Administrator**

Of The

CITY OF ALAMEDA

Issued: June 9, 2022

Due Date: ~~July 5, 2022~~

REVISED DUE DATE: July 19, 2022

I. Introduction

The City of Alameda (City) administers various residential rehabilitation programs including the Rental Rehabilitation Program, Housing Rehabilitation Program, Minor Home Repair Program, Substantial Rehabilitation Program, and Soft Story Structural Assessment Grant. The City is seeking qualified nonprofits to assist with administration of residential rehabilitation programs for a one-year contract with the possibility of up to two additional renewals of one-year year each. The City intends to award a service provider agreement to the consultant team selected (Consultant Team) substantially in form to the one shown in Exhibit A to the respondent deemed most qualified, based on the evaluation criteria contained in this RFP.

II. Background

The City's residential rehabilitation programs are funded by the Community Development Block Grant (CDBG) and are therefore required to adhere to all U.S. Department of Housing and Urban Development (HUD) requirements. Following is a brief description of the residential rehabilitation programs that are currently offered by the City and which may be administered by the consultant team selected.

Housing Rehabilitation Program: The Housing Rehabilitation Program helps low-income Alameda homeowners repair and improve their homes. Income limits are determined by HUD. Low-interest loans are available on a first-come, first-served basis, and can be used to correct substandard and/or health and safety conditions (including lead-based paint hazards), to extend energy conservation, or to repair or replace major systems in danger of failure.

Housing Safety Program: The Alameda Fire Department Housing Safety Program is a free program providing much needed services to low-to-moderate income residents over the age of 62 and persons with disabilities of any age. The Program installs 10-year tamper resistant smoke and carbon monoxide detectors as well as ADA grab bars and interior handrails. Free nightlights, flashlights and grab sticks are offered as well.

Minor Home Repair Program: The Minor Home Repair Program provides grants of up to \$2,000 for emergency repairs to health, safety and security items, or minor repairs of carpentry, plumbing, heating, and electrical items. This program is available to low-income Alameda homeowners on a first-come, first-served basis. Income limits are determined by HUD.

Rental Rehabilitation Program: The Rental Rehabilitation Program provides loans at 2% interest to residential rental property owners who rehabilitate rental property in Alameda. The majority (at least 51%) of the households in the structure must be low income, and the majority of the units must be two-bedrooms or larger with rents not in excess of payment standards.

Soft Story Structural Assessment Grant: The Soft Story Structural Assessment Grant for Rental Units Program provides financial assistance to residential rental property owners to assess their soft story structure without passing the costs through to tenants. At least 51% of the units in the building must be occupied by low- and moderate-income households within income limits. Grants of up to \$5,000 are available to offset engineering fees required to produce a report acceptable to the Building Department for review. Participation in this program also provides

eligibility for Rental Rehabilitation Loan Program funds to assist in the cost to retrofit the structure, subject to funding availability and eligibility criteria above.

Substantial Rehabilitation Program: The Substantial Rehabilitation Program provides below market-rate loans to Alameda property owners to create new affordable rental units in vacant or underutilized space in existing structures. Grants of up to \$15,000 for preliminary design services are available to help owners determine the feasibility of new unit development before proceeding with the rehabilitation project. In exchange for below market-rate loans, property owners commit to rent the new units to Housing Choice Voucher Program tenants for 15 years.

Program Development

While the City anticipates that it will continue to offer the programs that are described above, the Consultant Team will be asked to advise on the following as well:

- Evaluate additional program offerings tied to code compliance, accessory dwelling units and/or climate resiliency (e.g., flood mitigation, electrification, etc.)
- Make recommendations for additional program offerings
- Develop process for prioritizing applications when there are more applications than funds available
- Revise program guidelines and forms, as needed

c. Upon termination of this Agreement either for cause or for convenience, each party shall pay to the other party that portion of compensation specified in this Agreement that is earned and unpaid prior to the effective date of termination. Any suits brought pursuant to this Agreement shall be filed with the courts of the County of Alameda, State of California.

24. WAIVER:

A waiver by the City of any breach of any term, covenant, or condition contained herein shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, or condition contained herein, whether of the same or a different character.

25. INTEGRATED CONTRACT:

Subject to the language of Section 30, the Recitals and exhibits are a material part of this Agreement and are expressly incorporated herein.
