

Façade Grant Program

What is it?

The City of Alameda's Façade Grant Program provides 50/50 matching grants to business and property owners for the completion of façade improvements on buildings in the City.

Eligible Improvements

Eligible facade improvements include but are not limited to signage, awnings, paint and restoration/refurbishment of architectural elements such as transom windows, cornices, trim and other architectural details.

Guidelines Updates

The Façade Grant Program has a few new updates for Fiscal Year 2025-2026:

- The maximum grant amount is up to \$20,000. For example, to receive a \$20,000 grant, the total cost of the eligible changes must be at least \$40,000.
- Security improvements such as bollards, sliding metal gates, security lighting and security cameras, etc. are now eligible improvements
- There are no longer “levels” (Previously, grants were awarded based on levels)

How to Apply

Contact facadegrant@alamedaca.gov

or call (510) 747-6859 to determine your eligibility.

Apply Today!
