REQUEST FOR PROPOSALS
5-Year On-Call Electrical Maintenance

I. INTRODUCTION AND BACKGROUND

The City of Alameda invites proposals for the ***5-Year On-Call Electrical Maintenance***. The intent is to efficiently and safely address electrical maintenance issues to ensure operational readiness at all times, and maintain compliance with manufacturer's recommendations, and all applicable regulatory codes. The City intends to issue one five-year contract for these services, to be used as the need arises.

Proposers shall read the information contained in this Request for Proposal (RFP) to understand how to submit the proposal, what documents must accompany the proposal and what legal obligations apply when the Proposer submits a proposal. Any Proposer that wishes to be considered for this work must submit the information requested in this RFP and if invited, participate in an evaluation interview panel.

II. SCOPE OF SERVICES

The City of Alameda is a charter city with a population of over 75,000 people, located in the San Francisco Bay Area. The City is mature and almost completely built out. Most of the maintenance and capital improvement program (CIP) consists of reconstruction of buildings, streets, parks, sewer, storm drainage, and shoreline improvements. The City has limited internal resources for electrical maintenance requests.

The City of Alameda Public Works Department maintains approximately 76 City Owned Facilities, including City Hall and City Hall West, Alameda Free Library buildings, Recreation and Parks Buildings, Police and Fire. The Public Works Department, Facilities Management team is seeking a bidder to provide on-call electrical maintenance services, including but not limited to the following in support of the daily operations and safety of these buildings.

Attached as Appendix A is the Scope of Services listing major work tasks that may be requested. The City's usage of the vendor's services are on an as-needed basis so that if the demand is not there, then the services will not be requested. For each on-call service request, the vendor and the City will agree upon the specific scope of work and cost for that project. The City has the right to retain other consulting firms at its sole discretion when the City believes there will be an economic or other significant advantage for doing so. Services for each contract will be provided on a negotiated fee basis, per work order. No minimum amount of work is guaranteed under these agreements. Compensation will be based on time and materials with a not-to-exceed limit agreed upon by both Vendor and City before work begins.

III. PROPOSER QUALIFICATIONS

A. Bidder must be regularly and continuously engaged in the business of providing Electrical Maintenance for at least five (5) years, which must be clearly stated or demonstrated in the bid response.

B. Bidder must also possess all permits, licenses, and professional credentials necessary to supply products and perform services specified under this RFP. Unless noted otherwise in the RFP, including any Addendum, Bidder is not required to submit copies or verification of the permits, licenses and credentials; however, Bidder must provide such proof if requested by the City.

IV. PROPOSAL REQUIREMENTS

The Proposer shall include in its proposal the information outlined below in a manner which demonstrates the Proposer's competence and qualifications for the satisfactory performance of the services identified in this RFP.

1. Statement of Qualifications

The Proposer shall prepare a statement of qualifications which identifies:

- a) The size, stability, and capacity of Proposer's organization, including, at a minimum, an identification of total number of years in operation, number of employees in the office location which is intended to provide the services described in the Scope of Services, and a description of Proposers' shop and storage facilities intended to support the City.
- b) An identification of the Proposer's experience performing services for projects of a similar size, scope, and complexity as the services required by this RFP, including an identification of the number of years' Proposer has been performing similar services; and the most recent projects for which the Proposer has performed similar services. The list of recent projects shall include the name, contact person, address, and phone number of each party for whom the service was provided, as well as a description of the service performed, the dollar amount of the contract, and the date of performance.
- c) A list of the Proposer's principals, employees and agents which the Proposer intends to assign to this project. This list shall include a summary of the qualifications (including education, training, certifications licenses, and experience) of each individual; the approximate number of hours each will devote to the contract; and the type of work to be performed by each individual.
- d) The following information on all state or federal litigation in which Proposer or any proposed subcontractor was a named party, or worked under contract with a party named in a lawsuit:
 1. Case name and case number

2. Case location (including county and state for state litigation, or district for federal litigation)
3. Year case was filed
4. Whether case is pending or resolved, and outcome (if any)
5. Description of the case (i.e., type of case, whether case is typical, what claims were alleged against Bidder or subcontractor)

2. **Statement of Exceptions, if any, to Standard Service Provider Agreement.**

The selected firm will be required to execute the Service Provide Agreement included in template form as **Appendix B**. All proposers are directed particularly at reviewing all Indemnification, Hold Harmless and Insurance requirements set forth in this Agreement. If Proposer wishes to take exception to any of the terms and conditions contained in the Agreement for Service, these should be identified specifically; otherwise include a statement of no exception, labeled as Exhibit B in the submitted proposal. Failure to identify contractual issues of dispute can later be the basis for the City disqualifying a proposer. Any exceptions to terms, conditions, or other requirements must be clearly stated.

3. **Project Pricing**

Prepare an hourly rate sheet or cost schedule for all possible work unit pricing. Define each unit of service and list any exclusions for each work type. Be sure to include a unit cost for each activity presented in the Work Plan. Unit costs shall include all incidental costs including travel, equipment, documentation, etc.

V. PROPOSAL FORMAT

The Proposal shall be submitted in electronic format (PDF) to the City of Alameda's Public Works general mailbox at pw@alamedaca.gov by 2 p.m. on October 21, 2025. It is the Proposer's responsibility to clearly identify the RFP name in the email subject line "RFP for 5 Year On-Call Electrical Maintenance". It is also the Proposer's responsibility to acknowledge and respond to the automated response message from the City of Alameda so that the email is released from the City's spam account. The City shall not be held liable for negligence on the Proposer's part to confirm acknowledgement or failure to respond to the automated message. The time and date on the email, as received in the City's general mailbox, will serve as the official received date and time stamp. Please allow sufficient time to submit and acknowledge the submittal of your proposal. RFP's with a time stamp after 2 p.m. will not be accepted. Any Proposal received prior to 2 p.m. on October 21, 2025 may be modified by written addendum or withdrawn by written request from the Proposer to the City up to the official time when all proposals are due. Section VI contains a complete list of proposal requirements.

VI. SELECTION PROCESS

After review of the submitted proposals, the City may invite some or all proposers to present their qualifications and proposed approach or may decide to select one proposer without conducting interviews and enter contract negotiations directly. Proposer interviews, if necessary, are anticipated to be conducted according to the schedule provided in Section VIII. Details of the interview process will be provided along with the invitation to present.

The final selection will be based upon the following criteria:

1. Ability of the Proposer to Carry Out and Manage the Proposed Project – 25%

An assessment of the statement of qualifications, including past experience of the organization in general. Qualities and indicators that will receive consideration include the number and types of projects the organization or its employees have completed; the variety of projects completed and a demonstration of the organization's ability to undertake this project; and the demonstrated ability to work with governmental bodies and a full understanding of applicable laws or regulations that relate to the project.

2. Qualifications – 25%

The qualifications (including education, training, licenses, experience, and past performance) of the Proposer and its agents, employees, and sub-service providers. The City may consider Proposer's timely and accurate performance on contracts of a similar nature.

3. Willingness to Comply with the Proposed Agreement Terms – 25%

A sample agreement is attached. Proposals will be rated based on the exceptions taken to the proposed contract.

4. Cost of Proposal – 25%

Cost, while not determinative, will be considered in the selection process.

5. Local Business

The application of this criteria shall include an assessment of the geographic proximity to the project; the location of the office from which the proposed project will be administered; the perceived response time and general availability of the proposer's management to be on site; the perceived effect that project management location will have on price and the ability of the project to be expedited on a timely basis; and the availability of special travel or communication plans which would effectively mitigate difficulties associated with location. Firms located in the City of Alameda, or who have a team member who lives in Alameda, may be given local preference.

Such insurance is not additional to or contributing with any other insurance carried by or for the benefit of the City.

c. SUBROGATION WAIVER:

Provider hereby agrees to waive rights of subrogation that any insurer of Provider may acquire from Provider by virtue of the payment of any loss. Provider agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies

The City, its City Council, boards, commissions, officials, employees, agents, and volunteers shall be named as additional insured(s) under all insurance coverages, except workers' compensation and professional liability insurance. f. SUFFICIENCY OF INSURANCE:

The insurance limits required by the City are not represented as being sufficient to protect Provider. Provider is advised to consult Provider's insurance broker to determine adequate coverage for Provider. No insurance policies maintained by the indemnified parties or Additional Insureds, whether primary or excess, and which also apply to a loss covered hereunder, shall be called upon to contribute to a loss until all the primary and excess liability policies carried by or available to the Provider are exhausted. **If a Provider is using an Excess Liability policy to supplement any insurance coverage required by this Agreement, they must submit the Excess Liability policy in full.**

11. CONFLICT OF INTEREST:

Provider warrants that it is not a conflict of interest for Provider to perform the services required by this Agreement. Provider may be required to fill out a conflict of interest form if the services provided under this Agreement require Provider to make certain governmental decisions or serve in a staff capacity as defined in Title 2, Division 6, Section 18700 of the California Code of Regulations.

12. PROHIBITION AGAINST TRANSFERS:

a. Provider shall not assign, sublease, hypothecate, or transfer this Agreement, or any interest therein, directly or indirectly, by operation of law or otherwise, without prior written consent of the City Manager. Provider shall submit a written request for consent to transfer to the City Manager at least thirty (30) days in advance of the desired transfer. The City Manager or their designee may consent or reject such request in their sole and absolute discretion. Any attempt to do so without said consent shall be null and void, and any assignee, sublessee, hypothecate or transferee shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer. However, claims for money against the City under this Agreement may be assigned by Provider to a bank, trust company or other financial institution without prior written consent.

b. The sale, assignment, transfer or other disposition of any of the issued and outstanding capital stock, membership interest, partnership interest, or the equivalent, which shall result in changing the control of Provider, shall be construed as an assignment of this Agreement. Control means fifty percent or more of the voting power of Provider.

13. APPROVAL OF SUB-PROVIDERS:

a. Only those persons and/or businesses whose names and resumés are attached to this Agreement shall be used in the performance of this Agreement. However, if after the start of this Agreement, Provider wishes to use sub-providers, at no additional costs to the City, then Provider shall submit a written request for consent to add sub-providers including the names of the sub-providers and the reasons for the request to the City Manager at least five (5) days in advance. The City Manager may consent or reject such requests in their sole and absolute discretion.

b. Each sub-provider shall be required to furnish proof of workers' compensation insurance and shall also be required to carry general, automobile and professional liability insurance (as applicable) in reasonable conformity to the insurance carried by Provider.

c. In addition, any tasks or services performed by sub-providers shall be subject to each provision of this Agreement. Provider shall include the following language in their agreement with any sub-provider: "Sub-providers hired by Provider

agree to be bound to Provider and the City in the same manner and to the same extent as Provider is bound to the City.”

d. The requirements in this Section 13 shall not apply to persons who are merely providing materials, supplies, data or information that Provider then analyzes and incorporates into its work product.

14. PERMITS AND LICENSES:

Provider, at its sole expense, shall obtain and maintain during the term of this Agreement, all appropriate permits, certificates and licenses, including a City business license that may be required in connection with the performance of the services and tasks hereunder.

15. REPORTS:
