How would you rank these revised concept proposal goals? Staff added two new goals - "Safety" and "Minimize disruption to motorists" - based on community input from the on-line forum and the first community workshop in April 2015.

- Safety
 - Encourage bicycling
 - Encourage walking
 - Traffic calming
 - Minimize disruption to motorists
 - Improve the streetscape
 - Encourage transit use
 - Improve public access to the SF Bay
 - Revitalize West Alameda
 - Improve truck access
 - Other(s)? _____
