

# 2026 WINTER TOTS

Help your child develop the skills he/she will need in TK and Kindergarten. We offer a play-based recreational program for children ages 3 to 5 years old. We follow the 4 basic building blocks of school readiness: Self-Care & Motor Skills, Self Regulation & Social Expression and finally, K-Academics.

Children learn by doing. So we offer a wide variety of activities from arts and crafts, storytelling, games, cooking, music, motor fitness, outside play and more. Always plan on having fun and sometimes being a little messy.
