City of Alameda, California

November 9, 2026

TO: PROSPECTIVE PROPOSERS

ON-CALL RESIDENTIAL ELECTRICAL SERVICES
REQUEST FOR PROPOSALS
ADDENDUM NO. 2

Addendum No. 2 is hereby issued to make the following revisions to the request for proposals.

I. QUESTIONS AND CITY RESPONSES

Q1 Does a C-10 license satisfy the contractor licensing requirement for this scope?

A1 C-10 state license is sufficient for the residential electrical work anticipated under this scope of work.

Q2 Beyond the requirements listed in the RFP, are there any additional licenses, certifications or special qualifications needed to be eligible?

A2. See A1. All other requirements are stated in the RFP

Q3 Could you also confirm that the November 9, 2026 proposal deadline of 1:59 p.m. is Pacific Time?

A.3 The updated deadline is 1:59 PM Pacific Standard Time on Thursday, November 12, 2026.

Q4. Which prevailing wage schedule should I use to price the work? Please send the applicable electrician wage sheet, including benefits and overtime.

A4. The Department of Industrial Relations (DIR) wage determinations for Alameda County Residential Electrician can be found at https://www.dir.ca.gov/OPRL/Residential/alameda.pdf.
As of November 9, 2026, the rates for Residential Electrician start on the 3rd page of the linked PDF, and must be adjusted to include a $4.95 increase to be allocated to wages and/or employer payments.
