## CITY OF ALAMEDA

*June 29, 2021*

### Due Date: August 13, 2021

## **I. Introduction**

The City of Alameda ("City"), California is seeking a consultant or a team of consultants ("Consultant Team") to prepare a Public Art Master Plan to guide the implementation of the City's public art program, in alignment with the vision and goals of the Alameda community and Public Art Commission ("PAC").

## **II. Background**

The City is a unique community of approximately 80,884 residents in the San Francisco Bay Area, with a vibrant and active local arts community. In 2003, the City adopted Alameda Municipal Code Section 30-65 Public Art in New Commercial, Industrial, Residential and Municipal Construction (the "Ordinance"). The Ordinance requires that major development projects include on-site public art, and also allows an applicant to pay a fee in lieu of providing the art on-site. Any in-lieu fees collected are deposited in the dedicated Public Art Fund (the "Fund"), which can then only be used by the City to provide or support public art.

Today the City is home to eleven on-site public art installations, with five more approved for installation. In addition, the City has awarded 5 grants for permanent art installations on both public and private property, 7 grants for cultural arts programming, and 16 public art small grants. All of the grant awards have been made since 2016, when several large development projects chose to make contributions to the Fund in-lieu of installing artwork on-site. Prior to 2016, most development projects opted to install on-site artwork.

The goal of the Public Art Master Plan is to provide vision and guidance for the City's growing public art collection and programming. It is intended to build on the 2012 report [Synergy: Public Art for Alameda](#), which provided an assessment of and recommendations for the City's public art program at the time.

Provider shall provide such other information and records as such representatives may require in order to verify compliance with the anti-discrimination provisions of this paragraph.
