TREE REMOVAL NOTICE

Date Posted: May 18, 2021

Address: 2133 Tynan Avenue

The Public Works Department has scheduled the removal of this publicly owned tree after May 20, 2021.

This tree is being removed for the following reason: The tree is directly over a sewer main, the roots are lifting the pipe that creates sewer surcharging and threat of SSO (sewer backups).

This tree will **NOT** be replaced.

A copy of the Arborist Report and Tree Removal Policy (Street Tree Master Plan, Volume 2) are on file at the Public Works Department, City Hall West, 950 W. Mall Square, Room 110, Alameda, for review.

They are also available online at <https://alamedaca.gov/go-green/street-trees>
