Let’s Get to School Safely!

Walk, Skate & Scoot Safely

BE ALERT Stop, look, and listen for cars (including from behind!) before crossing. Look left, right, left.

BE SMART Cross at street corners where drivers can see you.

BE VISIBLE Make eye contact with drivers before crossing the street.

BE SAFE Wear your helmet and safety gear while skating or using a scooter.

Bike Safely

BE SAFE Protect your brain; it’s the law. Fit your helmet snug and level on your head just above your eyebrows.

BE PREDICTABLE Follow all signs, signals, and rules of the road, just like a driver.

BE ALERT Look for drivers turning or exiting a driveway. Stop for people in crosswalks. Ride a safe distance from opening car doors.

BE CAUTIOUS Go slowly when riding on sidewalks and stop at all intersections. Consider walking your bike through crosswalks.

Drive Safely

SLOW DOWN in school zones. The safe speed may be less than 25 miles per hour.

BE AN EXAMPLE Follow instructions from safety patrols/crossing guards.

LOOK FOR CHILDREN walking, crossing, and bicycling on the street from all directions.

STOP FOR PEOPLE crossing in crosswalks, intersections, and in the middle of the street.

GO WITH THE FLOW Follow school dropoff and pick-up rules. Pull all the way to the curb rather than letting kids out in the street.

FOLLOW THE RULES OF THE ROAD Avoid mid-block u-turns, turning against “No Right on Red” signs, and stopping off along red curb zones.

RESPECT YOUR NEIGHBORHOOD Park in legal spaces and avoid double-parking or blocking driveways. Consider carpooling, walking, or biking to school.

AVOID texting, phone calls, and other distractions while driving, biking, or walking.

Get Involved

PLAN your travel route to school.

CREATE OR JOIN a “walking school bus” or “bike train”.
