# HAPPY 4TH OF JULY, EVERYONE!

THE CITY OF ALAMEDA: WHERE EVERYONE BELONGS!

As Alameda's Mayor for the past eight years, it has been my honor to lead such a dynamic, diverse, and welcoming city. Every year, at our 4th of July Parade, Alameda's unofficial slogan, "Where Everyone Belongs" is reflected in the wide & wonderful variety of parade participants.

This year, as we celebrate our Nation's founding 250 years ago, with the adoption of the Declaration of Independence on July 4, 1776, we are delighted to welcome our Honorary Grand Marshal, U.S. Congresswoman Lateefah Simon who proudly and vigorously represents the City of Alameda, as well as the cities of Albany, Berkeley, Emeryville, Oakland, Piedmont, and San Leandro in the 12th Congressional District.

Following Congresswoman Simon are our Grand Marshals, Fire Chief Nick Luby and the men and women of the Alameda Fire Department, who are celebrating 150 years of dedicated service. Since its founding in 1876, AFD has protected and saved countless lives and property in Alameda, through fire suppression and medical and emergency response.

Today's parade lineup includes lively bands, creative floats, adorable children, energetic dance troupes, skilled equestrians, dedicated community groups, hard-working elected officials — federal, state, regional, and local — and more. Be sure to wave to me as I ride by on an electric bike, for the last time as Mayor of Alameda!

As we enjoy this year's 4th of July parade and celebrations, let's reflect on the democratic principles this country was founded on 250 years ago, and 250 years of the ongoing "American Experiment" to form a more perfect union.

**Happy Birthday, USA!**

# ALAMEDA FIRE DEPARTMENT

MAYOR MARILYN EZZY ASHCRAFT SELECTED THE ALAMEDA FIRE DEPARTMENT AS GRAND MARSHAL OF ALAMEDA'S 2026 4TH OF JULY PARADE!

This year's honor comes as the Alameda Fire Department celebrates its 150th Anniversary of service to the community.

Since its founding in 1876, the department has remained committed to protecting the lives, property, and well-being of Alameda residents through emergency response, fire prevention, disaster preparedness, public education, and emergency medical services.

Over the past century and a half, generations of Alameda firefighters have answered the call during emergencies large and small, while building a tradition of service, innovation, and community partnership. Today, the department continues to evolve

to meet the needs of the community through programs such as the CARE Team, along with a strong focus on community risk reduction and community engagement.

"We are incredibly honored to serve as the Grand Marshal of Alameda's 2026 Fourth of July Parade," said Fire Chief Nick Luby. "As we celebrate 150 years of service, this recognition belongs to every member of the Alameda Fire Department, current and past, as well as the community that has supported us throughout our history. We are proud

to be part of Alameda's story and look forward to celebrating this milestone with the community we are privileged to serve."

This recognition provides an opportunity to celebrate not only the department's rich history but also the dedicated men and women who continue to serve Alameda each day with professionalism, compassion, and pride.
