this combined with societal pressures, leads older children to believe they are too old to play. A larger play structure designed for children ages 10-19 would be developmentally appropriate and would aid in their social play skills.	2/19/2021 10:41 AM
161	Sculpture Park or Public Art Trail	2/19/2021 10:38 AM

Jean Sweeney Open Space Park Community Survey 2021

162	All sound great	2/19/2021 10:33 AM
163	A bmx park or skate park.	2/19/2021 10:20 AM
164	Outdoor concert area for small shows etc. Food truck area.	2/19/2021 10:13 AM
165	A zip line- a hand ball wall	2/19/2021 9:50 AM
166	Fountains and/or sculptures - give me a reason to go there as opposed to other parks	2/19/2021 9:50 AM
167	Chickens!	2/19/2021 9:41 AM
168	Splash pad! The ones in San Carlos/Redwood City are so wonderful and we would love to have one here in Alameda: https://climaterwc.com/2019/04/26/you-know-summer-near-when-the-splash-pads-are-activated/	2/19/2021 9:29 AM
169	Water park for kids	2/19/2021 8:40 AM
170	Bike parking, bike maintenance station (air)	2/19/2021 8:20 AM
171	Rain gardens and bioswales to reduce flooding in area, especially due to sea level rise	2/19/2021 8:09 AM
172	place for youth to ride wheeled sports equipment. (Mild inclines and skating paths that would not endanger older adults.)	2/19/2021 8:06 AM
173	Putting green like at snow park in Oakland? Open grass to throw a frisbee? Mini baseball diamond for a whiffle ball game?	2/19/2021 8:01 AM
174	Bike park	2/19/2021 7:49 AM
175	One morning when I happened to get up very early there were 3 young raccoons in my yard. I live on 9th Street on the block that ends with the Jean Sweeney Park. All of a sudden I realized we were taking away one of the last wild areas in Alameda where they can shelter. I think we should preserve space for the other inhabitants of this island too rather than complete focus on people.	2/19/2021 7:35 AM
176	Native plant garden (can be integrated with demonstration garden showing examples of drought-tolerant landscapes)	2/19/2021 7:34 AM
177	Beehives!	2/19/2021 7:32 AM
178	Mini forest with walking trails. Plant trees! Botanical gardens like in Golden Gate park	2/19/2021 6:33 AM
179	Would love to see redwood trees or other large trees that will give a "forest" feel.	2/19/2021 6:19 AM
180	Sustainable food garden that preschools can visit as well As tend to.	2/19/2021 6:16 AM
181	Skateboard slopes and more trees for shade all year around.	2/19/2021 3:28 AM
182	Local art sculptures.	2/19/2021 3:14 AM
183	Would love a children's playing water fountain turned on during summer time	2/19/2021 2:55 AM
184	Dog parks stink and would be in direct opposition to an atmosphere devoted to fruits, vegetables and eating. I avoid all dog park areas because of the stink and people who do not leash their dogs outside the dog areas and think everyone wants a dog near them. I was a dog owner and am considering getting another pet, so I'm not a dog hater. I'm out of patience for the dog owners who allow their animals to engage in the above. There are enough dog parks/areas in alameda. Please leave it for people, especially the 20,000 more residents who will join us by the time all the apartment building is completed. We need parks for people with an emphasis on gardening. Kids need to learn about where their food comes from.	2/19/2021 1:09 AM
185	Tennis courts, bocce ball courts	2/19/2021 12:37 AM
186	I think it would be great to dedicate most of the space to growing food for the Alameda Food Bank (similar to what they do at APC).	2/18/2021 11:41 PM
187	I love the playground on the east side, it is definitely more exciting and fun for parents to play with their kids at that park. I would continue to look for inspiration for such exciting and more thrilling playground experiences from New Zealand; they have the best playgrounds, a few in Christchurch and Auckland, where the slides are so tall and steep they are fun for the whole family. The opposite of play is not work but depression (heard through Brene Brown), and in	2/18/2021 11:40 PM

Jean Sweeney Open Space Park Community Survey 2021

this mental health crisis during the pandemic, we can use more areas where we prioritize and emphasize the importance of play in our community.

188	I would like to see a water play park area for the kids. The weather in alameda seems to be getting warmer and warmer. And I've seen similar parks with water features for kids to play.	2/18/2021 11:28 PM
189	Local art pieces; push sailboats like in the Luxembourg garden of Paris; tables with chairs and an espresso/tea hut	2/18/2021 11:24 PM
190	We need more shade! trees would be lovely.	2/18/2021 11:03 PM
191	Splash park	2/18/2021 10:56 PM
192	#1 - safe environment. must not allow park to be overtaken by vagrants. #2 - see #1 #3 - see #1 #4 - benches and places for people to sit, some with shade #5 - open grassy field for playing frisbee, soccer or whatever.	2/18/2021 10:54 PM
193	Drinking Water fountain and dog height water fountain. Soft seating from recycled tires near community areas for us older adults to rest.	2/18/2021 10:53 PM
194	Basketball court. Fitness center(indoor or outdoor) Tennis courts Outdoor water park	2/18/2021 10:53 PM
195	Public wi-fi	2/18/2021 10:53 PM
196	Bee hives!!	2/18/2021 10:18 PM
197	bike park!	2/18/2021 10:01 PM
198	a performance space is desperately needed. Many performing arts organizations in Alameda do not have a purpose built space to provide free concerts to Alamedans. An area for performers (ideally with a shell or curved wall behind) and a space for several rows of chairs and grass behind. These activities would draw people to the park (many for the first time) and thereby raise awareness and use. The central Outdoor Classroom would be ideal I suspect.	2/18/2021 9:45 PM
199	I still think it is pathetic that Alameda does not have any true public pools. Lincoln and Franklin pools are "members only," with requirements for membership that not everyone can meet. Emma Hood is only open when the school is not in session, and even then the public swim times are extremely limited. A true public recreational pool, with plenty of free water play time for all ages and swimming lanes/times to enable those of us with disabilities and other health issues to get the best low-impact exercise around, would be a real asset to the community. It seems like we are the only city without a public pool, and calling Lincoln/Franklin public pools is really cheating when the general public cannot take advantage of them. Alternatively, make those pools truly public pools! The planned Emma Hood project is nice, but it will still not address the limited public hours problem if schools/swim teams are prioritized, which seems to be the case. We need a dog park in the eastern part of Alameda, but we already have two on the west side of town so putting one at the Jean Sweeney Park isn't really going to address the dog needs of 2/3 of Alamedans. Trash mountain, the empty lot at the foot of the Bay Farm bridge (although probably too small), or Lincoln or Krusi parks would be the best locations for that. Ideally Alamedans will be able to walk there instead of having to drive. Isn't there already a playground at the Sweeney Park? A community garden and/or urban orchard would be my top picks for this site if we can't have a pool. For walking trails, it is very important to ensure that bikes and other fast wheeled vehicles have separate trails and are not allowed on the walking trails. I am so tired of almost getting run over by bikes on sidewalks and walking paths!	2/18/2021 9:24 PM
200	Tennis and outdoor classes such as Yoga :)	2/18/2021 9:21 PM
201	I'm actually annoyed that we keep building walking trails and playgrounds when we don't have enough sports facilities (soccer, baseball, lacrosse, etc.) for all the teams that need to play games and have practices in Alameda. We already have 2 dog parks in Alameda that work. Why can't we designate more open space for fields?	2/18/2021 9:20 PM
202	A small clubhouse?	2/18/2021 9:14 PM
203	Great ideas! I live on Stewart Ct and my upstairs windows look out on the street intersection, entrance to the park and long views to the east. I hope that my views will include at least the intersection and entrance and a bit more to the east. I know this might be impossible, depending on the size and placement of the planned trees, but you asked. I also hope you will	2/18/2021 9:13 PM

Jean Sweeney Open Space Park Community Survey 2021

keep the large eucalyptus tree. I really enjoy the colors of this tree! The ideas for the west end development will be perfect! Thank you got considering my requests!

204	Slash pad! (water splashing playground)	2/18/2021 9:13 PM
205	Large rocks/boulders for kids to climb	2/18/2021 9:04 PM
206	Rest rooms.	2/18/2021 9:03 PM
207	Plants and trees to support birds, bees, bats, nature. Quiet, peaceful area with natural seating, tree stumps, logs. People can play music, enjoy natural setting.	2/18/2021 9:02 PM
208	BMX pump track!!	2/18/2021 9:01 PM
209	U	2/18/2021 9:00 PM
210	Splash park for kids to play and perhaps the water could be captured to feed drip Irrigation for the gardens	2/18/2021 8:59 PM
211	Bike trails	2/18/2021 8:58 PM
212	Open green space for picnics	2/18/2021 8:56 PM
213	For the playground, can sail cloths or other shade opportunities for over the structures be considered?	2/18/2021 8:30 PM
214	A cutting garden! A place seeded with flowers (cheap and beautiful). Sunflowers, zinnias, asters, daisies, poppies, etc.	2/18/2021 8:21 PM
215	Better to show map of full park for scale. This is not a lot of space. It is a mistake to add more parking. This is supposed to be open space. Meandering paths with wildflowers. Keep plantings low for safety please.	2/18/2021 8:20 PM
216	rest rooms that are maintained!	2/18/2021 8:14 PM
217	A long spread out bike park with slopes (like calabazas park in San Jose)	2/18/2021 8:09 PM
218	compost + vermicompost demonstration + education; honey bee hives + education; mason bee habitat and native pollinator education; community greenhouse for winter use or growing tropical plants	2/18/2021 8:08 PM
219	What happened to the pump track idea? Would love to see one of those both youth and adult oriented!	2/18/2021 8:04 PM
220	Skate/bike path	2/18/2021 8:03 PM
221	Land space permitting, support the dog park.	2/18/2021 8:01 PM
222	More shade trees and places to enjoy the shade(benches...) Just don't screw up this park the way you let them screw up Krusi Park....took away the most beautiful lawn area, in favor of an ugly building....Too many bad decisions are going unchecked	2/18/2021 7:59 PM
223	Skatepark!	2/18/2021 7:53 PM
224	Set a new model: as once done in some European, American communities and urban areas -- have points and corners and empties where individuals treat and meet and exhibit their works and wares and knowledge, from as diverse skills and interest as paint artists and craftsperson to that of adherents of writing and letters, to mathematics, science and music makers, and, of course, the facilitator of this as is hitherto now the teaching and demonstrating of these all. Let these be participants who bring out their canvasses, and pads along with their markers and any a manner of new technologies in which knowledge and skills can be readily demonstrated. Alameda needs to resolve to the new, not the old, which heretofore now proved reserved for the historically privileged American child and adult.	2/18/2021 7:38 PM
225	Dog parks tend to be located in more affluent communities. We have 2 on the west end of town. It sends the wrong signal to build a 3rd. And I am a dog owner/lover.	2/18/2021 7:36 PM
226	A coffee shop and/or dog washing service (something akin to Mudpuppy's at Point Isabel) could employ local residents and would encourage use of space.	2/18/2021 7:34 PM
227	Animal area- goats or chickens, etc for kids to visit with.	2/18/2021 7:30 PM

Jean Sweeney Open Space Park Community Survey 2021

228	Community pool	2/18/2021 7:17 PM
229	An area where designated 6 ft apart outdoor martial arts, yoga, Chi gong, classes can be scheduled through-out the day for both adults and children. -outdoor exercercise equipment route along walking trails, such as pull-up bars, double bars, balancing beams, etc. can be spaced out to a routine (like at Lincoln Park- but along the trail.	2/18/2021 7:12 PM
230	Looks wrong or upside down. Why did you go through the expense of making bike and walking paths along what looks like you will now rip up and build again? This park is only two years old! Looks like you are moving a playground and everything unnecessarily. There's a huge open space these raised beds could go into already without destroying paths and trees already there. I don't see a reason to destroy the paths when empty land is right there. My other suggestion is to plant as mini butterfly attracting plants as poss.	2/18/2021 7:03 PM
231	water fountain	2/18/2021 7:02 PM
232	Outdoor skating rink	2/18/2021 7:01 PM
233	Redwood groves. More oaks. More trees. But the Dog park sounds wonderful.	2/18/2021 6:55 PM
234	The land there used to have so many blackberries anyone could pick because they grew through the chain link fence. They were thorny and unruly, but they could be replaced by a thorn-less and abundant variety as part of an "anyone can pick" model.	2/18/2021 6:54 PM
235	Pump track. We need a place for kids to have some bike fun!	2/18/2021 6:49 PM
236	Community pool. Unique playground with animal structures that kids can interact with.	2/18/2021 6:47 PM
237	Splash pads for children	2/18/2021 6:43 PM
238	I'd like t see an areas for aquaponics and hydroponics to educate the community about the ability to grow food in smaller spaces, such as balconies and decks. Not everyone can afford a backyard and teaching things like this can make things more accessible. Community gardens would be nice, but the tools lending library should be within the office and checkout should be based on a card, such as a library card to ensure the tools are returned. The free seed library should be made available for the general public so that those of us with abundant gardens can share resources.	2/18/2021 6:35 PM
239	As an Alameda Country Master Gardener I would love to see a demonstration garden where vegetables, fruit trees, etc., could be grown with classes. This could be similar to the one in Lake Merritt. Classes would include seed starting to pruning fruit trees. There are many Master Gardeners in Alameda. Many of us are part of the Alameda Backyard Growers too.	2/18/2021 6:32 PM
240	Please no dog park... I feel like this would increase the total # of dogs at the park which would make it more poop-filled and dangerous for humans. Let's keep the park peaceful and safe for humans.	2/18/2021 6:32 PM
241	More spaces for picnics and barbecues. Not just one huge pavilion. Benches with trees or other shade. Play spaces beyond what exists now. More bathrooms.	2/18/2021 6:24 PM
242	I would love to see a disc golf basket. It could be combined with a walking trail.	2/18/2021 6:23 PM
243	Outdoor classroom areas	2/18/2021 6:21 PM
244	Sports fields and open space grass for family picnic activities	2/18/2021 6:21 PM
245	Additional off road Bike trails had been mentioned before in the previous plans & they would be a nice addition for people to enjoy in the area.	2/18/2021 6:20 PM
246	All great. I only include a playground if it's themed for the space, not a regular play structure but something exploratory so kids can engage perhaps while a parent is watching a demonstration or working in the garden.	2/18/2021 6:18 PM
247	Please plant more poppies.	2/18/2021 6:17 PM
248	As an older citizen, I enjoy walking in the park; seeing the children at play, and the families cycling together. I assure I would enjoy any further additions as long as there are walking trails.	2/18/2021 6:16 PM
249	Bump track for biking! Biking is a huge part of the Alameda community - this would be a great way for people of all ages to gain skills needed for biking. Indiginous Acknowledgement. The	2/18/2021 6:12 PM

Jean Sweeney Open Space Park Community Survey 2021

lands is their land. This should be a part of the park. What about some history on how the tribes used the land in soil?

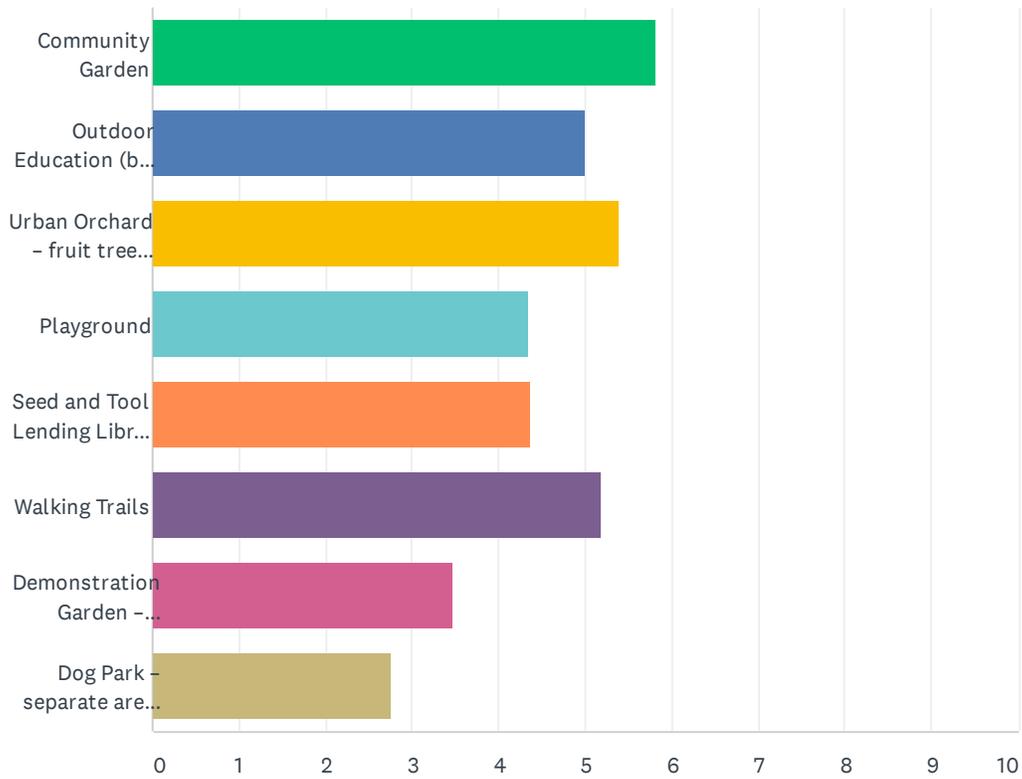

250	Be sure the vegetable garden is 100% organic and the fruit trees, also. Thank you!	2/18/2021 6:07 PM
251	No other ideas	2/18/2021 6:01 PM
252	toddler water park	2/18/2021 6:00 PM
253	I like many of your ideas. I just hope it still has open spaces that are not planned to hold anything else but nature and a place to "sustain the soul". I think that there are community gardens nearby so don't need to be in Sweeney Park	2/18/2021 5:54 PM
254	Space for Parents and/or childcare Givers where adults and children can safely congregate—include clean changing areas—admission should be with registration	2/18/2021 5:51 PM
255	An urban orchard will sounds like a really bad idea. Maya Lin has Pear trees that harbor disease, fire blight specifically, and only contribute to spreading this arboreal disease to the surrounding neighborhood apple and pear trees. If fruit trees aren't cared for on a weekly basis they can easily harbor diseases that spread in the surrounding neighborhood. Racoons and possums will make a mess of the fruit before any person would be able to enjoy it. I have many fruit trees in my backyard a half mile from Jean Sweeney. The only way you get any fruit is to put nets on your trees.	2/18/2021 5:50 PM
256	More shade - either trees or structures, please. The other side of the park simply doesn't have enough shade.	2/18/2021 5:47 PM
257	More shade trees!	2/18/2021 5:47 PM
258	Outdoor fitness. Please look at the national fitness campaign and their amazing facilities. They have grants available.	2/18/2021 5:41 PM
259	Classes on how to navigate the process of replacing your private garden with an ADU since you don't need one any more now that we have this wonderful shared space.	2/18/2021 5:40 PM
260	Skatepark for little kids to ride their scooters or skateboard. The skatepark on the west end has become popular for the little kids that it is sometimes intimidating for younger kids to ride with the bigger kids (adults). It would be nice to have a little scooter track or park for kids to ride their scooter or skateboard.	2/18/2021 5:31 PM
261	Dirt bike track for bmx	2/18/2021 5:29 PM
262	wildlife habitat	2/18/2021 5:26 PM
263	More trees please. Lots of trees that grow in our areas. It helps to provide shade.	2/18/2021 5:26 PM
264	redwood forest or deep forest area more trees forest, forest, forest! butterfly/pollinator garden Bees	2/18/2021 5:23 PM
265	Pickleball court	2/18/2021 5:22 PM
266	Outdoor theatre convertible space	2/18/2021 5:22 PM
267	Concessions. Allow someone to provide things people need while visiting the park, food, drink, hats, sunscreen, bike repair items. Dare I say a Munich style beer garden?	2/18/2021 5:22 PM
268	Outside exercise equipment	2/18/2021 5:20 PM
269	Water park! There is absolutely no fun water things in Alameda. We don't even have a slide-not one slide at any pool. A splash pad would be great!	2/18/2021 5:17 PM
270	Butterfly house	2/18/2021 5:15 PM
271	When we moved to Alameda I was surprised that there were no community gardens. We already have many playground and dog parks. This is so much more pressing and will also align with climate change goals.	2/18/2021 5:13 PM
272	Plenty of bike parking/storage	2/18/2021 5:12 PM
273	Information/History and pictures of what used to be on and near that property. Railroad, Island Auto Drive-In Theater across the street.	2/18/2021 5:11 PM

Jean Sweeney Open Space Park Community Survey 2021

274	It will likely need a larger compost area than shown; put the dog park in the central part of the park	2/18/2021 5:09 PM
275	Leave it as is	2/18/2021 5:06 PM
276	Skatepark. Small cafe.	2/18/2021 5:04 PM
277	Please only put in a dog park if you can do it without taking away from the garden space. Everybody eats. Not everybody has a dog.	2/18/2021 5:04 PM
278	Skateboard pump track, skateboard halfpipe,	2/18/2021 5:01 PM
279	No dog park!	2/18/2021 5:00 PM
280	lap pool	2/18/2021 4:59 PM
281	Inclusive playground designed for children with disabilities and peers. Also water feature/pond	2/18/2021 4:56 PM
282	About a dozen swings would be nice. Also, a push merry go round and a huge old school wooden play structure with lots of slides and levels like they have in the middle of the country.	2/18/2021 4:52 PM
283	Free food stand for produce grown by community members	2/18/2021 4:51 PM
284	Water play feature. Without a community swimming pool, we desperately need some non-Bay water play options.	2/18/2021 4:50 PM
285	Mini bike pump track for kids. Right now there's some topography and my kids love going up and down. It would be great to develop this into a feature. Especially considering how many cyclists go through here. Also a community swimming pool / water slide would be fun!	2/18/2021 4:49 PM
286	Pickleball courts	2/18/2021 4:48 PM
287	more outdoor community classes - tai chi, yoga, bootcamp, etc.	2/18/2021 4:48 PM
288	Water bottle refill stations, bike and scooter parking, and a space for parents with little ones to sit and nurse or tend to babies	2/18/2021 4:47 PM
289	Roller skating rink! Roller skating had become huge since the pandemic. I regularly go roller skating at the basketball courts in Washington Park. I think alameda needs a roller skating rink!	2/18/2021 4:45 PM

Q2 Now please rank all of the amenities for the western side of Sweeney Park.

Yes	38.95%	289
No	61.05%	453
TOTAL		742

Q6 What types of fruit trees and vining plants would you like to see in the Urban Orchard?

Answered: 736 Skipped: 188

Jean Sweeney Open Space Park Community Survey 2021

#	RESPONSES	DATE
1	Oranges, Lemons, Plums, Apples	3/2/2021 9:03 AM
2	Grapes, citrus, cherry, apple, plum, pomegranate, persimmon	3/1/2021 8:47 AM
3	oranges, pears, raspberries, blackberries, blueberries	2/28/2021 3:23 PM
4	citrus trees, plum trees, grapes, kiwi	2/27/2021 7:23 PM
5	citrus, avocado, pomegranite	2/27/2021 6:40 PM
6	lemons, passion fruit, plums, grapes	2/27/2021 3:04 PM
7	Oranges, lemons. Potato vines	2/27/2021 2:29 PM
8	As argued above, I'm not sure Sweeney Park is the proper or best venue for growing food & I doubt "boundaries" will be respected by greedy opportunists, so putting these in with the expectation of a harvest for the Food Bank might only lead to frustration. I would put in ornamental trees, more like an arboretum, not fruit trees. However, if the Urban Orchard is to be, then for sure plant a variety of citrus trees as they seem to thrive in this climate, maybe cherries, apricots, one or 2 apple & pear varieties. Some nut trees would be cool, though I think they will need a lot of water. A few "fruit salad trees" might be a big draw as somewhat of a curiosity - one with multiple different grafts (e.g stone fruits, citrus, maybe can also do one with apples+pears). I could see a fence with grape vines trained along it. Make sure if plant only single fruit trees that they can self-pollinate. Keeping fruit trees healthy & highly productive requires a lot of maintenance (pruning, fertilizer, & yes, application of pesticides/fungicides) so the decision to put in an Urban Orchard should be informed by whether there are funds for a garden maintenance staff.	2/27/2021 2:08 PM
9	Apple, peach, blackberry, strawberry, pineapple guava, local indigenous? Any concerns of attracting rodents?	2/27/2021 1:48 PM
10	Apples, oranges, lemons, limes, avocados	2/27/2021 1:03 PM
11	Apple, plums, nectarine, lemon, peas, beans	2/27/2021 12:29 PM
12	lemon, grapefruit, fig, grapes, strawberries	2/27/2021 10:51 AM
13	Apple, apricot, plum, pears, nectarine, fig, lemon, orange, sweet peas, squashes, cucumber.	2/27/2021 10:06 AM
14	Apple, lemon, orange, blackberries	2/27/2021 8:31 AM
15	tomatoes, apple trees	2/27/2021 6:50 AM
16	anything yummy and healthy! there's a vining plant that's edible but i don't know what it's called. the leaves are very green and can be sauteed in a pan with just a little bit of salt and oil	2/26/2021 1:52 PM
17	Fence covering vines (throughout the park). Olive trees last a long time... grape vines over pergolas make nice displays and added shade.	2/26/2021 12:10 PM
18	citrus, avocado	2/26/2021 11:37 AM
19	Apple, orange, lemon, grapes, tomatoes	2/26/2021 11:25 AM
20	Apricots, grapes, avocado	2/26/2021 11:05 AM
21	Thorn-less berries	2/26/2021 7:50 AM
22	Seasonal	2/25/2021 11:54 PM
23	Lemons, limes, oranges, apples and avocado trees	2/25/2021 8:24 PM
24	Walnuts, citrus, greens	2/25/2021 8:05 PM
25	persimmon, apple, orange, apricot	2/25/2021 8:03 PM
26	sunflowers	2/25/2021 6:21 PM
27	lemons of course and passion flowers are sooo lovely	2/25/2021 5:52 PM
28	Lemon Orange	2/25/2021 4:44 PM

Jean Sweeney Open Space Park Community Survey 2021

29	Blackberry Lane is already thriving with blackberries, just need to clean it up. Herb garden, citrus (lemon, oranges), figs grow well on this side of the island, Asian vegetables.	2/25/2021 3:51 PM
30	Grapes, apples, plums, apricots, nectarines	2/25/2021 2:27 PM
31	Pomegranate, stone fruit, apples, pears, persimmons and figs. Blueberries.	2/25/2021 1:53 PM
32	Citrus (any), strawberries, apples, peas, squash, tomatoes. Anything, really!	2/25/2021 1:02 PM
33	Peaches, cherries, apricots, apples, seasonal fruit. It teaches kids and adult to eat and grow seasonal fruits and vegetables.	2/25/2021 12:16 PM
34	Apricot, lemon, Avocado, plums (variety), orange and grapefruit	2/25/2021 11:37 AM
35	?	2/25/2021 9:24 AM
36	Tiny oranges, lemons, figs, tomatoes, rosemary, all common edibles for neighbors to pick and cooking.	2/25/2021 8:28 AM
37	Lemon, orange, apple	2/25/2021 8:02 AM
38	Trees that will thrive in our climate	2/25/2021 7:05 AM
39	Persimmon, lemon	2/24/2021 10:57 PM
40	Citrus, stone fruit, passion fruit, avocado, blackberries, raspberries	2/24/2021 9:18 PM
41	Apple	2/24/2021 7:34 PM
42	Berries avocado apple citrus	2/24/2021 7:32 PM
43	Figs Citrus Cherries Plums Apricots	2/24/2021 7:20 PM
44	Limes - so many people have lemons, but no so many limes pumpkins (so fun to watch the foliage drop leaving plump pumpkins, beans, peas, tomatoes	2/24/2021 6:23 PM
45	Stone fruit ,apples and plums.	2/24/2021 6:15 PM
46	Various citrus fruit trees would be great.	2/24/2021 6:05 PM
47	Peaches, lemons, apples, morning glory, jasmine	2/24/2021 5:20 PM
48	Oranges lemons apples pears etc	2/24/2021 5:20 PM
49	fruit that birds and wild animals would also enjoy	2/24/2021 5:13 PM
50	Priorities would be native varieties and productive edibles, like apples, oranges, etc.	2/24/2021 5:08 PM
51	leave that to the experts in fruit trees and vining plants	2/24/2021 5:05 PM
52	Anything indigenous to the area	2/24/2021 4:58 PM
53	Apples, oranges	2/24/2021 4:53 PM
54	Apples, pears, peaches, citrus should grow well.	2/24/2021 4:21 PM
55	Lemons	2/24/2021 4:13 PM
56	Apple, citrus. Not plum- too messy and not easily donated to the Alameda Food Bank.	2/24/2021 3:57 PM
57	apple, asian pear, citrus	2/24/2021 3:16 PM
58	apple and lemon trees do well in Alameda	2/24/2021 2:15 PM
59	Apples, Peaches, Blackberries, Raspberries, Strawberries, Plums, Nectarines, Oranges, Lemons, Avocados NO grapes as they are poisonous to dogs and would make the park less friendly towards dogs and their owners.	2/24/2021 11:49 AM
60	Any fruits that will grow in Alameda hardiness zone	2/24/2021 10:28 AM
61	None	2/24/2021 7:56 AM
62	passion fruit, chayote, berries	2/24/2021 1:07 AM
63	Lemons	2/23/2021 11:15 PM

Jean Sweeney Open Space Park Community Survey 2021

64	Orange, lemon, lime	2/23/2021 8:23 PM
65	Citrus mostly	2/23/2021 5:12 PM
66	Citrus, avocado trees; edible vine plants, i.d., beans, snow peas, etc.	2/23/2021 3:28 PM
67	Apple plum cherry apricot	2/23/2021 2:40 PM
68	orange	2/23/2021 2:18 PM
69	lemons, passionfruits, apples	2/23/2021 12:39 PM
70	Blackberry bushes, lemon trees, orange trees, apple trees, tomatoes	2/23/2021 11:04 AM
71	Seasonal so something is producing year round	2/23/2021 10:03 AM
72	I don't know what grows best in this area, maybe apples, plums, peaches, squash, cucumbers, etc.	2/23/2021 9:56 AM
73	oranges, lemons, apples, peaches	2/23/2021 9:43 AM
74	Lemon, lime, orange, fig	2/23/2021 8:49 AM
75	My concern is that it requires a dedicated fruit tree expert to manage such an orchard. Is there room in the budget to pay for this over the next 15 years? Also the return on investment might be a few to several years before fruit production increases to demonstrate value.	2/23/2021 8:03 AM
76	Native plants	2/23/2021 5:08 AM
77	apples, oranges,	2/23/2021 2:33 AM
78	Native	2/23/2021 12:35 AM
79	Seasonal and heritage plants	2/23/2021 12:05 AM
80	Blackberries, apricot, orange, pear	2/22/2021 11:59 PM
81	Lemons, blackberries, other native fruits	2/22/2021 11:52 PM
82	Pluot, cucumbers, peas	2/22/2021 11:40 PM
83	Cherries	2/22/2021 10:52 PM
84	Pomegranates, persimmons, plums, pluots	2/22/2021 10:28 PM
85	Stone Fruit, Pears, kumquat, tangerine	2/22/2021 10:10 PM
86	Apples, lemons, limes, avacados	2/22/2021 9:58 PM
87	Kumquats, oranges, apples, plums, peaches	2/22/2021 8:24 PM
88	Plums, mulberry, Apple, orange	2/22/2021 6:54 PM
89	Citrus trees, pomegranate vines, avocado tree. A variety of food that ripens throughout the year.	2/22/2021 6:38 PM
90	Apple and stone	2/22/2021 5:43 PM
91	Orange, Lemon, Apples, Persimmon trees and Blackberry bushes. Yum!	2/22/2021 5:09 PM
92	Fuji apples, oranges, pears, peaches, apricots, Fuyu Persimon, Calamerna figs, Meyer lemon	2/22/2021 4:48 PM
93	Any native CA fruit/vining plants and/or any plants that would thrive in our environment with minimal water	2/22/2021 3:53 PM
94	strawberries, nectarines, blueberries, pears	2/22/2021 3:36 PM
95	apple	2/22/2021 3:17 PM
96	Anything native that won't attract too many rodents or make a mess. Lemons come to mind.	2/22/2021 3:04 PM
97	Lemons, apples, squash, pumpkins	2/22/2021 2:56 PM
98	Native & low water use ones.	2/22/2021 2:15 PM

Jean Sweeney Open Space Park Community Survey 2021

99	Winter fruits, such as Apples and Oranges. Spring fruits like apricots, plums, etc. Pears would be nice, too. Kids love pears.	2/22/2021 2:02 PM
100	Citrus, avocado	2/22/2021 1:59 PM
101	Apples and citrus	2/22/2021 1:33 PM
102	those that make sense for this environment	2/22/2021 1:30 PM
103	Cucumber Squash Watermelon Citrus Apple Plum	2/22/2021 1:15 PM
104	Apple/Berries	2/22/2021 12:28 PM
105	Citrus, apples, peaches, apricots, nectarines,	2/22/2021 12:20 PM
106	oranges, persimmon, avocado, star fruit, apples, pears, kiwi,	2/22/2021 11:55 AM
107	Have Forager's Lane and the orchard merged? A community fruit orchard open for picking needs to have small fruits. If you try a nectarine, it will be stripped of fruit long before that fruit is ripe and it will probably be damaged in the process.	2/22/2021 11:28 AM
108	Citrus, persimmons, figs, apples	2/22/2021 11:05 AM
109	Grape	2/22/2021 10:12 AM
110	Apples, oranges, tangerines, raspberries, blackberries	2/22/2021 10:10 AM
111	drought resistant, climate appropriate (citrus, etc)	2/22/2021 10:09 AM
112	Apple, citrus, tomatoes, beans, plum	2/22/2021 9:59 AM
113	Apples and pomegranates	2/22/2021 9:25 AM
114	Things that grow easily here, like citrus, roses (for rose hips), grapes. If there are master gardeners involved with the Urban Orchard, trees and vines that are more complicated can be considered.	2/22/2021 9:01 AM
115	Apple, fig, grapes, any varieties that do well in our microclimate.	2/22/2021 8:38 AM
116	Apple, persimmon, lemon	2/22/2021 8:28 AM
117	Apple, Citrus, fig, berries	2/22/2021 7:48 AM
118	Apple, peaches, plums, citrus, fig, apricot, cherry, blueberries, mulberry, nectarines, dragon fruit, pears, prickly pear, and raspberries, especially unusual and heirloom cultivars that one usually can't find in grocery stores	2/22/2021 7:36 AM
119	Ones that are indigenous to Alameda and suited to the local environment.	2/22/2021 3:33 AM
120	Apples, Oranges, plums	2/22/2021 1:30 AM
121	Oranges, persimmons cherries	2/21/2021 11:04 PM
122	Hops, Sacrallet Runner Bean, Wild Grape (Vitis californica 'Roger's Red'), Kiwi,	2/21/2021 11:03 PM
123	Any	2/21/2021 10:30 PM
124	Passion fruit, pears, apples, paw paw, artichoke, plums, raspberries, lemon, orange trees	2/21/2021 9:36 PM
125	Apples, blueberries, blackberries, tomatoes	2/21/2021 9:24 PM
126	Fig	2/21/2021 9:17 PM
127	Apple, plum, persimmon, orange, blackberries, raspberries	2/21/2021 9:06 PM
128	cherry trees	2/21/2021 5:40 PM
129	Thornless berries	2/21/2021 5:16 PM
130	Fruit Trees: Citrus, Persimmons, Figs. Vining Plants: Hairy Honeysuckle, Larger Bindweed, California Blackberry (thornless)	2/21/2021 5:00 PM
131	grapes, passion fruit, kiwi, apples, pears, asian pears, cherries, plums, peaches, nectarines, hazelnuts, almonds, lemons, limes, oranges, grapefruit, pomegranates, raspberries, currants,	2/21/2021 4:39 PM

Jean Sweeney Open Space Park Community Survey 2021

	gooseberries...	
132	Apples, kiwis, blackberries, figs, plums, pluots, Fuji persimmons!!!	2/21/2021 4:14 PM
133	Native	2/21/2021 4:01 PM
134	Apples, citrus, plums, banana, avocado, pears. Passion fruit, raspberries, blackberries, blueberries	2/21/2021 3:46 PM
135	Something that grows lots of fruit to be shared	2/21/2021 2:33 PM
136	grapevines, lemon	2/21/2021 2:30 PM
137	All kinds of berries, peach, apricot, all citrus, pears, apple.....	2/21/2021 2:13 PM
138	None, silly idea	2/21/2021 1:52 PM
139	Native	2/21/2021 1:47 PM
140	Apple, peach, cherry, orange, plum, almond	2/21/2021 1:21 PM
141	Would love to be able to pick blackberries again! Maybe thorn-free blackberries? One concern: in the past, some people would harvest much of the fruit for sale -- will there be some thought about how to moderate everyone's take? Might also consider a variety that produces at different times throughout the year.	2/21/2021 12:31 PM
142	Limes, lemons, apples, blackberries, raspberries	2/21/2021 11:37 AM
143	Blueberry bushes, avocado trees, Perssimon trees, almond trees	2/21/2021 11:29 AM
144	Grapes, apple trees, citrus, acocado	2/21/2021 11:24 AM
145	Apple	2/21/2021 11:15 AM
146	Cherries, apples, plums, pears, citrus, raspberries, blackberries, blueberries, grapes	2/21/2021 11:03 AM
147	Locally-successful varieties of apple, orange and lum	2/21/2021 11:01 AM
148	Citrus, nectarine, apricot, peach, dragon fruit, watermelon, cucumber, assorted berries	2/21/2021 10:59 AM
149	Citrus, avocados, passion fruit, apples	2/21/2021 10:54 AM
150	Apples, oranges, grapes, berries galore	2/21/2021 10:51 AM
151	Orange, fig, Apple, peach and cherry	2/21/2021 10:16 AM
152	Pomegranate	2/21/2021 10:16 AM
153	Apples, thornless blackberries, plums	2/21/2021 10:08 AM
154	Apple, pear, peach, plum	2/21/2021 10:03 AM
155	Passion fruit vine, apples multiple varieties Fuji and gala as examples, oranges, grapefruit, lemons, limes, Fuyu persimmon, avocado Hass and others, plum Santa Rosa and Green Gage, pluots, pomegranates, figs Black jack, Black Mission, Brown Turkey, wide range of citrus, mulberry, loquat, apricots, pear, cherry, Juneberry-ballerina, pawpaw tree, mayhaw tree, prunus ilicifolia, prunus emarginata, prunus, subcordata, oso berry, wild plum, ollaiberries, wild blueberries, huckleberries etc	2/21/2021 10:01 AM
156	A wide variety to demonstrate what can be grown in Alameda's microclimate.	2/21/2021 9:42 AM
157	Variety of native and drought tolerant plants that yield fruit at different times of the year	2/21/2021 9:38 AM
158	Peach, date, grape, almond	2/21/2021 9:10 AM

387	Apple, Peach and Plum.	2/19/2021 12:36 PM
388	We have a small garden at home so I won't want a plot but I REALLY believe our community should make plots available for people who don't have space to grow their own food. In terms of fruit trees and vining plants...I would like to see california natives like the golden current, huckleberry, Oregon grape, and elderberry trees grown at the park.	2/19/2021 12:36 PM
389	Plums and figs do really well in Alameda. Thornless blackberries are great, and blueberries too.	2/19/2021 12:13 PM
390	apples, peaches, apricots, lemons, oranges	2/19/2021 12:06 PM
391	Historically, fruit trees do not thrive in Alameda city's climate. As the climate is changing, this might be also. Lemons and oranges have always grown okay here, but apples, peaches/nectarines, and cherries--which thrive in other SF Bay Area locations, have never here. If there were hybrids of these that would thrive in our climate, that would be ideal. Meyer lemons were very popular last century--most Alameda yards have these. It might be educational to showcase both Meyer and Lisbon with their histories. Something like that for each tree-fruit would be very useful. As well as having the fruit orchard free for the public to pick/eat.	2/19/2021 12:06 PM

507	lemon trees, lime trees, grape vines, tomatoes	2/18/2021 9:32 PM
508	Berries, apricot, plum, apple, fig, fuyu persimmon. Top choice is apricot- they are hard to bring to market and few people have eaten tree ripened apricots- so delicious!	2/18/2021 9:30 PM
509	Kiwis, apples, grapes, olallieberries, raspberries, boysenberries, avocados, plums, apricots, peaches, pluots, mandarins, navel oranges, other citrus	2/18/2021 9:30 PM
510	apple trees green bean vines	2/18/2021 9:29 PM
511	Peach, plum, persimmon, FIG!!!	2/18/2021 9:29 PM
512	apple, lemon, lime, avocado	2/18/2021 9:28 PM
513	Native plants, so that the area is truly local. Also, the survey isn't working correctly - I checked "No" to Question 4, but still had to answer Question 5 to get the survey to complete.	2/18/2021 9:26 PM
514	Apricot, pears, nectarines, avocado, persimmon, apples	2/18/2021 9:25 PM
515	Lemon, peach. Orange	2/18/2021 9:24 PM
516	I don't actually know what fruit grows well in Alameda besides citrus (and I would definitely	2/18/2021 9:24 PM

Jean Sweeney Open Space Park Community Survey 2021

include citrus). Apples have the coddling moth problem, and so many orchard trees require more heat or winter cold than we can provide. I have had good luck with the "Van" variety of cherry in Oakland so maybe some cherries would work here. Plums would probably grow well but they are less popular with people. Blackberries grow well but become invasive. I would definitely suggest consulting with nursery professionals rather than the the general public on what to plant!

517	Not sure. Those that aren't particularly water-needy would be great -- i.e. no almonds!	2/18/2021 9:22 PM
518	Peach, Fig, Apricot, Pear, Blueberries, Raspberries	2/18/2021 9:21 PM
519	Berries of all sorts, citrus trees, natives	2/18/2021 9:19 PM
520	Not picky, but having a variety would be nice (citrus, pome, stone fruit). It would be nice to plant varieties that fruit at different times of the year so there is always something to harvest.	2/18/2021 9:17 PM
521	Not interested	2/18/2021 9:14 PM
522	No preference.	2/18/2021 9:13 PM

	forest or grove of other, non fruit trees	
617	Apples	2/18/2021 6:36 PM
618	High-yield fruits that are well-liked by a variety of cultures. lemons, oranges, fuyu persimmons, honeycrisp apples, Green beans, peas, pomegranates, passionfruit, cucumber (grows really well on trellisses).	2/18/2021 6:35 PM
619	Any that will grow from citrus to stone fruit, apples, etc.	2/18/2021 6:35 PM
620	Apples, citrus and some stone fruit. Vining plants are high maintenance and invite pests to hide.	2/18/2021 6:32 PM
621	Feijoa sellowiana (pineapple guava) and other unusual fruit trees that birds and people can enjoy.	2/18/2021 6:32 PM
622	Lemon, avocado, pumpkin, zucchini, peas	2/18/2021 6:26 PM
623	Orange, lime, blackberries	2/18/2021 6:26 PM
624	any is fine with me	2/18/2021 6:23 PM
625	Passion fruit, raspberry, strawberry persimmon, orange, plum, myer lemon, (really, whatever will do really well in that area. these pics I believe will do well.	2/18/2021 6:21 PM
626	None this is a really stupid use of valuable open space.	2/18/2021 6:21 PM
627	There are a lot of citrus trees on the island available for community use already, so not oranges or lemons.	2/18/2021 6:21 PM
628	Apples, oranges, lemons, limes, plums, passion fruit, The Trumpet Creeper - Campsis radicans, blueberries, pear, apricot, persimmon	2/18/2021 6:20 PM
629	Anything that will grow and one might eat as they walk through the park.	2/18/2021 6:18 PM
630	Apple. Cherry peach plum fig grapes beans peas	2/18/2021 6:17 PM
631	Oranges, limes, lemons	2/18/2021 6:14 PM
632	Trees: Orange, Fuji Apple, Myers Lemon, Lime, Persimmon, Asian Pear, Cling Peach, Apricot.	2/18/2021 6:14 PM
633	citrus, could you grow asparagus since that was an early crop for alameda and it has history	2/18/2021 6:12 PM
634	lemons, california laurel. no fruit trees, too easy to sabotage.	2/18/2021 6:11 PM
635	citrus, apples, grapes	2/18/2021 6:10 PM
636	Apples, oranges, lemons	2/18/2021 6:10 PM
637	Apples, oranges, peaches kiwi pears apple-pears	2/18/2021 6:08 PM
638	Apples, oranges, pears, Meyer lemons, dates, cherry, grapes, blackberries, strawberries, avocados	2/18/2021 6:07 PM
639	apples blueberries	2/18/2021 6:00 PM
640	What ever works way for the climate. Citrus, of course. Fruit that passer-by people might like to pick. Alameda Backyard gardens should advise	2/18/2021 5:59 PM
641	items that are suited for our environment and provide the food that food bank wants.	2/18/2021 5:55 PM
642	whatever grows in quantity if community is able to pick	2/18/2021 5:54 PM
643	citrus, avocado, tomatoes	2/18/2021 5:53 PM
644	Lemon, orange fig trees; chayote, gourd, tomato,	2/18/2021 5:51 PM
645	Believe me, you have to put nets on the trees to get any fruit. Otherwise possums, racoons and squirrels get all the fruit. I live a few blocks from the park.	2/18/2021 5:50 PM
646	Persimmons	2/18/2021 5:50 PM
647	blackberries	2/18/2021 5:49 PM

Jean Sweeney Open Space Park Community Survey 2021

648	None. Having had an extensive orchard for many years, I envision falling and rotting fruit, flies, rodents, playing "catch" with the fruit, etc. Unless this is carefully monitored, these things do happen.	2/18/2021 5:49 PM
649	Citrus, apple, tomatoes, peppers	2/18/2021 5:49 PM
650	Citrus	2/18/2021 5:48 PM
651	Citrus, Avocado, Figs, Olives	2/18/2021 5:47 PM
652	Plum, orange, lemon	2/18/2021 5:47 PM
653	apple, lemon, peach	2/18/2021 5:43 PM
654	apples, stone fruits, berries	2/18/2021 5:42 PM
655	Avocados, oranges	2/18/2021 5:41 PM
656	Whichever is best acclimated to this region.	2/18/2021 5:40 PM
657	Cherry, Peach, Plum, Pear	2/18/2021 5:40 PM
658	apple, plum, orange, avocado, tangerine, fig, lemon	2/18/2021 5:38 PM
659	Lemons, mandarin Oranges, pluots, apples, persimmons	2/18/2021 5:38 PM
660	Citrus for winter (orange and Meyer lemons) and apple, plum, cherry, etc for summer.	2/18/2021 5:38 PM
661	Apple, peach, plum	2/18/2021 5:37 PM
662	Orchards	2/18/2021 5:33 PM
663	Plums, lemons, pluots	2/18/2021 5:33 PM
664	Lemon trees, avocado tree, apples, pears, raspberry vines,	2/18/2021 5:32 PM
665	Apples, lemons, blackberries	2/18/2021 5:32 PM
666	Apricot and apple and pomegranate	2/18/2021 5:29 PM
667	persimon trees.....apple trees (green apples).....nectarine trees.....lime trees.....lemon trees.....blackberry bushes.....raspberry bushes.....	2/18/2021 5:27 PM
668	four season fruit, berries,	2/18/2021 5:26 PM
669	Apple, Orange, lime, lemon	2/18/2021 5:26 PM
670	A year-round harvest: plums for spring, peaches/nectarines and berries for summer, apples and pears and figs for fall, citrus and persimmon for winter.	2/18/2021 5:26 PM
671	Lemon trees. Worries about unpicked fruits that rot on the floor and homeless issues if not properly managed.	2/18/2021 5:26 PM
672	Apple, berries, nectarine,	2/18/2021 5:24 PM
673	They will never be fruit that won't be picked too soon. And they are messy	2/18/2021 5:24 PM
674	lemons, apples, grapes, passionfruit	2/18/2021 5:24 PM
675	manzanita, oaks, Native trees, apple, plum, cherry, orange, lemon, tangerine, grapefruit, almond, grapes, blueberries, blackberries,	2/18/2021 5:23 PM
676	Native to CA	2/18/2021 5:22 PM
677	Apple trees, berry vines	2/18/2021 5:22 PM
678	Apples, cherries, pears, apricots, kiwi, peach, raspberry, blackberry, pecans, walnuts , orange,	2/18/2021 5:21 PM
679	Mango, avocado, strawberries	2/18/2021 5:21 PM
680	mandarin oranges, lemons	2/18/2021 5:20 PM
681	The kind that succeed in our climate. From walking the town, I'd suggest avocados, persimmons, lemons.	2/18/2021 5:20 PM

Jean Sweeney Open Space Park Community Survey 2021

682	Citrus, colorful plants and foliage	2/18/2021 5:18 PM
683	Ones that have a history to the island. We used to have a well known dahlia society, so maybe some of those. We had a huge Japanese population, something representing them. Something that ties the history. Otherwise, we already have so much variety of plants here, anything would be fine	2/18/2021 5:17 PM
684	Lemon trees, like trees, orange trees, apple trees.	2/18/2021 5:17 PM
685	Apples, lemons, avocados	2/18/2021 5:16 PM
686	low on my list	2/18/2021 5:16 PM
687	lemon, orange, avocado, persimmon, raspberries, blackberries,	2/18/2021 5:16 PM
688	Oranges, apples, lemons, pomegranate, blackberries, sweetpeas, grapes	2/18/2021 5:15 PM
689	apples, citrus plums,	2/18/2021 5:14 PM
690	Citrus	2/18/2021 5:14 PM
691	Peas, beans, tomatoes, oranges, apples	2/18/2021 5:14 PM
692	All fruits and plants that is possible to grow there	2/18/2021 5:14 PM
693	Any! Apples, pears, peach, avocado, grapes,	2/18/2021 5:13 PM
694	Anything that will grow well here, bees, produce every season if possible and maybe not what we have a seasonal over abundance of (eg lemons).	2/18/2021 5:12 PM
695	Raspberries Pears Figs	2/18/2021 5:12 PM
696	citrus (oranges, lemons, limes, tangerines), apricots, raspberries, pomegranates, figs, apples, persimmons	2/18/2021 5:12 PM
697	No comment.	2/18/2021 5:11 PM
698	Plums, oranges, lemons, grapes, berries, apples	2/18/2021 5:10 PM
699	Mandarin oranges, apples, pluots	2/18/2021 5:09 PM
700	Peach, apricot	2/18/2021 5:09 PM
701	citrus, trees that would provide fruit for longer periods of time.	2/18/2021 5:09 PM
702	Apple orange lemon strawberries	2/18/2021 5:09 PM
703	apples, avocados, berries, pears, peaches	2/18/2021 5:06 PM
704	None	2/18/2021 5:06 PM
705	Apples, peaches, fig, pomegranate	2/18/2021 5:05 PM
706	Climate-appropriate ones.	2/18/2021 5:04 PM
707	Apple, Orange, Lemon, Apricot, Plum	2/18/2021 5:04 PM
708	Trumpet vines, passion fruit, apple trees, fig trees, lemon trees, pear trees	2/18/2021 5:02 PM
709	Apples, persimmons, loquats, berries	2/18/2021 5:02 PM
710	?	2/18/2021 5:01 PM
711	Apricot Fig apple cherry	2/18/2021 5:01 PM
712	apple trees	2/18/2021 5:00 PM
713	I would like to see a permaculture type food forest as opposed to an more typical orchard. It would be nice to have a meandering trail through the food forest that engages people with signs labeling plants and teaching the benefits of regenerative agricultural practices (i.e. Perennial trees and shrubs act to sequester carbon, improve water retention, and biodiversity).	2/18/2021 4:59 PM
714	myers lemon trees	2/18/2021 4:59 PM
715	berries, apples, plums, figs	2/18/2021 4:58 PM

Jean Sweeney Open Space Park Community Survey 2021

716	Native fruit trees and vines.	2/18/2021 4:57 PM
717	Apple, tomatoes, grapes, cherry, citrus	2/18/2021 4:56 PM
718	Things that are expensive to buy at the grocery store :)	2/18/2021 4:55 PM
719	Apple, avocado, fig, plum, table grapes, squash vines	2/18/2021 4:54 PM
720	Apples, lemons, oranges	2/18/2021 4:52 PM
721	Plums, apples and oranges.	2/18/2021 4:52 PM
722	Grapes Espaliered fruit (Apple, pear) Plum, nectarine, peach and other stone fruit Hops Jasmine and honeysuckle	2/18/2021 4:51 PM
723	Lemons, limes, apples, cherry	2/18/2021 4:50 PM
724	Grapes, apples, stone fruits	2/18/2021 4:50 PM
725	All	2/18/2021 4:49 PM
726	Pomegranate, apple, plum, mandarin, lime, pear, avocado	2/18/2021 4:49 PM
727	Lemon, kiwi, pomegranate	2/18/2021 4:49 PM
728	tangerine, orange, lemon, avocado, grapes, cherries	2/18/2021 4:48 PM
729	Apple	2/18/2021 4:48 PM
730	easy to grow and harvest plants - tomatoes, kale, beans, etc.	2/18/2021 4:48 PM
731	Peaches, apricots, oranges	2/18/2021 4:47 PM
732	apples, figs, pears, peaches, persimmons, and a variety of citrus	2/18/2021 4:47 PM
733	Citrus, apple, passionfruit	2/18/2021 4:47 PM
734	lemons, avocados, apples , oranges, pomegranate	2/18/2021 4:46 PM
735	orange avocado lemon	2/18/2021 4:45 PM
736	Plum, lime, fig, orange	2/18/2021 4:44 PM

Q7 What Gardening and Education topics would interest you?

Answered: 604 Skipped: 320

Jean Sweeney Open Space Park Community Survey 2021

#	RESPONSES	DATE
1	None. I don't want ARPD to have to pay for management and upkeep about anything more at the Park. We need things there that don't incur more budget spending	3/2/2021 9:03 AM
2	Drought tolerant	3/1/2021 8:47 AM
3	native plants, fruit trees, vegetable gardening	2/27/2021 6:40 PM
4	bee keeping, winter gardening, fruit tree grafting	2/27/2021 3:04 PM
5	Any	2/27/2021 2:29 PM
6	native plants found in different northern california environments, "xero-scaping", maintenance & propagation of succulents & cacti, maintenance & propagation of ROSES, container gardening of vegetables, finding/identifying "wild" or unexpected edibles (e.g. mushrooms, fennel, peppercorn trees), preserving fruits & vegetables, could also do things like teach the carbon cycle, the water cycle, the nitrogen cycle, etc.	2/27/2021 2:08 PM
7	Drought resistant gardening, classes for kids	2/27/2021 1:48 PM
8	Container gardening	2/27/2021 1:03 PM
9	Tools for regeneration and long-term development of natural, resilient natural spaces in urban environments with high yield for the community.	2/27/2021 12:29 PM
10	toxic free fertilizers; tomatoes best suited for Alameda; pruning	2/27/2021 10:51 AM
11	Permaculture and regenerative-design gardening classes	2/27/2021 10:06 AM
12	Plants native to the Bay Area that are best for Alameda. Best food plants for Alameda. Bee attractive plants. Water - its use, saving, recycling, recapture, storm run-off, treatment. Creating nature wind-blocks	2/27/2021 8:58 AM
13	Gardening for kids, California native plant gardening, food gardens	2/27/2021 8:31 AM
14	soil amending, when to plant seeds	2/27/2021 6:50 AM
15	indoor urban gardening tips/tricks especially when your home isn't oriented to have lots of sunlight	2/26/2021 1:52 PM
16	soil restoration. the vast majority of this park has urban railroad slag onto of sand.	2/26/2021 12:10 PM
17	How to naturally grow veggies that do well in this climate.	2/26/2021 11:05 AM
18	Whatever I might be able to help out with.	2/26/2021 7:50 AM
19	Small space, shared, and container gardening as there are a lot of Alameda folks that live in apartments	2/25/2021 11:54 PM
20	Edible gardening, square-foot gardening	2/25/2021 8:24 PM
21	Soil health, active soils, soil nutrients, organic farming, sustainable farming	2/25/2021 8:05 PM
22	composting, pest control, what to plant or do in the garden each season, seed saving, pruning	2/25/2021 8:03 PM
23	how to plan out an edible garden	2/25/2021 6:21 PM
24	alameda history, climate bragging	2/25/2021 5:52 PM
25	Healthy eating, natural sources of vitamins and minerals from produce.	2/25/2021 3:51 PM
26	Plant growth, climate change, plant species	2/25/2021 2:27 PM
27	Growing plants from seeds. Best time of year to plant vegetables.	2/25/2021 1:53 PM
28	All	2/25/2021 1:02 PM
29	Indoor and succulent garden. Roses and seasonal flowers	2/25/2021 12:16 PM
30	how to manage weeds safely (Oxalis)	2/25/2021 11:37 AM
31	?	2/25/2021 9:24 AM

Jean Sweeney Open Space Park Community Survey 2021

32	Herbs for cooking, easy medicinal plants to grow, learn to eat veggies by the season, the importance of Bees, The importance of worms, get tots, kids and adults learning by getting dirty with worms. Would be lots of fun for kids.	2/25/2021 8:28 AM
33	Growing vegetables. Natural insect control.	2/25/2021 8:02 AM
34	What ever the guest speaker would be be expert at	2/25/2021 7:05 AM
35	Container gardening	2/24/2021 10:57 PM
36	Compost, permaculture, sustainability, gardening to decrease carbon footprint	2/24/2021 9:18 PM
37	Composting Vegetable growing	2/24/2021 7:32 PM
38	What is going on with the REAP center and Plowshares? Why does Jean Sweeney need something similar.	2/24/2021 7:20 PM
39	low water gardening, composting, natural approaches to pests	2/24/2021 6:23 PM
40	Graphing of trees.	2/24/2021 6:15 PM
41	Beginning/basic gardening, succulent growth and alternatives to lawns such as flower boxes, etc.	2/24/2021 6:05 PM

Q9 Do you have any concerns about an Alameda Food Bank building at this location?

Answered: 905 Skipped: 19

ANSWER CHOICES	RESPONSES
Yes	6.85% 62
No	73.04% 661
If yes, what are your concerns?	20.11% 182
TOTAL	905

Jean Sweeney Open Space Park Community Survey 2021

#	IF YES, WHAT ARE YOUR CONCERNS?	DATE
1	is there enough space to allow food bank access/lines and still have use of the park at that end for non food bank clients?	2/27/2021 6:40 PM
2	While I'd love for Alameda Food Bank to have nicer &/or more integrated "digs" & I believe architects would strive to make a structure adjacent to the park work, I do not think that is the right location for a new & improved & larger AFB structure. My main concern is that I do not want cars parking within the larger confines of the park - parking lots are anathema to parks. Indeed, I already object to the parking lot in the upper right part of the map above & hope it doesn't happen. I would not welcome yet another parking lot adjacent to the Food Bank Grocery Store. When I go to a park, I don't want to hear car noise, breathe car exhaust, or smell marijuana being smoked by people sitting in cars. Sweeney Park is not that big; its meager acreage should not be used for cars. Also putting in a grocery store-like function immediately adjacent to the park will create undesirable commotion, "busy-ness", "hustle & bustle" with its expected foot & car traffic – doing something like this is basically "anti-park." Also, I really don't understand the point of the Alameda Food Bank fundraising to build a new structure at the end of Sweeney Park (where it very likely will perturb airflow through the park) when there are so many vacant store fronts around the island (such as the Walgreens on Park Street) and warehouse space at the naval air station. AFB should use an existing structure.	2/27/2021 2:08 PM
3	Make sure traffic, parking, etc. doesn't impact park and trails for pedestrians and bikes	2/27/2021 1:48 PM
4	Not a concern, just curious how much space it would take up (but we want it!)	2/27/2021 8:31 AM
5	The building needs to be directly on the main 51 bus line. The walk from Webster Street which includes crossing busy streets would be hard for some of the food bank's clients.	2/26/2021 5:54 PM
6	the food bank dominates this part of the part and the decisions associated with the features, maintenance etc. The example is EBRP MLK park with the Oakland Strokes.	2/26/2021 12:10 PM
7	On-going crime rate in west of the city.	2/26/2021 7:50 AM
8	Parking, abandoned shopping carts, more litter.	2/25/2021 8:24 PM
9	it changes the park dynamic, I think the corner of atlantic adjacent to the walking trail is better	2/25/2021 5:52 PM
10	My only concerns are that a new food bank building would take up to much space at Jean Sweeney park.	2/25/2021 2:27 PM
11	Think it should be separate.	2/25/2021 8:28 AM
12	Maybe there would be more space for the food bank on the base--I know it's there now during the pandemic; just thinking it may be best to stay there and build on the base...	2/24/2021 6:05 PM
13	would attract people to hang around for longer periods of time and their clients may interact unfavorably with park attendees. I'm not interested in seeing Protest Demonstrations held near this park	2/24/2021 5:20 PM
14	Traffic here is already bad, and with all the new development around the corner, I think there are MANY better locations.	2/24/2021 4:58 PM
15	Building size and aesthetics	2/24/2021 10:28 AM
16	There are already too many homeless people hanging around the parks, this would just make it more.	2/23/2021 11:15 PM
17	Should be a park, not a food bank distribution center. We voted for a PARK	2/23/2021 2:40 PM
18	My question would be how would the extra traffic impact the current neighbors.	2/23/2021 9:56 AM
19	I think Alameda needs to acknowledge its privilege, however, I am not sure that a food bank attracting unhoused people to an area where children and families congregate is the solution.	2/23/2021 8:03 AM
20	taking open space for a larger building & parking lot. That's not what the original idea behind acquiring the land for the open space.	2/22/2021 5:09 PM
21	Ingress/Egress	2/22/2021 3:53 PM
22	How much land used for a parking lot? Concern for nearby residents and traffic flow	2/22/2021 12:28 PM

Jean Sweeney Open Space Park Community Survey 2021

23	does this take away from existing add ons like 1-8 above? if so, no building.	2/22/2021 11:50 AM
24	Car access from Constitution. It is a busy street and if cars line up like they do at the Food Bank currently it could cause a lot of backups. However, if they are open more frequently this might not be an issue.	2/22/2021 11:05 AM
25	I dont have any issues with it but I know many people in alameda will argue against it becaust many lower socio-economic individuals and families patronize it and just the fight alone will be upsetting, exhauasting and expensive. but a bigger and nicer modern food bank would be AWESOME.	2/22/2021 10:09 AM
26	Fiscal responsibility	2/22/2021 9:14 AM
27	traffic	2/22/2021 8:28 AM
28	I'd rather see space used to plant more fruit trees	2/22/2021 7:36 AM
29	The land is for open space, not buildings	2/22/2021 7:22 AM
30	It should be positioned to allow easy access to the park from all directions.	2/22/2021 3:33 AM
31	Not opposed but thought the Food Bank had determined its base location was working well and was scale-able.	2/21/2021 9:24 PM
32	Litter	2/21/2021 5:16 PM
33	I have concerns about traffic, the size of the building, the parking structure, and noise taking away from the aesthetics the surrounding park.	2/21/2021 5:00 PM
34	I think its a fantastic idea the only concern is easy parking/traffic access.	2/21/2021 2:33 PM
35	It will take away from the tranquil environment of this park	2/21/2021 2:30 PM
36	Attracting the homeless to sleep in the park.	2/21/2021 2:13 PM
37	FB on Range Rd w/pkng suffice. ? pay 4 another 1 w/out	2/21/2021 12:23 PM
38	It looks like it is slated to take out orchard space, but I would rather put it in place of existing buildings	2/21/2021 11:37 AM
39	Parking seems to be a big problem for all public services.	2/21/2021 11:29 AM
40	Single story fine. Not a place for an enormous warehouse	2/21/2021 11:24 AM
41	Potential traffic with kids in vicinity	2/21/2021 10:59 AM
42	Too close to the park and not enough parking to access a warehouse	2/21/2021 10:16 AM
43	Dog park is priority	2/21/2021 9:38 AM
44	\i think the food bank would take away from the atmosphere of the park and there is plenty of room on the old navy base where the food bank has a large warehouse that can be renovated	2/21/2021 8:57 AM
45	Increase in garbage in neighborhood and park.	2/21/2021 8:20 AM
46	While this location is certainly more convenient than Alameda Point, I would be concerned about parking and traffic issues if the operations were moved back to Jean Sweeney.	2/21/2021 8:15 AM
47	That traffic is mitigated properly	2/21/2021 7:27 AM
48	Should not be on this land.	2/21/2021 7:06 AM
49	Limited space for users	2/21/2021 3:04 AM
50	car traffic where public esp. small children are playing and riding bikes - expanding car traffic at this location is a terrible idea. the fedex corner is already a disaster	2/21/2021 2:53 AM
51	Umm, that takes a way a lot of space from the garden, traffic, parking needs--no no and no	2/21/2021 12:49 AM
52	Again, I would be apalled to see any of that hard-won open space, Jean Sweeny's legacy to Alameda, given over to more parking for cars, even as Alameda is simutaneously sytematically replacing vehicle traffic lanes with protected bike lanes all over the island and may even finally have a western bike crossing to J.L. Square in the realm of possibility.	2/20/2021 11:18 PM

Jean Sweeney Open Space Park Community Survey 2021

53	traffic into the building..there is already a lot of traffic along that street.	2/20/2021 11:16 PM
54	increase car traffic to the area, bring "outsiders" & possible trouble to the area	2/20/2021 9:46 PM
55	May attract homeless	2/20/2021 9:09 PM
56	Space is tight. Alameda Point Warehouse offers greater expansion.	2/20/2021 6:39 PM
57	Parking has been an issue in the neighborhood, and with the current food bank demand I believe it's better elsewhere like the NAS	2/20/2021 6:12 PM
58	If the food bank invites any homeless encampments	2/20/2021 6:00 PM
59	Pedestrian and vehicle access are constrained by Constitution's heavy traffic load. Could not a Food Bank be located in an existing and empty space central to the island, perhaps along Clement, where access and parking are available.	2/20/2021 5:56 PM
60	I wouldn't feel comfortable with my kids playing near there by themselves.	2/20/2021 5:49 PM
61	Attracts lots of lazy people	2/20/2021 4:46 PM
62	location is good for carfree clients. But the space is small and tons of space at the warehouse.	2/20/2021 4:20 PM
63	I think the park space is super important to our community. I don't want to see park space used for commercial building space even if it is the food bank. This is from a very active donor to the food bank	2/20/2021 3:47 PM
64	Parking / traffic congestion	2/20/2021 3:02 PM
65	Safety of patrons around traffic on Constitution -- maybe consider reducing the size and speed of the street	2/20/2021 1:30 PM
66	the park is for the park, not for the food bank.	2/20/2021 1:21 PM
67	Takes up space at the park. Keep it at the old navy base.	2/20/2021 11:54 AM
68	It would cut into the park space	2/20/2021 11:46 AM
69	feed a person a fish for the day, teach a person to fish for life.	2/20/2021 11:36 AM
70	Wrong zoning - should be closer to base with more parking. (Clientele are not going to ride their magic bicycles).	2/20/2021 11:16 AM
71	Intruding on the green open space in the park	2/20/2021 11:14 AM
72	Traffic from homeless	2/20/2021 10:35 AM
73	Its location. Move it please.	2/20/2021 10:08 AM
74	maybe that it will be really big and take away from park space	2/20/2021 10:02 AM
75	Just please make sure there isn't TOO much parking	2/20/2021 9:45 AM
76	Only concerned if it encourages "urban camping" by homeless in Alameda.	2/20/2021 9:43 AM
77	There is plenty of space at the old navy base, which is better suited.	2/20/2021 9:33 AM
78	Before the pandemic, on food bank days there was always more trash, discarded fruits/veggies/other food bank stuff all up and down Thau. I would worry this would happen IN the park area.	2/20/2021 9:28 AM
79	The area is not big enough for the Food Bank	2/20/2021 9:22 AM
80	There is plenty of space at the navy base, keep this area focused on the park and all it provides	2/20/2021 9:21 AM
81	Parking. Using the park as a campsite.	2/20/2021 9:11 AM
82	That parking will need to be added and with that is traffic and fumes from cars, which doesn't mix well with open areas.	2/20/2021 9:11 AM
83	Size	2/20/2021 8:56 AM
84	We have a great location for a park why do we keep trying to squeeze stuff in when we have	2/20/2021 8:35 AM

Jean Sweeney Open Space Park Community Survey 2021

	so much land at the base for a really large building for food bank	
85	Parking	2/20/2021 8:34 AM
86	There is a significant unsheltered population in that immediate area --- it seems fairly naive that you can develop gardens & trails, etc. without displacing people who have been living there outdoors for a length of time, without providing a place for them to live	2/20/2021 1:01 AM
87	Implement clean crews	2/19/2021 7:42 PM
88	Seems like there would be enough space for warehouse and office	2/19/2021 7:30 PM
89	Would the space be adequate for the needs of those picking up food? how will the line of cars be safely parked- when lines exceed the parking lot.	2/19/2021 6:17 PM
90	Loitering	2/19/2021 5:30 PM
91	traffic and parking infringement	2/19/2021 4:23 PM
92	Do not want to encourage gathering of unhoused individuals in Sweeney Park. Also need to keep buildings to scale in neighborhood.	2/19/2021 4:20 PM
93	adequate parking, traffic flow so that pedestrians and park users are safe from cars.	2/19/2021 4:11 PM
94	Parking	2/19/2021 2:39 PM
95	I know families could park in the lot for pickups, but would larger trucks doing drop-offs have somewhere to park without blocking Constitution? Other than that the location sounds great!	2/19/2021 2:25 PM
96	I would not want it to be too big or have a big parking lot.	2/19/2021 1:55 PM
97	Not large enough- traffic issues.	2/19/2021 1:41 PM
98	Homeless population and or mentally unstable citizens mixing with children at park.	2/19/2021 1:36 PM
99	Crime	2/19/2021 1:35 PM
100	A grocery might encourage people to take additionally from the garden & trees leaving less for local residents	2/19/2021 1:13 PM
101	safety, crime	2/19/2021 12:50 PM
102	I'm concerned this takes away from community outdoor space. Would rather the building itself not expand its existing footprint and reserve outdoor space for outdoor growing, similar to Alemany Farm in San Francisco.	2/19/2021 11:43 AM
103	Would take up space needed for community gardens	2/19/2021 11:15 AM
104	parking	2/19/2021 11:14 AM
105	Parking spaces	2/19/2021 11:11 AM
106	Traffic and parking. I think using space at Naval Air Station would better serve the clients and not infringe on the people living around there	2/19/2021 10:51 AM
107	size	2/19/2021 10:01 AM
108	I'm just not sure that the park space is sufficient to hold everything and I would like to see as much space of possible devoted to interaction with nature.	2/19/2021 9:57 AM
109	I do not believe this is the best location	2/19/2021 9:50 AM
110	Homelessness	2/19/2021 9:50 AM
111	Should relocate where the community needs it more in Oakland	2/19/2021 9:29 AM
112	More homeless people around	2/19/2021 9:28 AM
113	I'm unsure of how large this building would be but considering Alameda planned specifically for this to be open space, I would like to see the food bank building put elsewhere nearby.	2/19/2021 9:07 AM
114	homeless camps would pop up, I don't think that is safe for the families that would go to the park. I would love to see this happen, but having to deal with the homeless everyday going to work. Having children exposed to what I see concerns me.	2/19/2021 8:35 AM

Jean Sweeney Open Space Park Community Survey 2021

115	Commercial use activities should be located in a commercial zone area.	2/19/2021 8:25 AM
116	parking	2/19/2021 7:56 AM
117	How much land that could be garden will be lost to building? Is there another location in Alameda that would be more centrally located that could be better? What about distributing food somewhere at Alameda Point, why not there?	2/19/2021 7:34 AM
118	be a draw to desperate people who might pick all the growing food.	2/19/2021 7:34 AM
119	Somewhat of camping and safety	2/19/2021 2:52 AM
120	Will there be a line of homeless tent encampments built to stay close to the source of food distribution	2/19/2021 2:44 AM
121	It means that the homeless population would need to be addressed because if the park becomes a homeless encampment, it would not be a place families would be comfortable using. The homeless population is a larger issue that needs so many people working on it to figure out how to help these folks. It's complicated but it might be something that the administration of the park needs to address.	2/19/2021 1:09 AM
122	Maybe something with more privacy for those using the food bank. Especially if that area will be built up with larger groups hanging out at that end of the park.	2/19/2021 12:42 AM
123	I'd rather use the extra space for the community garden and fruit trees. Or a tennis court or bocce ball courts.	2/19/2021 12:37 AM
124	People hogging the produce maybe?	2/18/2021 11:33 PM
125	Is there enough parking	2/18/2021 11:08 PM
126	Size, logistics...does this interfere with playground or community orchard development?	2/18/2021 11:06 PM
127	#1 - it is hard enough to get park space, and now you want to make a parking lot and more buildings? There are PLENTY of places for the food bank in Alameda. Put it elsewhere. #2 food banks help many, but also attract homeless who will stay in the area. A park isn't where we want them to camp.	2/18/2021 10:54 PM
128	Traffic	2/18/2021 10:42 PM
129	Not cause traffic in the area.	2/18/2021 10:17 PM
130	Not good access and difficult for expansion. Needs more space than this location.	2/18/2021 10:03 PM
131	I'm skeptical such a small location could provide a measurable impact being so small plus since its right next to a large park, that would increase congregation of homeless who may decide to live in the park. I would recommend the food bank be developed where there is a homeless shelter near by, which should help homeless near by. The other issue is since it is next to a busy street, a major conduit on/off the island, this could be a bit dangerous.	2/18/2021 9:43 PM
132	Would take up too much park space! Would be in favor of a new food bank if needed, but nor in the park! Seems like there would be traffic concerns	2/18/2021 9:30 PM
133	will there be adequate parking/ safe paths for kids going to park and potentially increased traffic to food bank?	2/18/2021 9:30 PM
134	would want to make sure there is enough parking & local neighborhood parking is not disrupted	2/18/2021 9:29 PM
135	Building and infrastructure costs, although I support the city donating the land for that purpose.	2/18/2021 9:24 PM
136	Too much traffic. I want it to be as much open space as possible.	2/18/2021 9:09 PM
137	Some concerns about homeless, etc., but we need to help them, too.	2/18/2021 9:03 PM
138	Increase in vagrants in area not far near tube; this could potentially attract them to set up closer to park	2/18/2021 9:03 PM
139	Parking and congestion	2/18/2021 8:58 PM
140	Being too large	2/18/2021 8:43 PM
141	encouraging nearby homeless camps	2/18/2021 8:40 PM

Jean Sweeney Open Space Park Community Survey 2021

142	AFB bdg may crowd users might crowd out park users	2/18/2021 8:34 PM
143	More people, harder to find parking	2/18/2021 8:33 PM
144	a big building can be distracting, needs to fit in to the enviroment	2/18/2021 8:17 PM
145	traffic congestion	2/18/2021 8:15 PM
146	why does the location need to remain here? there are plenty of other places to erect a new building. Do not combine a City Park with a Food Bank. These are conflicting sites.	2/18/2021 7:59 PM
147	poor location	2/18/2021 7:53 PM
148	Ample parking	2/18/2021 7:48 PM
149	Managing food pickup, queuing, trash/litter	2/18/2021 7:43 PM
150	The open space feels very nice at the end of that side of the park. Upgrade and existing building close to the area	2/18/2021 7:37 PM
151	This play area is large and kids often get lost from view. If there will be an influx of people who may make parents nervous hanging around the park, it would be a negative. However, having a park beside the food bank could make it easier for parents who need its services to make it there as it would combine with a play time.	2/18/2021 7:30 PM
152	Interference with kids playing in the open space	2/18/2021 7:28 PM
153	homeless congregating and squatting	2/18/2021 7:04 PM
154	Please limit the size to the existing lot. Crime.	2/18/2021 6:55 PM
155	Parking	2/18/2021 6:24 PM
156	I don't appreciate the leading questions in this survey and certa8nly do not support giving this resource to the food bank to squander. If the food bank needs more funding we can provide that	2/18/2021 6:21 PM
157	I'm concerned the ample number of NIMBY's on Alameda will try to shut this good project down in fear or poor people.	2/18/2021 6:21 PM
158	Parking and places for people to wait when they come for food or to deliver food	2/18/2021 6:17 PM
159	How come we never put up any community support stuff on the park street end of the island?	2/18/2021 6:11 PM
160	Incroachment on community gardening space	2/18/2021 5:59 PM
161	The city is so hands off that a few folks can really mess it up for everyone - for example, a food bank is wonderful, but a major encampment in the park would be less than ideal. Because the city is so hands of with mental health, substance abuse, offleash dogs and other issues, there can be a reluctance to site needed services because of these side effects and lack of management of those, even though 95% of the users of the food bank pick up their own trash etc. The amount of trash disposed of on the ground at the encincal boat ramp is ridiculous, especially given trash cans are right there. Is the city powerless to offer a helping hand but ask that some minimum elements of courtesy be extended (ie, if a trash can is provided, use it instead of littering?)	2/18/2021 5:54 PM
162	That the park would turn into a homeless encampment.	2/18/2021 5:50 PM
163	potential concerns with how the food distribution would work - would that increase traffic/congestion/pollution, take away from parking for park-goers, require additional paving (let's work to maximize space and experience for those not in cars)?	2/18/2021 5:26 PM
164	Would there be long lines for homeless to hang around and not be safe or sanitary for the park?	2/18/2021 5:26 PM
165	Would rather we have more food forest and trees than another building	2/18/2021 5:23 PM
166	Not the right location; Alameda Point probably better.	2/18/2021 5:20 PM
167	Would need surveillance for children's safety; littering.	2/18/2021 5:18 PM
168	takes away from park land that serves the whole community	2/18/2021 5:16 PM

Jean Sweeney Open Space Park Community Survey 2021

169	Ensuring equitable and safe access and distribution	2/18/2021 5:14 PM
170	Parking and litter near residential neighborhoods (e.g. Thau Way and Eagle Avenue)	2/18/2021 5:11 PM
171	Just concerned there would be too much traffic in the area.	2/18/2021 5:09 PM
172	Cars backing up the space. Social distancing. Less room for the park.	2/18/2021 5:09 PM
173	We should minimize new parking lots. Especially at the expense of public space.	2/18/2021 5:04 PM
174	alot of people	2/18/2021 5:02 PM
175	Not congruent	2/18/2021 5:00 PM
176	don't want the park to become a magnet for loitering as people wait for the food bank to open, or a place to litter unwanted/leftover food	2/18/2021 4:55 PM
177	If it's a park then it should just be a park with park things.	2/18/2021 4:52 PM
178	Crowding by major road	2/18/2021 4:50 PM
179	Homelessness, criminals, violence, having children & elderly vulnerable	2/18/2021 4:49 PM
180	My biggest concern would be access - more parking and easy access for community members who have issues with mobility is essential	2/18/2021 4:47 PM
181	n/a	2/18/2021 4:45 PM
182	Traffic	2/18/2021 4:44 PM

Q10 Do you have any specific suggestions for an Alameda Food Bank building at this location? Please describe your suggestions

Answered: 357 Skipped: 567

Jean Sweeney Open Space Park Community Survey 2021

#	RESPONSES	DATE
1	Plenty of parking and making sure it looks and feels integrated to the Park.	3/2/2021 9:03 AM
2	Architecture that blends with the environment. Be sure to allow enough room for bike parking for food bank clients, car parking, outside waiting space if needed. Maybe a demonstration kitchen area outside for teaching food bank clients.	2/27/2021 6:40 PM
3	I don't think it's a good idea - it clashes with the purpose of a park.	2/27/2021 2:08 PM
4	Grew. Roof. Unique architecture.	2/27/2021 1:48 PM
5	A store like facility with a larger sorting and storage facility.	2/27/2021 8:58 AM
6	Nope	2/27/2021 8:31 AM
7	build/design trash enclosures for new building	2/27/2021 6:50 AM
8	Lots of space available at the old Navy Base. Fully functioning Garden Center at Plowshares. After covid, there should be space more readily rehabbed in Alameda. This proposed location would best be served by a Parking lot ..so that there is no need to add additional parking within the current park boundaries	2/26/2021 12:10 PM
9	1) Make sure the city/county support it with easy public transportation access. 2) Build it to be easily handicap accessible. 3) Have at least one room multi-function for public meeting or classroom space. Think Chicago's Hull House.	2/26/2021 7:50 AM
10	connect the food bank to the community garden and orchard to provide additional fresh food to clients	2/25/2021 8:03 PM
11	I'd prefer it be away; the cars and traffic will deter from the parks clientele and safety	2/25/2021 5:52 PM
12	Make it look like Whole Foods, so it does not look so sad like the trailer, and the neighborhood will be excited to see it. Have cooking demos from foods cultivated from the community garden.	2/25/2021 3:51 PM
13	My suggestions are that the building should be as small as possible but still be very open to the public.	2/25/2021 2:27 PM
14	Is excess garden crop allowed to be used at the food bank?	2/25/2021 1:02 PM
15	No	2/25/2021 12:16 PM
16	No	2/25/2021 9:24 AM
17	It should just stay where it is and improve its structure.	2/25/2021 8:28 AM
18	As described is fine	2/25/2021 7:05 AM
19	Why can't it stay on the base?	2/24/2021 7:20 PM
20	no, I'll leave that to smarter people	2/24/2021 6:23 PM
21	No	2/24/2021 6:15 PM
22	As mentioned, maybe use the current spot on the base or another one, just to have the food bank have as much space as possible...?	2/24/2021 6:05 PM
23	Hopefully if they do build, it won't look like a penitentiary and fit more in with the design of the park.	2/24/2021 5:20 PM
24	Make it a place clients can select items themselves so they have the dignity of choice.	2/24/2021 5:13 PM
25	Building: can we incorporate some of the gardening education pieces in a green building at this site, such as a green roof, graywater collection, etc.? Operations: since the goal is to make this site transit and pedestrian accessible, perhaps we could consider a lending program for carts or wagons for foodbank users to carry their goods?	2/24/2021 5:08 PM
26	The building that is there now seems fine as far as not being too intrusive into the park but visible to those who want to visit	2/24/2021 5:05 PM
27	Put it somewhere better?	2/24/2021 4:58 PM

Jean Sweeney Open Space Park Community Survey 2021

28	no	2/24/2021 3:16 PM
29	It need a parking area, and entrance that allows for other traffic to flow by it.	2/24/2021 2:15 PM
30	Part open air that flows well with the park surrounded by lots of trees and plants and also have a picnic area with a decorative water fountain feature.	2/24/2021 10:28 AM
31	Nearer to Alameda Point, not right next to the park.	2/23/2021 11:15 PM
32	Elsewhere - how about on the old base?	2/23/2021 2:40 PM
33	n/a	2/23/2021 11:04 AM
34	N/A	2/23/2021 9:56 AM
35	make it beautiful	2/23/2021 2:33 AM
36	N/a	2/23/2021 12:05 AM
37	Traffic	2/22/2021 11:59 PM
38	Accessibility to get to the food bank. There's only one parking area which is most closest to Atlantic Ave, so depending where the food bank building is, this might require people to walk a long distance to get to the store. So the building should be closest to the parking area	2/22/2021 10:52 PM
39	No, why don't you build a larger building in the empty space between Constitution Way & Webster St. Right now it's just a grass field for the geese. Easy drive in from Webster and exit on Constitution Way.	2/22/2021 5:09 PM
40	Entrance from the exterior street, not from inside the park.	2/22/2021 4:48 PM
41	a new buidling would be great and a mural on the building would look amazing and make it more inviting and would be a great project to bring the community together	2/22/2021 2:56 PM
42	Partner with local people who have gardening skills to grow food for food bank.	2/22/2021 1:59 PM
43	None at this time.	2/22/2021 12:28 PM
44	ensure parking/access does not conflict with park goers	2/22/2021 11:55 AM
45	Instead have a minor food pantry/fridge for food for donation reuse/plant exchange	2/22/2021 11:50 AM
46	It would be neat to see more of a grocery store style facility with fresh fruit and vegetables grown on site at the Community Garden.	2/22/2021 11:05 AM
47	no	2/22/2021 9:59 AM
48	Make it look and feel like a nice grocery store to reduce the stigma/shame people feel when they have to utilize food banks.	2/22/2021 8:38 AM
49	Offices could be nearby in existing buildings. Any structure on site should be more like an old school farm stand- as open air as possible. This same space can host workshops and demonstrations. A clear span barn/arena design is very affordable and flexible to set up for a wide variety of uses. We've got a glut of office space elsewhere that can be used for administrative staff	2/22/2021 7:36 AM
50	Upgrade the building they have	2/22/2021 7:22 AM
51	No suggestions. It's just a great idea.	2/22/2021 3:33 AM
52	Make it beautiful	2/22/2021 1:30 AM
53	Open market structure for a permanent every day farmers market	2/21/2021 11:04 PM
54	No	2/21/2021 11:03 PM
55	I would like to see even more of the western side of the park dedicated to gardens and food forest to really supply a decent amount to the food bank	2/21/2021 9:36 PM
56	N/A	2/21/2021 9:24 PM
57	Encourage users to take or share a community garden plot	2/21/2021 9:06 PM
58	The walk-in store/shopping format is of concern. Put food in boxes for hand out is a	2/21/2021 6:46 PM

Jean Sweeney Open Space Park Community Survey 2021

	cleaner/safer operation.	
59	More planning and outreach to surrounding community first.	2/21/2021 5:00 PM
60	Security for users and neighbors	2/21/2021 4:01 PM
61	Just that it is a welcoming site, that incorporates the community garden if it is built.	2/21/2021 3:46 PM
62	right now its on a dead end street creating traffic nightmare for neighbors. Something needs to be done to keep traffic moving	2/21/2021 2:33 PM
63	Rebuild new one at current location	2/21/2021 2:30 PM
64	I don't know if this is the best location, important to have a large drive-through/pick up area. Maybe picnic tables/benches for eating with garbage cans and bathrooms.	2/21/2021 2:13 PM
65	Seems like a great idea to have it near the garden and coordinate so that there might be a partnership of some sort that benefits the hungry and the garden.	2/21/2021 12:31 PM
66	Entering and exiting into and from Sweeny Parking lot hazardous, heavy traffic area.	2/21/2021 12:23 PM
67	I love the concept, I hate the location	2/21/2021 11:37 AM
68	Assure adequate on-site parking	2/21/2021 11:01 AM
69	May cause traffic congestion	2/21/2021 10:54 AM
70	Move to the grocery outlet building instead	2/21/2021 10:16 AM
71	Public transportation plan Love this idea!	2/21/2021 10:01 AM
72	Combine with orchard and community garden to give people in need healthy foods grown onsite and have volunteers and schools and college receive credits for volunteering	2/21/2021 9:38 AM
73	Food bank should be separated from this park due to parking, access park	2/21/2021 9:10 AM
74	I think it is great for the food bank to be sited next to community gardens. I also think it is a good opportunity for people to learn more about project pick.	2/21/2021 8:58 AM
75	Curious if the building could also include a community training and food preparation portion that could be used to run a small restaurant or food stand utilizing food grown on-site.	2/21/2021 8:27 AM
76	Remove it and put it at Alameda Point.	2/21/2021 8:20 AM
77	Allow for easy access without clogging Thau Way or Stewart Court.	2/21/2021 8:15 AM
78	I think it makes sense and see above re: traffic mitigation	2/21/2021 7:27 AM
79	the "grocery store" element of their proposal - with increased car traffic - is the terrible part - REALLY BAD - otherwise, an upgrade and some consolidation makes sense	2/21/2021 2:53 AM
80	Don't increase your footprint here	2/21/2021 12:49 AM
81	Prepare for an uncertain future and design it as a socially-distanced, minimum contact, drive-thru facility. Perhaps it could be built / staffed/ maintained by stipended volunteers from among its recipients.	2/20/2021 11:18 PM
82	I love the idea of the new food bank building being close to the community garden. I'd like to see a compost structure there as well so that people can take part in the full circle of producing food, recycling the scraps to produce a healthy soil to produce more food. Holding classes on good gardening practices with those who use the community garden would benefit the recipients of food from the garden. Maybe even raising chickens for egg production. I'd love to see coordination between those who receive support from the food bank and community members in making this a self sustaining operation. Give a person food and you feed them for a day. Teach them how to garden and you feed them for their life time.	2/20/2021 10:15 PM
83	must be in harmony with the park as well as hidden parking	2/20/2021 9:49 PM
84	The traffic in the area near the tube is already horrendous.	2/20/2021 9:41 PM
85	Better signage and donation station	2/20/2021 7:55 PM
86	I think partnerships with local restaurants and groceries to minimize food waste would be a	2/20/2021 7:52 PM

Jean Sweeney Open Space Park Community Survey 2021

great idea. Not sure what that would look like but the garden hopefully could be used for this purpose too.

87	Yes Put One There.	2/20/2021 7:30 PM
88	Entirely too small	2/20/2021 7:14 PM
89	They should administer the Demonstration Garden	2/20/2021 7:06 PM
90	Food Bank needs more space. What about its warehouse facility at Alameda Point?	2/20/2021 6:39 PM
91	I don't have any suggestions right now.	2/20/2021 6:29 PM
92	they have a building on the border of the park already, i think. so building there/ expanding a bit is fine, but don't use too much of the park for a building	2/20/2021 6:19 PM
93	Move it	2/20/2021 6:12 PM
94	N/A	2/20/2021 6:00 PM
95	Place any building on the eastern property line, as far as possible from Constitution. Place the parking lot on the southern property line, as far as possible from Atlantic. Landscape the area between the building and Constitution.	2/20/2021 5:56 PM
96	Remove the food bank from here and expand the one on the base.	2/20/2021 5:49 PM
97	I think the building should include volunteer programs or a collaboration with the gardens to get fresh produce from there.	2/20/2021 5:35 PM
98	Follow as many green initiatives as possible with building materials, water usage, and power efficiency	2/20/2021 5:15 PM
99	No	2/20/2021 5:09 PM
100	A simple way for community garden members to donate extra produce to the food bank	2/20/2021 5:07 PM
101	I always thought it odd that it was only an office. All other food banks I have visited in TX were large facilities for sorting and distribution. So I'm all for the building.	2/20/2021 4:59 PM
102	No comments	2/20/2021 4:46 PM
103	Accessible, shelter from the elements, aesthetically pleasing. Ergonomic for the workers.	2/20/2021 4:22 PM
104	IDK cause I do not know how they were using it. Now they are not using it at all during pandemic. Probably more convenient for clients who live nearby.	2/20/2021 4:20 PM
105	Make sure the Alameda Shuttle stops nearby. The FoodBank is so far away for people without cars now!	2/20/2021 4:16 PM
106	N/a	2/20/2021 4:11 PM
107	Maybe a drive through where cars line up and a walk up window. Depending on the design, this might help eliminate the parking issue.	2/20/2021 4:09 PM
108	n/a	2/20/2021 4:02 PM
109	As a first grade teacher in Alameda at Otis Elementary, I take my students on a field trip to the food bank every year. Last year was the first year that we combined the trip with a visit to the Jean Sweeney park. It was fabulous. I think it would be great to use the outdoor classroom area in conjunction with field trips to the food bank. It would make the food bank field trip more rich and we could also learn about the gardens, trees and locally grown food.	2/20/2021 3:58 PM
110	I would be in favor of a slightly larger building, but not another building	2/20/2021 3:47 PM
111	Alameda food banks have helped alot of poor families	2/20/2021 3:12 PM
112	None	2/20/2021 3:06 PM
113	Na	2/20/2021 3:05 PM
114	I do t know enough about The food bank to comment. I sometimes see lines of people outside the bank. I suppose having some sort of thoughtful and reasonable controls for managing the homeless (and ensuring they do not take up residence in the park) might be a concern.	2/20/2021 3:02 PM

Jean Sweeney Open Space Park Community Survey 2021

115	Just make it look nice not like a portable or cinder block building. Maybe have a greenhouse or hydroponic feature inside to start seedlings.	2/20/2021 3:01 PM
116	I like the idea of partnering with families	2/20/2021 2:54 PM
117	Make it part of the park not separate. Allow them to potentially sell juice drinks, coffee, etc	2/20/2021 2:36 PM
118	A larger, open-plan space where people can come in one door and leave out another, and where they can shop with dignity.	2/20/2021 2:09 PM
119	A classroom with a learning kitchen to teach people how to use foods they might find at the food bank	2/20/2021 1:30 PM
120	find a larger location where you do not infringe on a park.	2/20/2021 1:21 PM
121	This new facility would need to be easily accessible to those without cars -- improve access via bike parking, improved bus times, pedestrian safety, etc. Do NOT just cater to cars with another parking lot. We do not need more parking, and low-income people who rely on the food bank do not own cars at a high rate.	2/20/2021 12:53 PM
122	That its footprint be congruent with the surrounding site.	2/20/2021 12:43 PM
123	N/A	2/20/2021 12:25 PM
124	Living roof!!	2/20/2021 11:54 AM
125	Building an outreach program to encourage volunteering from community members	2/20/2021 11:47 AM
126	I don't.	2/20/2021 11:40 AM
127	Maybe a hybrid structure that is food bank and farmers market...and urban farming school.	2/20/2021 11:36 AM
128	no	2/20/2021 11:13 AM
129	Parking and easy drive thru access.	2/20/2021 10:36 AM
130	There is plenty of room out on the base	2/20/2021 10:35 AM
131	Make it pretty! The park is looking so great and ugly architecture would just be sad.	2/20/2021 10:31 AM
132	Food bank offices and warehouse should be in an industrial area, not the park.	2/20/2021 10:27 AM
133	I definitely support the expansion	2/20/2021 10:21 AM
134	Like crab cover visitors center and how it connects to Ranger James' house. Allowing for admin, good storage/sorting, and have a visitors center with information on who we serve from our food bank and why. Let families step foot inside. It makes it more real.	2/20/2021 10:14 AM
135	Get rid of it.	2/20/2021 10:08 AM
136	I think keeping it in this location is super accessible, and opens the communities eyes to our fellow islanders in need. It would assist in raising our children to be stewards of the earth, and our local human population. I think they should be incorporated together, with "being of service" as a goal	2/20/2021 10:06 AM
137	No suggestions other than making sure there is no encouragement for "urban camping" by homeless in Alameda.	2/20/2021 9:43 AM
138	N/a	2/20/2021 9:33 AM
139	Make it clear for volunteers how to help and make it clear it's a food bank, and be proud of it	2/20/2021 9:31 AM
140	No	2/20/2021 9:29 AM
141	The 'Park' would be turned into a food distribution place & park would suffer.	2/20/2021 9:29 AM
142	no	2/20/2021 9:28 AM
143	It should be a green building with solar panels or a living roof top. Glass walls, large windows or retractable glass that allows it to be an open air market during open hours. Any bags used to distribute goods should be biodegradable. A water feature or small creek around the perimeter that uses recycled water. Plants surrounding could be edible herb plants or shrubs that could be cut and offered in the food bank.	2/20/2021 9:28 AM

Jean Sweeney Open Space Park Community Survey 2021

144	I feel, you need much bigger area for Food Bank, for ex. in Alameda Point	2/20/2021 9:22 AM
145	nope	2/20/2021 9:14 AM
146	Access to social services as well.	2/20/2021 9:11 AM
147	None	2/20/2021 9:11 AM
148	Centralized location	2/20/2021 9:09 AM
149	Outdoor food pantry for when they are not open	2/20/2021 9:06 AM
150	None	2/20/2021 8:40 AM
151	The base is a better location	2/20/2021 8:35 AM
152	No	2/20/2021 8:32 AM
153	Well patrolled and security	2/20/2021 8:31 AM
154	Ok	2/20/2021 8:03 AM
155	Raise money to pay for a famous architect to plan a green and fabulous building that integrates the learning and gardening and native plant landscapes spaces with food bank building.	2/20/2021 2:21 AM
156	just make it aesthurucally pleasing and a nice place for people to go	2/19/2021 9:58 PM
157	shelter from sun & rain while waiting in line; fridges/freezers	2/19/2021 8:35 PM
158	homeless services like showers?	2/19/2021 8:03 PM
159	Just something open and welcoming. Easy to access for both drop off and pickup.	2/19/2021 7:54 PM
160	Safety and maintenance	2/19/2021 7:42 PM
161	Sounds like a benefit to the community and absolutely an asset to integrate the park, food bank visitors and all alameda a.	2/19/2021 7:21 PM
162	I work at Earls Organics at the Produce Market in SF. We currently donate to the AFB. It would be great to help in any way to bring this to fruition! I don't have a suggestion here but want to put myself out there to help in any way. Mike Stewart 415.902.2220 mstewart@earlsorganic.com	2/19/2021 7:14 PM
163	Move it to an area on the point	2/19/2021 5:30 PM
164	don't put up another square building, make it pretty.	2/19/2021 5:10 PM
165	Why not take over one of the existing buildings at Alameda Point? Good access and good parking	2/19/2021 4:23 PM
166	Keep it small	2/19/2021 4:20 PM
167	Please make sure that food is available even when construction is happening	2/19/2021 4:01 PM
168	Parking or nearby parking	2/19/2021 3:26 PM
169	make parking easier for food bank customers. make veggies from the garden available to all for food bank customers.	2/19/2021 3:09 PM
170	Only access from main street	2/19/2021 2:39 PM
171	I think a take on the old corner store would be intriguing. I highly respect the AFB and would bow to them knowing what they need most while being sensitive to being within an open space park.	2/19/2021 1:55 PM
172	student murals on the walls	2/19/2021 1:52 PM
173	Put money into the Todd lane location	2/19/2021 1:36 PM
174	That they employ local hiring requirements and allow volunteer opportunities for our Alameda students.	2/19/2021 1:23 PM
175	Don't make them fundraise, do the work for grants first, then public buy in.	2/19/2021 1:23 PM

Jean Sweeney Open Space Park Community Survey 2021

176	Just make sure it's there, my goodness, if we can't get onboard with the food bank, we are lost	2/19/2021 1:18 PM
177	Add a wall around the building and parking lot area that separates it from park view	2/19/2021 1:13 PM
178	Seems like parking and access are potential issues.	2/19/2021 1:12 PM
179	keep it clean and secure, as our children are at jean sweeney park	2/19/2021 12:58 PM
180	client work in the garden	2/19/2021 12:50 PM
181	Make it a happy place to come that includes intentional landscape design. The current location/building doesn't seem to have any thoughtful landscape. For the new location, include planting beds for perennials, annuals, bushes and small trees.	2/19/2021 12:36 PM
182	Make it a sustainable and sustainably-built building with solar etc. and no VOC fumes.	2/19/2021 12:06 PM
183	Would love for the food bank to take on the model of Alemany Farm in San Francisco	2/19/2021 11:43 AM
184	none	2/19/2021 11:30 AM

200	Make it more modern	2/19/2021 8:40 AM
201	I think it is a great idea, as long as encampments are not allowed anywhere near the park.	2/19/2021 8:35 AM
202	No	2/19/2021 8:25 AM
203	Alameda food bank location needs to have a better bus stop	2/19/2021 8:20 AM
204	Maybe a drive through option to help with waiting in line	2/19/2021 8:16 AM
205	Provide public WiFi and other resources such as showers and lockers	2/19/2021 8:09 AM
206	Hope that it makes it easier & faster for people to get their food	2/19/2021 8:07 AM
207	parking or bus access for the elderly carrying heavy bags or boxes.	2/19/2021 8:06 AM
208	Partner with schools to provide education and service learning opportunities	2/19/2021 7:54 AM
209	None at this time	2/19/2021 7:32 AM
210	I love the grocery store layout. It's similar to the SF food bank which has been well received.	2/19/2021 6:57 AM
211	No	2/19/2021 6:57 AM

Jean Sweeney Open Space Park Community Survey 2021

212	No	2/19/2021 6:16 AM
213	None	2/19/2021 3:28 AM
214	Please make the exterior beautiful. Jean Sweeney Park is beautiful and pristine. Please don't ruin it with an ugly distribution warehouse.	2/19/2021 2:44 AM
215	Put a bus stop at the location for a free shuttle	2/19/2021 2:08 AM
216	I hope it could be lovely and welcoming for clients, volunteers and staff	2/19/2021 1:52 AM
217	Name the building, "Jean Sweeney's Alameda Food Bank".	2/19/2021 1:31 AM
218	It would be wonderful to have a cart where coffee, tea and simple snacks could be sold, perhaps proceeds could go to the Food bank.	2/19/2021 1:09 AM
219	Something that affords the food bank patrons some privacy.	2/19/2021 12:42 AM
220	No	2/19/2021 12:24 AM
221	Allow kids to volunteer	2/18/2021 11:40 PM
222	Make sure there are limits on picking produce if some people end up hoarding.	2/18/2021 11:33 PM
223	Be green.	2/18/2021 11:10 PM
224	Please do not have the park become a homeless encampment	2/18/2021 11:03 PM
225	The building should have a living roof (kind of like the Academy of Sciences in SF, but obviously a scaled down version) and could ideally be an additional space to grow extra food.	2/18/2021 10:58 PM
226	Yes - the City should have a food bank. For sure. But i would not expand it there. If they want to expand, can't the City dedicate some space on the huge base that has plenty of parking already? Also, the street is very busy already in that spot, and getting to the food bank requires U-turns etc. that wouldn't be required elsewhere like on the base.	2/18/2021 10:54 PM
227	No	2/18/2021 10:54 PM
228	Sounds awesome!	2/18/2021 10:53 PM
229	volunteer opportunities for community members	2/18/2021 10:46 PM
230	Hopefully a fairly small footprint that will not detract from other potential features.	2/18/2021 10:18 PM
231	Not at this time.	2/18/2021 10:17 PM
232	Not the best location. It should be in a place with better vehicle access as well as public transportation. It also needs to have enough room to expand as necessary.	2/18/2021 10:03 PM
233	Combine with healthy food prescription handouts now being developed	2/18/2021 9:45 PM
234	For safety, it would be better to place it at the other end of the park which is next to a much quieter street. Perhaps combine it with the community garden by having a "green" roof, growing a garden on the roof that helps supply it.	2/18/2021 9:43 PM
235	It might need to be structured in a "virus safe" manner, or at least to have the flexibility to handle a pandemic. The current Food Bank on Thau Way is not useable now, which is why the Food Bank has been moved to the based. This would mean having the option of a "drive through" food pick-up service, as there currently is at the base.	2/18/2021 9:32 PM
236	Would be good to make sure there is a safe space for kids to play, and for teenagers to safely hang out	2/18/2021 9:29 PM
237	Keep small and blend with natural landscape	2/18/2021 9:29 PM
238	N/A	2/18/2021 9:26 PM
239	I love that they are expanding and considered a partner in community gardening.	2/18/2021 9:25 PM
240	Doesn't seem to be space for it?	2/18/2021 9:24 PM
241	Include showers and bathroom facilities for the homeless.	2/18/2021 9:24 PM
242	I think its a wonderful idea. Extra fruits and veggies grown in the urban forest and in the	2/18/2021 9:17 PM

Jean Sweeney Open Space Park Community Survey 2021

community plots could be included in the good that is distributed. Perhaps a refrigerated room or area of the building could be accessible for gardeners to drop off their extras

243	Is the lot big enough for a big	2/18/2021 9:14 PM
244	This would be close to it's current site across from a large apartment building. When the food bank was open, the manager had to constantly ask the food bank to get their clients to move their cars. Additionally, the plumbing drivers and other neighbors have difficulty finding a place to park. Stewart CT is a short street and I think the very limited parking should be closely considered.	2/18/2021 9:13 PM
245	If it must be here, keep it small so it blends into the park. Keep office space to a minimum.	2/18/2021 9:09 PM
246	That it aesthetically fit in.	2/18/2021 9:05 PM
247	No	2/18/2021 9:04 PM
248	Keep it small. Let's keep the park space open for most all residents.	2/18/2021 9:03 PM
249	Consider topics that will benefit home gardening (education and resources-seeds, soil) for the educational activities at the park. The added foot traffic from the Food Bank may get additional benefits from the park.	2/18/2021 9:03 PM
250	Please consider joining Alameda County Food Bank.	2/18/2021 9:02 PM
251	n/a	2/18/2021 9:01 PM
252	Put the edible orchard next to the food bank	2/18/2021 8:59 PM
253	Prefer an open air, farmers market style set up rather than a large building.	2/18/2021 8:56 PM
254	Na	2/18/2021 8:43 PM
255	Steps should be taken to prevent a homeless community development adjacent to the Alameda Food Bank building. Entry and exit from the building should not be intertwined with other park infrastructure	2/18/2021 8:40 PM
256	easy transportation	2/18/2021 8:40 PM
257	Consider mobile grocery store or mobile food education (how to prepare healthy and tasty foods) that goes where the need is in the city. Focus on in season, fresh produce.	2/18/2021 8:34 PM
258	The above description sounds like it's already been well thought out, so bravo! Can't wait to see it built.	2/18/2021 8:30 PM
259	Having parking for it non adjacent to the park that way we minimize exhaust in the park.	2/18/2021 8:24 PM
260	More space for volunteers	2/18/2021 8:21 PM
261	Please make sure the food bank location is FAR from the playground. Some of the people that are in most desperate need of help also have mental issues or drug problems. They should be helped urgently, but NOT near children.	2/18/2021 8:21 PM
262	Open Space	2/18/2021 8:20 PM
263	No	2/18/2021 8:17 PM
264	make it blend in with the surrounding and have lots of trees outside of it - maybe fruit trees! wood construction, natural looking	2/18/2021 8:17 PM
265	integrate it into the park with information for residents and also education removes the stigma of food insecurity	2/18/2021 8:14 PM
266	I would love to volunteer with my children (though they are very young and may not have much 'endurance' at this point). It would be great if the building had a community kitchen or area to support community meals (after covid) or ways children/families can be involved in packing/preparing/donating.	2/18/2021 8:09 PM
267	It would be great if the AFB area does not feel cut off from or too removed from the community garden/park area due to the pedestrian path that cuts across. I think it makes perfect sense that a grocery store be co-located with a garden	2/18/2021 8:08 PM

Jean Sweeney Open Space Park Community Survey 2021

268	What would be the equitable way of distribution? Who makes the rules? Equity is a double speak of sorts these days. I'm skeptical about it	2/18/2021 8:05 PM
269	I do not have any suggestions other than to work directly with the community that lives/works near the potential new building plot.	2/18/2021 8:03 PM
270	Perfect use of the land and having it near the community gardens will make it easier for growers to donate their surplus product.	2/18/2021 8:01 PM
271	Maybe the food bank could benefit from some of the orchard and garden produce. As part of the education kids can learn about this and also help pick the produce for the food bank.	2/18/2021 7:59 PM
272	Not at the current site. Turn the current food bank site into a parking area for families who have children that need to go by auto. Move the Food bank to another location. there are plenty of sites to choose from. Need help contact me for more info.	2/18/2021 7:59 PM
273	Open floor plan, that is inviting to the clients, and easily accessed by volunteers and clients, alike. A loading dock for donations, and office space for warehouse and food bank managers.	2/18/2021 7:54 PM
274	covered walkways	2/18/2021 7:53 PM
275	Could be a beautiful building and facility that would add great value to the park and city!	2/18/2021 7:48 PM
276	No	2/18/2021 7:47 PM
277	Take into consideration traffic and lines	2/18/2021 7:38 PM
278	'Depends. Application has to match rhetoric. To wit: hitherto now, the mindset of Alameda has always been one that evidences a preponderance for administering to all what can be said as Alameda being defined by a considerably parochial mindset, certain and sure not one which features a wide swath of races and economic classes and ages of people. Decisions prove always made or resolved-to by a very limited, nigh exclusive set or, say, sensibility of people...	2/18/2021 7:38 PM
279	Small if anything, open concept, use nature and at least one living wall	2/18/2021 7:37 PM
280	It's a wonderful and accessible idea. Please design some sort of drive-up entrance for elderly/disabled customers and for the future situations where people need to distance from each other.	2/18/2021 7:36 PM
281	Coffee shop open to the public that funds Alameda Food Bank and employs local residents.	2/18/2021 7:34 PM
282	Parking and more welcoming signage	2/18/2021 7:31 PM
283	Ensure there is an educational public space of food deserts and underprivileged families benefiting from the bank	2/18/2021 7:23 PM
284	Would be fantastic to tie in with the community garden, edible trees, and classes	2/18/2021 7:19 PM
285	It might cause too much traffic congestion at SweeneyPark. Although a walkup only for those without a car would be good.	2/18/2021 7:14 PM
286	I like the idea of partnering the food garden with the food bank. If there's a way to incorporate the children's playground so children are involved in gardening, that would be a great idea also	2/18/2021 7:14 PM
287	Making sure it has various pick up windows to pick up on the outside that are covered by a roof and have outside heaters or misty fans for cold & hot weather days.	2/18/2021 7:12 PM
288	Not enough room.	2/18/2021 7:10 PM
289	remove it and expand rec area	2/18/2021 7:04 PM
290	A way for drive thru pick up of donations maybe with people getting a window of time to arrive.	2/18/2021 7:03 PM
291	drop-off bins for dry goods	2/18/2021 7:00 PM
292	No	2/18/2021 6:57 PM
293	Please limit the size as well as the parking to the existing lot. Why not locate it across from the College of Alameda on the western side of Webster, there is plenty of land on that side.	2/18/2021 6:55 PM
294	Just to make is as much like regular grocery shopping as possible.	2/18/2021 6:54 PM
295	In and out congestion when it should be an outdoor recreation area and not a parking lot for a	2/18/2021 6:52 PM

Jean Sweeney Open Space Park Community Survey 2021

grocery store. I think the food bank is a necessity but I think that this would be a mismatch of uses for the area.

296	No	2/18/2021 6:47 PM
297	Should be away from children's play areas.	2/18/2021 6:47 PM
298	Warehouses are tough to keep up, unless raised above ground were office space can be part of the building, its so easy to run out of warehouse floor space, vefore you know it your sheffling product around to create room things get damaged resources wasted many things get complicated.	2/18/2021 6:44 PM
299	No	2/18/2021 6:43 PM
300	I think it would be great for the food bank to have a larger building with a better set up - and in a more accessible location.	2/18/2021 6:41 PM
301	This building should to be a demonstration of low carbon emission architecture and be the greenest type of structure: it should have a green roof, a water capture systems, compost toilets and any other interesting sustainable system or materials (and reduced use of concrete)	2/18/2021 6:39 PM
302	It might be a good idea to have a donation-based coffee and snack stand. It could help raise money for the food bank while also providing the opportunity to connect with the community in a new way,	2/18/2021 6:35 PM
303	Ability for locals to volunteer there!	2/18/2021 6:32 PM
304	Space outside for waiting, inside for waiting, and parking not in the apartments next door are sorely needed.	2/18/2021 6:24 PM
305	Have areas for very clear information about how the community can volunteer & what services are provided.	2/18/2021 6:21 PM
306	Put the costs of a building to use buying food for those in need.	2/18/2021 6:21 PM
307	N/A	2/18/2021 6:20 PM
308	Green built with solar power. Should match the historic architecture of our town.	2/18/2021 6:18 PM
309	None	2/18/2021 6:14 PM
310	Fence off food bank from park	2/18/2021 6:10 PM
311	Please provide fresh organic produce.	2/18/2021 6:07 PM
312	partner with community garden growers for the food bank	2/18/2021 6:00 PM
313	Be aware of the need for community gardens and the benefits to the food bank.	2/18/2021 5:59 PM
314	I realize that there may need to be a new food bank building but I would like to see it built somewhere else.	2/18/2021 5:54 PM
315	Have expansion options outside the park envelope been considered? If I remember - there was space behind / next to the food bank already. It wouldn't take much separation to reduce or substantially eliminate concerns.	2/18/2021 5:54 PM
316	Ensure that customers of the food bank are safe and protected from snotty neighbors	2/18/2021 5:51 PM
317	No	2/18/2021 5:47 PM
318	Would like it next to a community garden. Interesting work is happening in San Mateo with the Good Samaritan host and community gardens.	2/18/2021 5:41 PM
319	I would like the parking lots to be separate from the playground and education center.	2/18/2021 5:40 PM
320	It would be a great for the community!	2/18/2021 5:38 PM
321	Two stories with classroom	2/18/2021 5:33 PM
322	None	2/18/2021 5:33 PM
323	Make it aesthetically beautiful and natural	2/18/2021 5:29 PM

Jean Sweeney Open Space Park Community Survey 2021

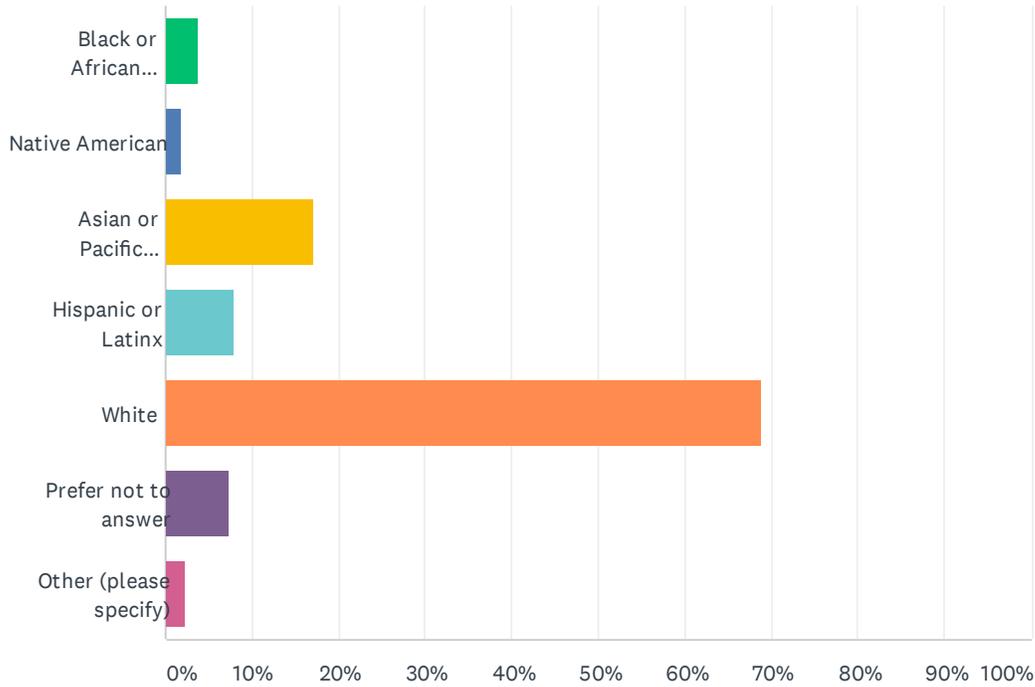

324	Having informational signs on what a food bank does and how it serves the community could help folks understand and mitigate some of the stigma associated with "asking for help"	2/18/2021 5:26 PM
325	Try not to attract more homeless to the island or have people sleep in the parks.	2/18/2021 5:26 PM
326	Have a roof like Academy of Science that is a natural area filled with blueberry bushes or manzanita	2/18/2021 5:23 PM
327	I think it's a great place for the Food Bank; much easier to access than the current set up at the former NAS.	2/18/2021 5:22 PM
328	Challenging site to access. How to serve more visitors arriving via different methods, in a safe, logical way seems the hardest part.	2/18/2021 5:22 PM
329	N/A	2/18/2021 5:21 PM
330	Be sure it is fenced off from the paths and play areas tp prevent any criminal activities.	2/18/2021 5:18 PM
331	No relocation suggestion, just adequate parking and signage.	2/18/2021 5:15 PM
332	place for people to park to drop off food	2/18/2021 5:14 PM
333	Nine	2/18/2021 5:14 PM
334	Na	2/18/2021 5:14 PM
335	Na	2/18/2021 5:14 PM
336	Any new building always a concern but see the need and fit.	2/18/2021 5:13 PM
337	Green roof, LEED building	2/18/2021 5:12 PM
338	If the Alameda Food Bank can be located closer to the parking lot near Sherman Street.	2/18/2021 5:11 PM
339	I love the idea of combining the gardening program with the food bank!	2/18/2021 5:09 PM
340	Easy access but not too much traffic	2/18/2021 5:09 PM
341	build something with light and openness. The current bldg looks like an afterthought or a construction office. A cafe perhaps with generates income for the food bank? Free coffee to homeless population.	2/18/2021 5:04 PM
342	No	2/18/2021 5:02 PM
343	no	2/18/2021 5:01 PM
344	Low profile. Attractive small as possible	2/18/2021 5:01 PM
345	nutrition or cooking classes	2/18/2021 5:00 PM
346	This is a wonderful idea, and I love the connection to a community park and encouraging education for the broader community to learn how to grow their own food.	2/18/2021 4:59 PM
347	clear and safe volunteer&donation space	2/18/2021 4:58 PM
348	No	2/18/2021 4:57 PM
349	A wooden structure that blends into the landscape	2/18/2021 4:52 PM
350	Put it somewhere else that is not a park.	2/18/2021 4:52 PM
351	I would love the community garden to partner with the food bank. The should be given first priority for all harvest.	2/18/2021 4:50 PM
352	Keep it away.	2/18/2021 4:49 PM
353	I initially thought of it as a warehouse type facility that might be better housed at Alameda Point, but the more I thought about it, I love the idea of it being a welcoming place for the community, both for people who will use Food Bank services and for volunteers.	2/18/2021 4:49 PM
354	make it disability-accessible and provide public transportation to/from food bank for the needy families in Alameda	2/18/2021 4:48 PM
355	Alameda Food Bank should stay where they are. It's easily accessible for local residents and	2/18/2021 4:48 PM

Jean Sweeney Open Space Park Community Survey 2021

	already has a loading dock, etc.	
356	a "drive thru" window would be great for pick up or something akin to drive-in systems where folks wouldn't have to get out of their cars when they come to pick up (families with very young children and folks with varying mobile abilities come to mind as those who would especially benefit with this sort of system.	2/18/2021 4:47 PM
357	Naval base	2/18/2021 4:46 PM

Q11 The grant application requires demographics of who is taking our survey so we ensure we are capturing feedback across a diverse cross-section of our community. Please specify your ethnicity. You may check more than one.

Jean Sweeney Open Space Park Community Survey 2021

#	RESPONSES	DATE
1	It seems like a waste to add parking when there is o much parking in this area (Wind River parking lot, Starbucks one end of Sweeney etc. - Please also consider adding a pump track. We already have two dog parks in Alameda. That also seems like a waste.	3/2/2021 8:33 AM
2	NO DOG PARK	3/1/2021 8:47 AM
3	Food is more important than more dog space.	2/27/2021 7:23 PM
4	none	2/27/2021 3:04 PM
5	Some sort of contemplation path (perhaps with a series of "objects" (art?) to focus on - zen garden, maybe with an eye toward holding outdoor yoga or tai chi classes, something like that. A performance stage. A location for rotating art display or a doodle board that changes once a week.	2/27/2021 2:08 PM
6	More grassy areas for picnics, playing ball, more playgrounds or play areas (my kids love climbing on the logs from the cut down tree right now.) make sure to keep access to 8th st open and could park open up to other streets?	2/27/2021 1:48 PM
7	No dog park needed as there is already a dog park nearby. Food bank is essential to the community.	2/27/2021 1:03 PM
8	Using a permaculture/regenerative design approach for long-term restoration and development of the land	2/27/2021 12:29 PM
9	Please increase access to the park along Buena Vista Ave. I would be sad to see the existing tree on the north side of the park near the eight street entrance be removed.	2/27/2021 11:33 AM
10	Make sure there are plenty of benches for sitting. Should some along the Cross Alameda Trail also. Would the dog park go in the red outlined area? is so it should be nearer to the eastern side to allow for any further expansion/transfer to the food bank. or put it in the area above the parking lot. But lets get some established native trees in the dog park and try to landscape to allow for some digging areas as well as chasing/open running areas that aren't dust bowls.	2/27/2021 8:58 AM
11	Shady seats in gardens are great. Love the focus on native plants and food gardening.	2/27/2021 8:31 AM
12	Parking lot should be located off of constitution, not within the current park boundary. Make the Eminent Domain acquisition of the southern Railroad property a higher priority. plant more trees	2/26/2021 12:10 PM
13	If the public wants dog park(s), please put them on the other side (to the east) of the parking lot in the drawing. Playgrounds near dog park, fine. Dog poop near vegetable gardens, not a good idea.	2/26/2021 7:50 AM
14	Make the 8th Street entrance to Jean Sweeney a slow street. I live on that street a few doors down the park, and our street is now so busy with pedestrians. Cars sometimes speed down this street.	2/25/2021 3:51 PM
15	I think that you should make as much space as possible be for gardening and outdoor classes and walking trails.	2/25/2021 2:27 PM
16	Looks good as planned above.	2/25/2021 8:02 AM
17	Skate park	2/24/2021 7:34 PM
18	Nothing.	2/24/2021 6:15 PM
19	In this area, there is already an excess of concrete and parking. There should be parking to make the gardens accessible to all, but not enough to encourage driving over alternative forms of transportation -- could we reduce its size? Also, as a dog owner, really disappointed to see a dog park being considered. This is not far from another dog park, and these are not so heavily used to need another, relative to the unique features found nowhere else in our community at this park.	2/24/2021 5:08 PM
20	NA	2/24/2021 4:58 PM
21	Is the ground free from toxins for gardening food. (the Point is known to have toxins in the soil)	2/24/2021 4:53 PM
22	Large outdoor Roller skating rink would be great and well used.	2/24/2021 4:13 PM

Jean Sweeney Open Space Park Community Survey 2021

23	n/a	2/24/2021 3:16 PM
24	I really love the idea of a community orchard. I see on the plan that the food bank could possibly be on top of the orchard if it expands - if the case is additional food bank space OR an orchard, I would strongly oppose the new food bank building. Otherwise, looks good and love both those ideas, if they coexist together.	2/24/2021 11:49 AM
25	There should be more native trees and plants for attracting birds, butterflies and other insects, and wildlife.	2/24/2021 10:28 AM
26	Not enough open space for roller skating. Please save space for roller skating.	2/24/2021 7:56 AM
27	looks good!	2/24/2021 1:07 AM
28	There isnt much shaded areas, on hot days shady tree and open space is needed.	2/23/2021 11:15 PM
29	I'd like to see if it's possible to creat more openings though the business park area. Also the southern eastern side.	2/23/2021 6:32 PM
30	Splash pad please!!! It would be THE BEST	2/23/2021 5:12 PM
31	1. I believe it is important that the public have full access to all areas of the park even if they do not have a plot in the community garden. 2. From this drawing there seems to be too much 'planned' space.	2/23/2021 11:04 AM
32	N/A	2/23/2021 9:56 AM
33	Its a good design - I'd be interested in hearing more about how the site will be managed and what opportunities might be available for community partnerships with local educational organizations.	2/23/2021 8:03 AM
34	I love all the ideas but please include an outdoor skating area.	2/23/2021 5:51 AM
35	N/a	2/23/2021 12:05 AM
36	Accessibility to the food bank is something you should consider in the design. Parking especially	2/22/2021 10:52 PM
37	No dog park. There is a perfectly good dog park near Washington Park. Also, I'm not in a favor of a community garden as it's really only for a select few and if it's not tended is an eye sore. I want to see open space for walking, biking, playing. America needs to get out an exercise for our physical & mental health.	2/22/2021 5:09 PM
38	I would like to hear water when I am in the park. It relaxes me!	2/22/2021 4:48 PM
39	I would like to see less parking in order to discourage people from driving to the park and to leave more of the park space available for use by people. A reduction in parking spaces from the original plan would need to go hand-in-hand with better access to the park by foot/bicycle/rollerblade/skateboard/e-bike etc. from the north and south of course. Perhaps also AC Transit line 19 could have a stop right at the park on the east end, or the stop at Atlantic and Challenger could have a clear path through the CoA Science Annex to the park? I hope that the soon-to-be-implemented improvements for safety at the Atlantic/Constitution intersection also contribute to the perceived and actual ability to safely reach the park outside of a car.	2/22/2021 3:04 PM
40	Two outdoor classrooms AND outdoor education seems excessive. I see many outdoor classrooms at other open spaces sit unused. I also believe an additional playground is unnecessary as its is only a few blocks from the large playground at the east end. Instead, maybe a splash pad?	2/22/2021 2:36 PM
41	My family loves this park and this expansion sounds great.	2/22/2021 2:15 PM
42	Na	2/22/2021 1:59 PM
43	As always, parks are a gift for the community. Thank you for this survey and asking for input.	2/22/2021 12:28 PM
44	i hope there are options for shade in the playground or classroom areas. Alameda is getting hotter, so opportunities for shaded play are important. Also more trees along the middle of the park too please! There are only a few and they always have families around them.	2/22/2021 11:55 AM
45	Those trees on the cross Alameda trail are going to block the sunlight to the garden. Veggies	2/22/2021 11:28 AM

Jean Sweeney Open Space Park Community Survey 2021

need maximum sunny hours for best production.

46	I am concerned that any agriculture, including fruit trees (particularly when they drop fruit), will invite rodents which bring disease and damage to existing plants and surrounding areas.	2/22/2021 10:45 AM
47	Less parking, more park.	2/22/2021 10:12 AM
48	No feedback but is a question - is the Wood Street entrance to the park going to be built/opened like it is on 8th anytime soon? Nikki Herrmann- nikkiherrmann@comcast.net. We live there and saw it on the original plans are are hoping its still in the plan.	2/22/2021 10:09 AM
49	It is good that you are considering an urban garden.	2/22/2021 9:59 AM
50	I'd love to see some large trees near the entry plaza	2/22/2021 9:25 AM
51	More trees!	2/22/2021 7:36 AM
52	Too much parking. The city is trying to make Alameda a car free city, so why have a parking lot. Everyone should walk or bike to the park. The parking lot could have a swimming pool or other sports field. Think of older kids, not just younger kids, which it sounds like the park is catering towards.	2/22/2021 7:22 AM
53	There seems to be a lot of space reserved for parking. Since it's touted as being close to public transport, and I rather hoped it would be a local park, intended mostly for the island's residents, this seems excessive.	2/22/2021 3:33 AM
54	Maybe bring up history? the west end of alameda did have much agricultural industry in its history and on that side of the island.	2/22/2021 1:30 AM
55	This I is a great project that will need good management to succeed. Planning for a variety of uses around food seems appropriate, a master gardener, outdoor/ indoor food and vendors, like a European market place would be great!!! For the whole community!	2/21/2021 11:04 PM
56	Love it	2/21/2021 11:03 PM
57	Love this.	2/21/2021 9:36 PM
58	N/A	2/21/2021 9:24 PM
59	This looks very good to me.	2/21/2021 9:06 PM
60	N/A	2/21/2021 5:00 PM
61	Again, we'd really like more neighborhood access to the park. Every street that dead ends into the park should. Have access.	2/21/2021 3:46 PM
62	Your question on children is limiting.... some people have responsibilities for children without being the parent or grandparent. Im a nanny, I have kids 5 days a week.	2/21/2021 2:33 PM
63	it will be really nice for our community to include basketball courts for the kids	2/21/2021 2:30 PM
64	Could you fundraise to fix sidewalks and drainage/sewer so not standing water on streets?	2/21/2021 2:13 PM
65	Looks like only usable for the few. Stop the specialty planning bs, waste of money. Leave it open space	2/21/2021 1:52 PM
66	Not sure if more parking is needed. The park is not that big	2/21/2021 1:47 PM
67	I don't believe parking is entirely necessary, and if nixing it makes it possible to include more community garden space and amenities, I say GO FOR IT. My No. 1 priority is having addition access points for bicyclists and pedestrians, including a way to access from the north side someplace other than the two ends. Looks like the parking entrance could be a small step in that direction, but it's crucial that the design makes it just as easy to access by bike/foot as by car...and, again, I don't think car is necessary at all.	2/21/2021 1:29 PM
68	Please improve access -- there should be access from *all* neighboring streets for people on foot or bike. Please remove all fencing so that it *only* exists where absolutely needed -- it's important that pedestrians can easily and conveniently get from one point to another without barriers. Have loved being able to enjoy JSOSP so far -- it's a gem! Even appreciate the un-"programmed" space, especially during covid, when people need to keep distance. And the Cross Alameda Trail is AMAZING for both recreation and transportation. Would just ask that	2/21/2021 12:31 PM

Jean Sweeney Open Space Park Community Survey 2021

there is plenty of signage to educate people on where to walk and where to ride to avoid conflicts. Thank you and good luck with this grant!

69	Fruit Trees would be nice.	2/21/2021 12:23 PM
70	I would love to have bee boxes for solitary mining bees. These are important, non-stinging pollinators and the houses are very aesthetically pleasing (common in parks in Europe)	2/21/2021 11:37 AM
71	Great plan!	2/21/2021 11:01 AM
72	Please be mindful of traffic and pedestrian safety when planning. Thank you!	2/21/2021 10:59 AM
73	Thank you for moving this forward!	2/21/2021 10:16 AM
74	I don't think these should be a fence around the community garden. We don't need fences in the park. The Outdoor classroom is close to the residences on 8th, Nason and Ninth. There may be noise that is disruptive to residents. Can that be moved farther into the park? We should have less parking and focus on the gateways from the neighborhoods.	2/21/2021 10:03 AM
75	I love the vision and layout of the park, I am not a fan of adding a dog park. It does not see to fit with the other design elements. My kids are supportive of adding dog park.	2/21/2021 10:01 AM
76	Really thrilled that we're starting to see this model of urban agriculture finally take shape! Look forward to continuing to be part of the process.	2/21/2021 9:42 AM
77	Dog park is priority	2/21/2021 9:38 AM
78	I love the idea of this as a community space for gardening. If a dog park is added, please make sure it is not done at the expense of gardens. There are already two parks on the island. Our future depends on communities coming together to improve food security, not dogs.	2/21/2021 8:58 AM
79	Consider the impacts of the pandemic and think about ways the design might be enhanced for needs you were not thinking about when you originally developed the master plan. More people will continue to work from home and children continue to have limited access to the resources they typically have at school. There could be an opportunity to increase your number of outdoor classrooms and make them smaller and spread them out and integrate them with the garden plots.	2/21/2021 8:27 AM
80	Remove the garden entry from Atlantic and place it anywhere else.	2/21/2021 8:20 AM
81	I'd like to see some more trail access points from streets such as St. Charles or Bay and/or beautify the trail access-way at 8th st. I'm an avid birder so preserving/improving avian habitat is a priority.	2/21/2021 7:27 AM
82	I would love to see it used for a bike course with dirt hills for kids to use. It would not take much work and would be huge for our community. The nearest place like that is Richmond.	2/21/2021 7:06 AM
83	Lots of clean top soil will be needed to make the plots workable. Keep it strictly organic from day one! Do not replace or close Bay Eagle Community Garden!!!! Alameda's low income families, like myself, need them both!	2/21/2021 5:13 AM
84	I live on 8th Street which is one of the entrances to the park - it's remarkable and heartwarming to see how many people are coming to use the park on foot, bike, skateboards etc.	2/21/2021 3:04 AM
85	please, please no grocery store	2/21/2021 2:53 AM
86	No Parking Lot.	2/21/2021 1:12 AM
87	Please keep this bike and walk friendly and don't put an outsized food bank right here. That is also already a main traffic artery coming and going from Oakland.	2/21/2021 12:49 AM
88	Keep cars out of the park!	2/20/2021 11:18 PM
89	I'd be happy to volunteer with classes. I have my own garden so I don't need a plot in the community garden but would be willing to help others in their community garden. dnweidner@sbcglobal.net	2/20/2021 10:15 PM
90	I just would like to reiterate that we need to provide habitat for local wildlife. Thank you.	2/20/2021 9:13 PM
91	I love this idea. Kids and dogs should not be around the food and fruit trees, kids can garden but playgrounds may attract too many kids at once around the gardens.	2/20/2021 8:27 PM

Jean Sweeney Open Space Park Community Survey 2021

92	Great , when will access from St Charles happen?	2/20/2021 7:55 PM
93	Solar-powered lighting at night. Grassy areas for picnicking. Willow trees for shade. Water fountain play area for hot days?	2/20/2021 7:52 PM
94	Keep Up The Good Work, And Let's Get Busy A.S.A.P. By The Way Is There Any Chance We Could Put An Outdoor Band Stage In There Somewhere?	2/20/2021 7:30 PM
95	Please incorporate water conservation in the Urban Agriculture!	2/20/2021 7:06 PM
96	More space for community gardens	2/20/2021 6:43 PM
97	Greater number off-leash dog exercise areas are needed on the island. This would be a nice add, but something the size of Pt. Isabel is needed. Perhaps Bay Farm? Exercise is needed not just for dog, but for human. The Washington Park dog parks are not large enough and are crowded as is.	2/20/2021 6:39 PM
98	We really need a bike skills pump track in Alameda. I don't agree with the size of the added parking lot at the expense of the pump track.	2/20/2021 6:35 PM
99	I love the ideas shown in the diagram. I hope everything in the diagram will come to fruit (pun not intended).	2/20/2021 6:29 PM
100	No parking lot.	2/20/2021 6:23 PM
101	Please try and plant native oak trees as much as possible in the entire part, and restore native Alamedan plants where possible. We should also have some demonstration/education about how the Ohlone people survived in Alameda.	2/20/2021 6:13 PM
102	Where is this Grant money sourced from ? Who pays for it ? It is very easy to spend funds that come from thin air that you don't have to account for because it's other people's money ! I believe if it is to be finished the residents of Alameda should pay for it What has happened to fiscal responsibility? I oppose this project , And I live on Stewart ct , and look at this project area ! Why hasn't the railroad easement been resolved , the area is overgrown and is a fire hazard , unsightly and harbors pests	2/20/2021 6:12 PM
103	I love the development of this park and the continuous action to improve our town. Thank you for soliciting feedback from the community !	2/20/2021 6:00 PM
104	After driving into the new parking lot, it would be better if the lot turned more northerly and followed the curve of Atlantic so that it protrudes less into the usable space of the park. That would mitigate the visual and noise intrusion and pollution of the automobiles adjacent to the Cross-Alameda Trail.	2/20/2021 5:56 PM
105	Get rid of the parking and put the bike stunt path there.	2/20/2021 5:49 PM
106	N/A	2/20/2021 5:35 PM
107	I would like to see some area of the park (not in urban agriculture) that has a bike skills park. Much like the skate park on alameda point but for bikes. It would include obstacles to ride on and around to develop mountain bike riding skills	2/20/2021 5:15 PM
108	I would like it to be family oriented, not a hang out for degenerates or trouble makers. No more dog parks please.	2/20/2021 5:09 PM
109	I love the thought that has been put into this. Thank you for putting this together.	2/20/2021 4:59 PM
110	All the ideas are more than wonderful.It was my dream ever since I reside in Independence Plaza(10 years)mainly the garden.	2/20/2021 4:46 PM
111	absolutely opposed to the paved parking lot at this park. In my experience in Alameda, park goers in cars bring a ton of equipment for all day eating and drinking hangouts and then leave behind all kinds of debris. If you want this park to be an active park where people are moving about you do not want to welcome so many cars. Certainly some must drive but there could be another way to accommodate their needs perhaps with reserved parking? Need open space with plants for outdoor walking and rolling and biking. Rollerblading/skating/scootering pavement might be nice if there is a place for that.	2/20/2021 4:20 PM
112	We need an off-leash dog parkmop	2/20/2021 4:18 PM
113	What is the timing of the park's completion, timing of the lottery, support to caring for the new	2/20/2021 4:16 PM

Jean Sweeney Open Space Park Community Survey 2021

trees, finding a deserving and cooperative family to work with on a plot. Are you planning this to be insecticide free?

114	N:a	2/20/2021 4:11 PM
115	I love the plan. With our weather, it's a great location to learn more about how food is grown and the importance of keeping our island clean and pesticide free, so we're not poisoning our selves and our wildlife.	2/20/2021 4:09 PM
116	long overdue	2/20/2021 4:02 PM
117	I think the current parking lot will be too small to handle the additional space. It's hard to tell from the map of that parking lot is any bigger or not? It needs to be. Currently, it fills up with cars just for the one awesome playground. Also, a differently abled body park for kids would be really nice. That ALL kids could use.	2/20/2021 3:58 PM
118	Want to see entries into the park from the various streets like St Charles on the eastern side and at least one othe street mid way like Wood street	2/20/2021 3:08 PM
119	Don't make it hostile to people experiencing homelessness. Let people take shelter/sleep on benches if they need to.	2/20/2021 3:06 PM
120	I have none at this time.	2/20/2021 3:06 PM
121	Na	2/20/2021 3:05 PM
122	I live near Sweeney park and walk the park daily with my dog. I also bike through the park regularly, as does my son. Getting more access points to the park is important to us as the current traffic/lane changes due to co structure on Sherman is unpleasant and very unsafe. I advocate for more access points across the park on both sides, but especially on st Charles st to reduce Sherman st chaos for walkers/bikers. Thank you for all your hard work!!!	2/20/2021 3:02 PM
123	Please add something for older kids like a skate feature like at Lincoln Park. Or, rock climbing wall. Also a covered picnic shelter with a serving table like at Lincoln Park. Some shade feature above the outdoor classroom would be preferable	2/20/2021 3:01 PM
124	My daughter really likes the giant tree on the hill near where the parking lot would be, I got we can keep it and make a nice sitting area	2/20/2021 2:54 PM
125	Incorporating the food bank as part of the park pulls all the elements of the community together.	2/20/2021 2:36 PM
126	Thank you for including our amazing foodbank in these plans!	2/20/2021 2:09 PM
127	I think it would be really great to prioritize plots for people who don't have access to an outdoor area already i.e. I think giving plots to families who already have backyards doesn't make too much sense, so hopefully there's a way to prioritize apartment dwellers.	2/20/2021 1:38 PM
128	That seems like a lot of parking for a relatively small park, especially given the fairly large lot at the other end of the park	2/20/2021 1:30 PM
129	none	2/20/2021 1:21 PM
130	Really do not like any fences . What part of Open Space don't you get?	2/20/2021 1:15 PM
131	Great idea	2/20/2021 1:02 PM
132	Way too much parking! Cars make noise and pollute the air. Moreover, this is a BIKE/WALKING trail -- we should be doing everything in our power to encourage people to come to the park on foot, bike, public transit, etc. It's incredibly hypocritical and counterproductive to designate places in the park for community agriculture and to hold classes on sustainability and climate change but then encourage people to come to the park with their cars. Free and plentiful parking INDUCES more driving (see the work of Donald Shoup). I know it's not politically popular to decrease parking but in order to combat climate change we need to push back against the status quo. Please take actionable and concrete steps to reduce emissions, not just something performative like classes on climate change!	2/20/2021 12:53 PM
133	The park is wonderful and ARPD has done a fantastic job pulling this together so far. Would like to see more public art and a small amphitheater for outdoor performances	2/20/2021 12:33 PM
134	looks good	2/20/2021 12:25 PM

Jean Sweeney Open Space Park Community Survey 2021

135	This is a perfect opportunity to display simple gardening techniques to people of all ages and walks of life. It needs to have an inclusive vibe so that everyone feels like they have a stake in the park's health and future. So far so good with the eastern end / playground; let the western end stimulate, teach and inspire us all.	2/20/2021 12:22 PM
136	What are you going to do to keep homeless people from starting a camp? If they move in then the park idea is a waste of time if you cannot keep them from camping.	2/20/2021 11:54 AM
137	Looks good :) If anything, perhaps a tree wall to provide a mental barrier from the busy streets, and help keep the dirt and exhaust from cars off the food.	2/20/2021 11:54 AM
138	thank you for asking our opinions!!	2/20/2021 11:46 AM
139	Absolutly thrilled with the proposed plans and suggestions!	2/20/2021 11:40 AM
140	Urban farm next to orchard. Programs on food cultivation and animal husbandry	2/20/2021 11:36 AM
141	Alameda really needs off road biking trails. This was supposed to be part of this next phase of the plan. I strongly encourage adding trick/dirt bike area	2/20/2021 11:34 AM
142	I wish so much space wasn't used for parking. Why can't people park at the Research Park and/or use the alameda trail to access?	2/20/2021 11:18 AM
143	Why do urban people have such a hard-on for farming? Real farming isn't the romantic ideal you have in your mind. Come off it, and be more practical. Love, Person Who Grew Up on a Farm.	2/20/2021 11:16 AM
144	Could we add more tennis courts in future developments?	2/20/2021 10:36 AM
145	No parking please. Encourage people and build up connections to walk, bike, or use other mobility devices to get to the park.	2/20/2021 10:35 AM
146	Please include a dog park!	2/20/2021 10:35 AM
147	Given the side of the park, police on bicycles should be a frequent presence. Litter pick up by all visitors should be actively encouraged.	2/20/2021 10:27 AM
148	Love it. Maybe just include some seating. I can't tell if there are benches or tables anywhere.	2/20/2021 10:02 AM
149	We should reduce the amount of parking and provide more bike facilities	2/20/2021 9:55 AM
150	It really saddens me to see such a large surface parking lot in a place where the original master plan calls for a bike skills course. Anything which encourages automobile access over other modes will contribute to both climate change and traffic. Also, what happened to the southern entrances to the park?	2/20/2021 9:45 AM
151	Looking forward to seeing this get built - I've often had difficulty finding information on the expansion of the park online, and would love to know more about when it's expected, including the middle section, and if the community can help with funding to help speed up the development.	2/20/2021 9:44 AM
152	I love the idea of this park, but fear junkies and homeless moving in and ruining it for the Alameda community	2/20/2021 9:43 AM
153	N/a	2/20/2021 9:33 AM
154	Please ensure security. Have the APD do drivebys and walk-through to stay connected with the community.	2/20/2021 9:32 AM
155	Make clear that it is a community park and not a place for people to set up camp. There must be other municipal and county programs to combat homelessness and a community garden / orchard at an open park does not apply.	2/20/2021 9:31 AM
156	More bike infrastructure. ,.,/'	2/20/2021 9:28 AM
157	Love it!	2/20/2021 9:28 AM
158	If the gardens are well attended, it would be good addition to the park. If people don't take care of them, would not look good! And would be a waste of the nice park land!	2/20/2021 9:22 AM
159	There is no need for that parking lot. The existing lot is never full and most families walk or bicycle in. Use that land for one of these other projects	2/20/2021 9:15 AM

Jean Sweeney Open Space Park Community Survey 2021

160	A splash pad would be awesome... a designated homeless camping area is unfortunately necessary.	2/20/2021 9:14 AM
161	A place for residents to get compost for their gardens would be great. Separate bike and walking paths.	2/20/2021 9:11 AM
162	Please don't add more parking. Please don't take away the bike skills area for cars. Let the kids have a place to play on bikes like they currently do.	2/20/2021 9:11 AM
163	I have a dog and would like to see the infrastructure around the existing dog parks upgraded. I do not think this is an appropriate location for a dog park. Dogs and food and children should not be together.	2/20/2021 9:06 AM
164	NO MORE PARKING LOTS!! Use the parking space for the originally planned bicycle skills course.	2/20/2021 8:55 AM
165	It's going to be an amazing improvement to the area and a marvelous location to bring the community together for education and garden fun	2/20/2021 8:48 AM
166	More zip-lines! Any more natural climbing structures. The tree trunks, stumps and rocks at the east end of the park are fantastic! Think larger, like tree climbing, rock wall climbing, and hollow tree trunk crawling tubes.	2/20/2021 8:47 AM
167	No parking. Don't encourage more driving on the island.	2/20/2021 8:47 AM
168	None	2/20/2021 8:40 AM
169	How about a sustainable/solar, "tiny house" with a simple menu (coffee, smoothie, healthy snack) that can provide jobs to Alameda youth and raise funds/profits that go back into Sweeney Park?	2/20/2021 8:36 AM
170	Seems heavy on community garden space will be interesting to see if that works out	2/20/2021 8:35 AM
171	Thanks for allowing us to share our input	2/20/2021 8:32 AM
172	Have a 3 way stop at the entrance where it joins Atlantic Ave.	2/20/2021 8:31 AM
173	Love the trees and vining plants idea!!!	2/20/2021 8:30 AM
174	It looks wonderful!!	2/20/2021 2:21 AM
175	i love urban gardens. you may want to look at the urban garden movements in Detroit	2/19/2021 9:58 PM
176	We really need more community garden space. Please put in as many plots as possible of various sizes.	2/19/2021 8:59 PM
177	I can't think of anything else.	2/19/2021 7:54 PM
178	Tire swings, tether ball, cardboard on concrete slide, climbing wall, seesaws, plenty of solar power lights for safety, free chalk, big grass field for tag, catch, etc. no geese	2/19/2021 7:42 PM
179	love it. please contact my husband Mike Stewart. He has a lot of connections in the organic produce and farming community. 415-902-2220 His company Earls Organics already donates regularly to the Alameda Food Bank. Thanks!	2/19/2021 7:38 PM
180	A BMX park or skatepark would be great!	2/19/2021 7:32 PM
181	Would love to help yall! Many connections into how to do it organically!	2/19/2021 7:14 PM
182	Remove the entry to the park from 8th Street.	2/19/2021 5:30 PM
183	seems good.	2/19/2021 5:10 PM
184	water slides? :)	2/19/2021 4:55 PM
185	Too busy!!	2/19/2021 4:23 PM
186	Please be cognizant of neighbors who live directly adjacent to the park. Increased foot traffic and parking issues must be addressed in advance.	2/19/2021 4:20 PM
187	make sure there are enough shade trees and sitting benches for walkers, especially older users of the park	2/19/2021 4:11 PM

Jean Sweeney Open Space Park Community Survey 2021

188	Thank you for asking us	2/19/2021 4:01 PM
189	As someone who grows fruits and vegetables and helps teach others to grow food, I have heard time and time again about the desire for a community garden space where Alameda residents without any land to garden can go to grow food. Also, I think the more the city can model the benefits of planting fruit trees, the better for everyone in so many ways.	2/19/2021 4:01 PM
190	Beyond this area , past the proposed parking lot consider adding a dirt bike area for kids. Make it similar to Dirt World in Richmond.	2/19/2021 3:09 PM
191	if the grant is not successful, will the park not be developed?	2/19/2021 2:53 PM
192	It would be cool if there was a way in the demonstration area to have planters with artificial shade coming from different angles, but put the same plants in each: a way to demonstrate how shade and sun angle affect plants differently. Put in a hop trellis. It's tall, but should be small footprint. Partner with one of the Island's breweries (or homebrew club) and do a brewing class each hop harvest (September). Have brewery host small charity event serving the beer to benefit Food Bank. And/or have them package beer to sell as fundraiser. Either Almanac or Admiral Matings (or both) would be great partners for this.	2/19/2021 2:25 PM
193	I very much like that this is a play, walk and bike park versus being baseball/soccer focused. It engages the very young to the very old.	2/19/2021 1:55 PM
194	remove gate entrance from road way ; signage for pollinator and other plants	2/19/2021 1:52 PM
195	Class room should be geared toward children	2/19/2021 1:36 PM
196	meh	2/19/2021 1:23 PM
197	The playground at the east end was frequently very crowded prior to the pandemic. It would be nice to have another on the west end of the park as well. If this could be done in addition to the urban garden design, I think that would make a lot of families happy.	2/19/2021 1:18 PM
198	Planting grass/greenery and waterways/ponds would help make the environment more inviting & relaxing. Add more garden plots sectioned off by nearby neighborhoods whose ownership rotates. Build more community gardens (for each local vicinity) so all residents that sign up can participate. Participation dependent solely on a lottery for a few plots is too selective, exclusive, limited- the opposite of "community".	2/19/2021 1:13 PM
199	Take out 10 parking spots, put in dog enclosure. Cars can park on Atlantic. Rehab/Connect existing heritage trees. Keep tall perimeter trees along Atlantic.	2/19/2021 12:50 PM
200	In the future, it would be nice to add 9 hole disc golf course to Jean Sweeney park provided there are enough trees to make it an interesting course. Disc golf is a low cost activity accessible to all age groups.	2/19/2021 12:37 PM
201	I would flip the outdoor classroom with the beds to the north. You want southern facing growing conditions for vegetable and flower beds. Put the outdoor space on the north side near the Atlantic Avenue. The compost/soil site looks too small. I think you're going to need at least 3 to 4 big bins. You may want to reserve a space for excess mulch (take some, leave some). I feel like there should be a community bulletin board so people can leave announcements and/or messages for folks...	2/19/2021 12:36 PM
202	If you include a dog park, please keep it far away from the other areas.	2/19/2021 12:13 PM
203	Do NOT put the dog park in the unplanned space to the west of the community garden. Maybe that area can be a milkweed garden for to support monarch butterflies.	2/19/2021 12:06 PM
204	Instead of reserved, private plots of raised planters, make the whole area a community effort with open picking (like Alemany Farm in San Francisco)	2/19/2021 11:43 AM
205	none	2/19/2021 11:30 AM
206	Honey bee education center and population development with local honey production for funding more education to community.	2/19/2021 11:17 AM
207	I like it	2/19/2021 11:14 AM
208	Thanks	2/19/2021 11:11 AM
209	It would be fantastic to dot the cross alameda trail with Public Art	2/19/2021 10:38 AM

Jean Sweeney Open Space Park Community Survey 2021

210	None.	2/19/2021 10:33 AM
211	sounds great	2/19/2021 10:29 AM
212	We LOVE the big playground on the eastern end of the park, and would really like a dog park somewhere on the grounds as well so we can exercise both our child and our dog :)	2/19/2021 10:19 AM
213	Could a different location be found for the food bank idea? It seems like a positive and equitable concept to offer Food Bank Goods in a grocery store format. I would prefer if it did not compete for park or open space however.	2/19/2021 9:57 AM
214	I love that The park is free from cars. I am not excited about a parking lot connected to the park.	2/19/2021 9:50 AM
215	Good security needed in this end of city so as not to attract homelessness and violent crimes	2/19/2021 9:50 AM
216	Looks amazing!! This would add so much to our community!!!	2/19/2021 9:41 AM
217	Looking forward to seeing this implemented.	2/19/2021 9:05 AM
218	In the flexible unplanned space you could put a bandstand/amphitheater. And it could be used for fundraiser events for Food Bank, City events, and Webster Street fairs Fairs.	2/19/2021 8:58 AM
219	Strongly support urban agricultural use of this space.	2/19/2021 8:25 AM
220	The parking lot is way too big and takes up a ridiculous amount of the park. I recognize that people accessing the garden will have reason to need to drive but considering it's location on the best bike path in Alameda, I would hope most would bike. The presence of that lot overwhelms the park. There should be a drop off loop and limited parking only.	2/19/2021 8:20 AM
221	I love the meandering pathways in the demonstration gardens. More meandering pathways if possible. Parking is a key issue that is currently difficult on that end of Sweeney Park, especially if Food Bank expands.	2/19/2021 8:20 AM
222	Please consider input rather than just doing what you already want to do	2/19/2021 8:09 AM
223	I hope the tool library gets built. Every town should have one. I worked at the Oakland tool library for over 10 years & it was extremely busy. Over 100-200 people a day came in daily. It's a wonderful resource for people to use & fix up their homes. We didn't carry automotive tools. A classroom there would be awesome for teaching people to use tools & maybe use volunteers to teach the classes once in a while. It was really busy, (& understaffed) so we couldn't always explain how to use the tools there & would refer people to look on Youtube. Also a parking area where people can pull up fairly close the building to carry their tools. Some are quite heavy. Have to have an area to lock tools up every night or everything will get stolen. Also, tools are broken everyday & the staff will have to repair, sharpen, oil, etc, unless you have money to send them out for repair or buy new ones. What about using that old building on the edge of the park? It has a nice area to pull your car up to the building to pick up and drop off tools. Hope this helps.	2/19/2021 8:07 AM
224	I gave a play area priority because of young family community gardeners letting their children play nearby. (not necessarily a full service play ground with lots of equipment. Possibly a sandbox type digging area for the children.	2/19/2021 8:06 AM
225	I don't see where the cats will come from... are they driving down from the other south parking lot? Where do they come into the park?? Thanks, this is all very exciting!	2/19/2021 8:01 AM
226	parking for food bank?	2/19/2021 7:56 AM
227	This plan is fantastic! As a local teacher I'd love to bring my student to enviro educational programs in these outdoor classrooms. I hope city will support local school who want to create schoolyards with more naturalized features like the ones at JS. Thank you!	2/19/2021 7:54 AM
228	Please put in a bike park	2/19/2021 7:49 AM
229	It must have wild space for the other species who live on the island and were here before people took it over.	2/19/2021 7:35 AM
230	Wonderful project! Can't wait to see it start.	2/19/2021 7:34 AM
231	Improve night lighting	2/19/2021 7:26 AM

Jean Sweeney Open Space Park Community Survey 2021

232	Please don't put in a dog park. Fun a space away from these beautiful elements and children for people to exercise their dogs. It just seems unwise and there is plenty of other space on the island	2/19/2021 7:12 AM
233	I would like to see opportunities to volunteer in the construction and/or maintenance	2/19/2021 7:12 AM
234	None	2/19/2021 6:57 AM
235	Alameda needs more green space. Plant trees and plants. Walking trails	2/19/2021 6:33 AM
236	Create more shade cover and areas to rent picnics/bbq!	2/19/2021 6:19 AM
237	It would be nice to have a my more street lights in the park. Would there be people patrolling the park. Is there a curfew time to walk in the park. Safety is my main concern.	2/19/2021 3:28 AM
238	Please put trees south of the walking trails. On the eastern side, the trees were planted north of the walking trails, so the bike path gets all the shade and the poor, slow walking pedestrians have to be fully exposed to the sun. It's quite uncomfortable.	2/19/2021 3:14 AM
239	I don't like the idea of a lottery system to gain access. It should be equitable access for all. People should be able to sign up for viewings or outdoor classrooms instead of signing up for a lottery system for a permanent plot of land. That way, the whole community can benefit especially since it's being funded by everyone's tax dollars. Another idea is if we can do a beehive farm to create honey for purchasing, which gives back to the new farm while it holds educational classes.	2/19/2021 2:44 AM
240	Build 8 tennis courts in the name of Jean Sweeney Tennis Courts.	2/19/2021 1:31 AM
241	This could be a show case area devoted to food growth and sustenance with innovative ways developed right on site. It sounds so exciting that I'd love to volunteer. (Please no dog park).	2/19/2021 1:09 AM
242	Looks great.	2/19/2021 12:42 AM
243	N/a	2/19/2021 12:24 AM
244	It would be great to see some kind of dedication/recognition/inclusion of the Chochenyo community and farm workers.	2/18/2021 11:41 PM
245	Very nice. In Johann Hari's book Lost Connections, it talks about how some psychiatrists have started giving out lifestyle prescriptions to help people battle their mental illness. One such prescription was managing a gardening plot with a few other patients. And the patients noticed remarkable improvement in their mental health. Can we utilize this space in ways like this to help improve the collective mental health of our community?	2/18/2021 11:40 PM
246	Upon seeing the alert on my email, when I saw the words Jean Sweeney Park and Urban Agriculture together, I got very excited. It gave me a very good feeling about where I live.	2/18/2021 11:33 PM
247	Foe the kids playground area I'd love to see more natural elements of play. Rocks for climbing.	2/18/2021 11:28 PM
248	I think too much space is being dedicated for parking	2/18/2021 11:03 PM
249	Trees and shade	2/18/2021 11:03 PM
250	A splash park for kids should be added	2/18/2021 10:56 PM
251	Would be nice to put some picnic tables somewhere, though perhaps not all crammed together. Maybe even some BBQ pits.	2/18/2021 10:54 PM
252	Ok	2/18/2021 10:54 PM
253	Thanks. It's going to be wonderful!	2/18/2021 10:53 PM
254	Basketball court, tennis court, fitness center	2/18/2021 10:53 PM
255	would love public wifi to be considered for all ARPD parks	2/18/2021 10:53 PM
256	I love it	2/18/2021 10:18 PM
257	Parking should be disabled only. This is for the community and has good walking and bike access.	2/18/2021 10:03 PM
258	bike park and pump track. kids love biking on the dirt.	2/18/2021 10:01 PM

Jean Sweeney Open Space Park Community Survey 2021

259	Fantastic work. Thank you. Finalize the plan and arrange multiyear financing but don't try to do everything at once unless you have identified people to support each component. Investing in one activity, such as education, and ensuring it is successful will lay a foundation for additional successful initiatives. It must not flare brightly for a year (spend all the money) and wither away through lack of interest and support. Sometimes having an empty space with resources available inspires people to be creative and build something they 'own' or are invested in. Planning is good but spontaneous creativity is better. Perhaps identify a group that has an idea and give them what they need rather than try to predict what we all want? And please help with the performance space - it is desperately needed and will provide amusement and entertainment for years to come (and could be rented out for weddings, etc, if it is a really beautiful setting.	2/18/2021 9:45 PM
260	Keep up the great work	2/18/2021 9:37 PM
261	This looks very good to me.	2/18/2021 9:32 PM
262	Would prefer the Food Bank stay where it is and a fruit orchard go in the proposed food bank space	2/18/2021 9:30 PM
263	I love the rocks/logs that were included for the playground on the east end and hope there would be similar style for the west end.	2/18/2021 9:30 PM
264	Would be good if both community garden (in partnership with Food Bank) & dog park were possible within the space. Would provide a wider diversity of users of the space.	2/18/2021 9:29 PM
265	One thing we can gauge from the existing playground is that there is clearly a demand and a need for high quality playground. Expanding/increasing playground access is high priority.	2/18/2021 9:29 PM
266	I am aPTA garden chair at an elementary school in Alameda and have been wondering why alameda doesn't have a community garden. Thank you for making this a reality!!	2/18/2021 9:29 PM
267	I would want the outdoor classroom classes to be available for any children, even those whose families do not purchase a planter	2/18/2021 9:28 PM
268	Looks like a good allocation of space and use of a non-rectangular parcel.	2/18/2021 9:26 PM
269	Please include trees to shade the walking paths. It makes a huge difference! I do worry about people stealing fruits and vegetables from the community gardens - I might be interested in a small plot to grow tomatoes, but it would be heartbreaking to drive all that way (I live on the other side of Alameda) to tend them for months on end and then have them stolen.	2/18/2021 9:24 PM
270	I wish there didn't need to be an additional parking lot, but I suppose I understand why it's necessary.	2/18/2021 9:22 PM
271	Jean Sweeney envisioned this as an open space park. I don't see any space devoted to any "wild" space. I've never seen a rat and give credit to the feral cats. Capturing and neutering them and releasing them back would keep the vermin out, at least for a generation or two. They're enjoyable to watch as the adults scamper with their teenagers. Thank you.	2/18/2021 9:13 PM
272	Bank or no bank - whatever others vote, but please build a splash pad <3	2/18/2021 9:13 PM
273	Where is the parking?	2/18/2021 9:09 PM
274	Love the dog park idea!	2/18/2021 9:05 PM
275	Thanks for working on this!!	2/18/2021 9:05 PM
276	We can't wait!	2/18/2021 9:04 PM
277	I am looking forward to the park.	2/18/2021 9:03 PM
278	I may well be in the minority but any consideration to a sustainable water feature/fountain?	2/18/2021 9:03 PM
279	Alameda needs quiet, peaceful areas, with birds. I'd like to see plants and trees for birds, bees, bats. Places to enjoy and support nature. Dog parks shouldn't interfere with quiet space. Maybe, one corner?	2/18/2021 9:02 PM
280	It looks really nice! Please add a splash area type playground that uses the water to water the gardens and provides education on water conservation.	2/18/2021 8:59 PM
281	Free public classes	2/18/2021 8:56 PM

Jean Sweeney Open Space Park Community Survey 2021

282	Thank you for this wonderful work! It will be so great for our community. I know it's tough to do anything like this, much less when you have to get buy-in from so many people, so thank you again!	2/18/2021 8:46 PM
283	Na	2/18/2021 8:43 PM
284	Is AFB space big enough for what is being planned? Who is going to take care of the orchard trees and vines?	2/18/2021 8:34 PM
285	Definitely need more spaces for dogs based on how incredibly populated the current dog parks are	2/18/2021 8:33 PM
286	I don't love the community gardens I think they can be very exclusionary unless they are done on a rotational system. The one on eagle is not inclusive at all.	2/18/2021 8:24 PM
287	This is an excellent proposal that will benefit the Alameda community.	2/18/2021 8:21 PM
288	The garden is a great idea and so is the playground so kids can play while their parents garden. Please make sure the food bank is far away from the children though. I've had personal experience with people who are not emotionally stable scaring the kids when we have gone with me to make donations.	2/18/2021 8:21 PM
289	The space really isn't that large. Please don't jam it up with competing interests. Keep it open so people of all ages can enjoy some open space and the land. Please don't acquire the strip between the housing and the open space. It is used by wildlife. Tons of birds, turkey, rabbit. All activities should promote well being, connection with outdoors. More parking, dog park, food bank are not good fit.	2/18/2021 8:20 PM
290	excellent survey. I am interested in having this beautiful proposed park be a welcoming place for all who live in Alameda not just for the privileged. How to make that happen?	2/18/2021 8:14 PM
291	The path tends to get windy due to urban wind funneling and it gets hot during the warmer months. Trees may help to mitigate these problem. Please consider planting native drought tolerant trees.	2/18/2021 8:09 PM
292	Will there be an opportunity for people to volunteer in building part of the extension, i.e. building the raised beds, outdoor education pavilion, etc? I would love to pitch in (on weekends or a few hours a week on weekdays).	2/18/2021 8:08 PM
293	When al is said and done I hope there will be adequate staff to take care of the park...keeping it clean and safe.	2/18/2021 8:05 PM
294	This idea will not be successful unless properly supervised. Open areas with fruit to be picked by everyone is nearly impossible to implement.	2/18/2021 8:05 PM
295	It looks like the west end of the park will have less land than the original design. That's too bad. The original design was much better.	2/18/2021 8:01 PM
296	Less parking please	2/18/2021 8:00 PM
297	I like the idea of jean Sweeney park being OPEN space.....and everything should be done to keep that at the forefront of any design. The food bank is a very important part of Alameda and it's residents and should be included in the design. The food bank should also benefit from a portion of the garden and orchard as a way to include locally grown healthy choice options for it's recipients.	2/18/2021 7:59 PM
298	add a skateboard park, more swings, slides, monkey bars, climbing structures, more kid stuff. No city parks have enough play stuff for kids, they are always waiting for someone to get off. How about making a park that HAS ENOUGH ?? what a marvel idea. Be the first city to put kids first, not your lobbyist.	2/18/2021 7:59 PM
299	looks great!	2/18/2021 7:53 PM
300	Thank you! It's already great as is. 😊	2/18/2021 7:47 PM
301	Thank you for all of the wonderful work you're doing for our community! As parents of little ones, we appreciate the parks so very much and appreciate that the City of Alameda is looking out for those in the community that need assistance.	2/18/2021 7:43 PM
302	None. Improvise...	2/18/2021 7:38 PM

Jean Sweeney Open Space Park Community Survey 2021

303	Do not add more buildings. Open space, gardens, and pathways are great!	2/18/2021 7:37 PM
304	Please focus on needs of a diverse (identity and economic) community. Not a dog park. And remember that these surveys are skewed by who had access to them & sees City notices.	2/18/2021 7:36 PM
305	Keep playgrounds distanced from parking areas	2/18/2021 7:34 PM
306	This is so exciting! I think it would be good to make sure that lower income housing get first chances for community plots.	2/18/2021 7:33 PM
307	It looks wonderful. Thank you for the time and effort already and yet to be put into this endeavor.	2/18/2021 7:30 PM
308	I kind of like the peace and solitude of the current, undeveloped part with a walking trail through it. I hope that the future plan does not make it too crowded, or there is a noisy dog park to distract from the calm of getting off the sidewalk to take a walk.	2/18/2021 7:30 PM
309	Will there be space for small kiosks for snack and sundries?	2/18/2021 7:23 PM
310	Would love to see oak and redwood trees! or maybe an area with cherry trees friends and families can picnic under in the spring time.	2/18/2021 7:19 PM
311	fix the bike lanes and turn lanes...ppl are going to get run over bc of the badly designed turn lanes to no fault of drivers...or please change the timing of lights for turns (clearly indicate for TURNING only) vs lights for walking or biking or running	2/18/2021 7:04 PM
312	Build off of what is currently there. Why spend money tearing up only 2-year old paths or moving a play structure? In this economy, we need to be even more fiscally responsible. The park is no longer a blank slate.	2/18/2021 7:03 PM
313	I hope the play area is camouflaged with the surrounding area, and has a rustic, outdoorsy feel with large trees around it to provide shade. I hope the landscaping has a mix of coniferous and deciduous trees, fruit trees, shrubs, wild grasses. A little grove of Aptos blue redwoods would look nice. and deciduous trees with nice fall color, like ginkgo and Chinese pistache. I would avoid sycamores, which are prone to disease and have knobby, mottled bark and dry leaves.	2/18/2021 7:00 PM
314	Please make the area tree dense. More conifers like redwoods and pine trees.	2/18/2021 6:55 PM
315	It's important to keep it clean and to monitor it regularly. I have been very impressed with the way SF has handled the maintenance of Salesforce Park, which despite the name, is maintained by the city.	2/18/2021 6:54 PM
316	A	2/18/2021 6:52 PM
317	Please put in a pump track somewhere on the island! Any dirt track with some small jumps would be appreciated. Our older kids who've outgrown play structures could use some fun.	2/18/2021 6:49 PM
318	Na	2/18/2021 6:47 PM
319	A learning center or museum like crab cove would be nice.	2/18/2021 6:47 PM
320	More climbing structures for kids, please include shaded play structures for the summer/rain. Often playgrounds can be too sunny and hot to play on during the heat waves, shaded play scapes would be wonderful	2/18/2021 6:46 PM
321	Like the islands on bay farm that are being redone for the umpteenth time city has wasted more money and resources trying to keep it green when islands should be cemented over nice design and stop fooling around with different plants or vegetation that just wont work for sea-level growth.	2/18/2021 6:44 PM
322	Unsure	2/18/2021 6:43 PM
323	This is a great idea. It would be great to have species of trees, bushes and other plants supporting a full eco-system to restore natural habitat and wildlife.	2/18/2021 6:39 PM
324	I think it would also be wonderful to have an edible flowers display area, perhaps tied in to the seed library. There are many flowers that are not only beautiful and helpful to pollinators but also edible. Narcissus, borage, aster, cornflower... there are so many! Children especially have fun growing these.	2/18/2021 6:35 PM
325	It looks great -- I hope this happens!	2/18/2021 6:21 PM

Jean Sweeney Open Space Park Community Survey 2021

326	We already have a playground area & I don't feel we need another one in the same park, there must be some other useful/ educational option - perhaps a butterfly garden where children can learn about butterflies & help care for them?	2/18/2021 6:20 PM
327	we only need one outdoor classroom. It looks like there already is one on the right side. If so, I would use the space for picnic tables.	2/18/2021 6:18 PM
328	Note: The Alameda Food Bank (which I have donated to in the past) was not part of the original Sweeney Park plan.	2/18/2021 6:14 PM
329	Garden entry on the north side seems too close to the trees and fence that are there. Like to see a little more attention paid to the entrance off 8th street on the south side. More than just a dirt trail.	2/18/2021 6:11 PM
330	An outdoor classroom is not necessary, we need more dedicated space for kids playground. The existing playground is not big enough to accommodate locals and non locals.	2/18/2021 6:10 PM
331	Thank you!	2/18/2021 6:08 PM
332	I use the bike trail regularly and I'm stunned about how many people are walking on the bike path! Often with small children. I know there are signs and drawings of bikes but this continues. I worry that someone is going to get hit by a fast moving bike	2/18/2021 6:05 PM
333	Make use of the consisting advisory group to help with outreach. There is a lot of expertise in that group. Master Gardeners, ABG, etc	2/18/2021 5:59 PM
334	Spectacular - this is a treasure / gem of alameda. Please consider doing a fundraising effort for this park as well for those able to contribute.	2/18/2021 5:54 PM
335	More lighting, provide emergency alert systems, cctv, garbage cans provided for trash, recyclables	2/18/2021 5:51 PM
336	Space for outdoor music and dancing? Flower gardens?	2/18/2021 5:50 PM
337	More shade trees	2/18/2021 5:47 PM
338	Do we really need that much parking? Halve the total number of stalls while quadrupling the number of accessible parking stalls, in my opinion.	2/18/2021 5:40 PM
339	I think a community garden is exclusive and not for use for the community. I would much rather see the agriculture events for all or for the kids of the community.	2/18/2021 5:40 PM
340	There needs to be a parking area for the food bank.	2/18/2021 5:38 PM
341	I don't understand the red dotted lined space. It seems like the park should blend into that neighborhood and the houses and communities instead of being what looks like a dead space.	2/18/2021 5:32 PM
342	Skatepark for kids!!!	2/18/2021 5:31 PM
343	Too much parking. Please don't waste our limited park space on parking. See if you can strike a deal with the commercial/office properties behind the park to leverage their parking. Half their buildings are empty and there is so, so much concrete. Also, please work to introduce CA natives that support wildlife. See Calscape for inspiration. Narrow leafed milkweed, goldenrod, western redbud, sagebrush, etc.. They have a search function that will rank plants by their positive impact on wildlife. Our insects and birds need this and so will our bees if we're going to have all those trees to pollenate! :). In fact, you should consider a resident hive (perhaps on a roof).	2/18/2021 5:26 PM
344	No dog park please	2/18/2021 5:26 PM
345	It looks really exciting! If there is a way to incorporate informational plaques about the plants or pollinators, etc, for folks to interact with in passing, that could be a nice add.	2/18/2021 5:26 PM
346	It's a nice park. Thank you for all that you do. Walking trails with shade would make it very nice	2/18/2021 5:26 PM
347	Looks great	2/18/2021 5:24 PM
348	Would rather a forest than some DG paved area with garden boxes, want more trees and woods	2/18/2021 5:23 PM
349	No specific recommendations.	2/18/2021 5:22 PM

Jean Sweeney Open Space Park Community Survey 2021

350	random, meandering concrete paths look better on plans than they function in real life. Use wisely.	2/18/2021 5:22 PM
351	Looks beautiful	2/18/2021 5:21 PM
352	Consider having some walking paths where some shade would be provided.	2/18/2021 5:18 PM
353	Good luck! Can't wait to see what comes of the survey and the grant!!	2/18/2021 5:17 PM
354	Would my garden plot be open for anyone who chose to go into the garden? If not fenced for plot gardeners only, how do we keep others from picking our produce? Would these garden plots be in addition to the community plots at BayEagle?	2/18/2021 5:16 PM
355	None	2/18/2021 5:14 PM
356	Please make sure the play area is safe and well designed. The one at the other end of the park has a lot of hazardous surfaces	2/18/2021 5:14 PM
357	Na	2/18/2021 5:14 PM
358	Instead of dog park, how about place for chickens, bees, goats and rabbits. Teach cheese making, bee-keeping, etc.	2/18/2021 5:13 PM
359	keep the entrance off 8th	2/18/2021 5:12 PM
360	None.	2/18/2021 5:11 PM
361	Any room for a small pond like in Montclair Park? REDWOOD TREES	2/18/2021 5:10 PM
362	Once a month Berkeley gets compost delivered back from the compostables deposited in their green bins for use by their citizens. It would be great if Alameda could reach a similar arrangement and have at least a portion of it delivered to the community garden area.	2/18/2021 5:09 PM
363	Looks great. Do we really need that much parking? And can we identify other areas in the park that the gardens could expand to if there is lots of demand for plots? Would be nice to not have yet another public good with a years-long waiting list.	2/18/2021 5:04 PM
364	None	2/18/2021 5:04 PM
365	None	2/18/2021 5:02 PM
366	Include a skateboard park, or skateboard pump track.	2/18/2021 5:01 PM
367	Separate bike and walking paths as exists at Sweeney. Very well done. Plant shade trees like oaks that were here.	2/18/2021 5:01 PM
368	Picnic tables to have a group gathering	2/18/2021 5:00 PM
369	Love the plan.	2/18/2021 4:59 PM
370	This is the biggest park in Alameda and it should stay that way. First goes the food bank, then what an actual bank? Leave it a park please.	2/18/2021 4:52 PM
371	Urban forage and community garden space is so important. I think an ecotherapy / garden therapy space would be wonderful too (I'm a licensed therapist and would love to hold garden therapy groups for kids there)	2/18/2021 4:51 PM
372	Can't wait!	2/18/2021 4:50 PM
373	Please don't ruin a good thing.	2/18/2021 4:49 PM
374	Please incorporate bicycling activities if possible!	2/18/2021 4:49 PM
375	it would be great creating space for team sports - baseball, basketball, soccer	2/18/2021 4:48 PM
376	Please include more activities for seniors.	2/18/2021 4:48 PM
377	love the idea of unplanned space but I see no trees or shade structures that might be nice. Also a water feature for little ones to enjoy in the heat of the summer would be a much-needed addition to the island!	2/18/2021 4:47 PM
378	I love this and I hope you receive the grant!	2/18/2021 4:47 PM
