ALAMEDA WALKS

2024 Schedule

All walks begin at 9:00am and last approximately one hour. Where walks are longer, it will be noted and new walks are indicated. Look for the red Alameda Walks hats! While we love the furry pets, we prefer that they wait for you at home.

May 18: Classic Downtown Buildings & History Walk

Meet at City Hall, 2263 Santa Clara Ave by the front steps. This walk will explore the downtown classical buildings of Alameda. Buildings include City Hall, Library, Police Memorial, Trinity Lutheran Church, Alameda High School, and several more.

May 25: Bay Farm and Harbor Bay Isle Walk

Meet at Tillman Park, 220 Aughinbaugh Way. This walk will explore the difference between Bay Farm and Harbor Bay? We'll answer this question as we stroll along a lagoon that Utah Construction created, and the homes built on the "Uplands" as we return to Tillman Park along Mecartney Road. There's so much more to this story than these two developments. Join us and learn about missiles and oyster pirates, asparagus and farmers, Italians and Portuguese. Dennis Evanosky will lead this walk. Note: Walk lasts 1 hour 15 minutes

June 22: East End of Alameda & Lincoln Park Walk

Meet at Lincoln Park, 1450 High Street, inside High Street entrance way. This walk will explore the park history, three families once called this space home. R. R. Thompson, Alameda's Water King and namesake of Thompson Avenue (Christmas Tree Lane, if you please), was the last to build his spacious home here. He had the fence along High Street built in 1879. It stands today as City Monument No 15. We'll stroll along High Street and Liberty Avenue, where we'll enjoy an open-air museum featuring nothing but Craftsman-style homes. Dennis Evanosky will lead this walk. Note: walk lasts 1 hour 15 minutes

July 6: Shoreline and Doolittle Pond Nature Walk

Meet at Park Street and Shoreline Dr across from Bowlero. We will observe wildlife and beautiful views as we discuss the rich histories of Alameda's shoreline, Mount Trashmore, and Doolittle Pond at MLK Jr. Regional Shoreline. This walk will be led by East Bay Regional District Naturalist, Michael Charnofsky. Note: walk is 3.5 miles and lasts approx. 2.25 hours

July 27: Alameda North Shore Walk

Meet at Marina Cove Park, 1591 Clement Ave in parking lot. This walk along this newly minted portion of Clement Avenue will bring us to a neighborhood with modern homes and out to the Del Monte Warehouse that developers have transformed into contemporary housing, We'll enjoy a look at some 19th-century Marcuse & Rimmel creations on our way back to Marina Cove. Dennis Evanosky will lead this walk. Note: Walk lasts 1 hour 15 minutes.

August 17: Encinal Beach & Boat Ramp, USS Hornet and Seaplane Lagoon Nature Walk

Meet at Encinal Boat Ramp, 150 Central Ave, next to Bath House. This nature walk will explore the Encinal Beach, past the best viewing spot of Harbor Seals in the San Francisco Bay! We'll stroll along the shoreline, passing the Hornet and the new Ferry Point overlook to Seaplane Lagoon Promenade and back, about 2 ½ miles total on flat trails. Bring binoculars if you have them, we will have a limited supply available to borrow. This walk will be led by East Bay Regional District Naturalist, Susan Ramos. Walk lasts 1 hour and 45 minutes.

August 24: Gold Coast Neighborhood Walk - REVISITED

Meet at Franklin Park, 1432 San Antonio Ave in the front area along San Antonio Ave. This walk will explore and learn about how Franklin Park evolved from a private retreat to today's recreation park. Explore the Victorian Era at its finest: Italianate, Queen Anne, and Colonial Revival-style homes all vie for our attention. A walk along San Antonio Avenue will bring us to the Tilden family's "Wedding Cake House." Listen carefully and you may hear echoes of the oversized 19th-century electric streetcar rumbling by us on the way to Webster Street. Dennis Evanosky will lead this walk. Note: walk lasts 1 hour 15 minutes

AQUATIC CLASSES

Summer Swim Lessons

2024 Aquatics will only be at the Encinal Swim Center

All Summer Swim Lessons will Register on April 20th starting at 8 am online or in person at the Spring Shindig.

Please plan accordingly, as space will be limited. Due to limited amounts of lessons, please sign up for lessons that you are committed to as last-minute refunds for cancellations will not be allowed. Please sign up your child for the correct level as there won't be space to add them to a new class after it has started.

IMPORTANT NOTE: ARPD Aquatics have scheduled Aqua Days for the 2 weekends before summer registration, see page 8. This will insure that you can register your child at the correct level when you sign up. In addition, you will also be able to get aquatic questions answered and your child will be tested to determine their accurate swim level. During the final Aquatic Days (See flyer), families may register and/or change classes if their swim level needs to be changed, the final dates are June 1st & 2nd. Changes for lessons and levels will be very limited this summer due to pool availability. Please see the flow chart when signing up for aquatic 2024 swim lessons. We appreciate your patience as we enter into a new phase for the ARPD Aquatics Department.

TENNIS LESSONS

The lesson is approximately 50 minutes of instruction and practice, with the remaining clean-up time. Within that time, we will demonstrate the proper footwork and techniques to help make playing easier, more efficient, and more enjoyable.

Younger players (under ten years old) are best suited for 30-minute lessons, approximately 20 minutes of instruction and practice, with the remaining time for cleanup.

If a child or teen, we encourage a parent or guardian to stay for at least the first lesson while we evaluate attitude and willingness to follow instructions.

Rude, disrespectful, or dangerous behavior will not be tolerated and immediately dismissed without a refund.

*Any no-shows or late cancellations incur a full charge for that lesson.

FALL TINY TOT PROGRAM

Ages 3 - 5

Register online, email or by mail

The Alameda Recreation and Parks Preschool offers a recreation based program for children ages 3 to 5 years old (pre-Kindergartners entering Kindergarten the following fall). ARPD follows the Four Basic building blocks of school readiness pyramid as designed by First 5 of California which includes the following: Self-Care & Motor Skills, Self-Regulation, Social Expression and finally Academics. Our activities include storytelling, games, arts and crafts, cooking, music, motor fitness, and the development of gross and fine motor skills which will all aid in the development of the lower tiers of the pyramid as well as to prepare for Kindergarten readiness. Special theme days and activities are also included in the curriculum to help children grow and develop healthy minds and bodies. All children need to be potty-trained by the first day of class. ARPD is a viable choice for families in Alameda including those families who have chosen to home school their children. Participation in this program will help develop strong social skills and expressions.

REQUIRED:

- Children must be the correct age on the first day of class
- Children must be completely potty-trained and able to attend to their own personal needs to the best of their ability.
- Children must also be able to separate from their parents, and parents from child.
- Your child will need to bring a water bottle to class. **NO LARGE BACKPACKS!**
