

City of Alameda, California

February 18, 2025

TO: PROSPECTIVE BIDDERS

UNARMED SECURITY SERVICES AT FERRY TERMINAL LOTS ADDENDUM NO. 1

Addendum No. 1 is hereby issued to make the following revisions and provide clarification to the issued Request for Proposal:

1. Make the following revision to Appendix A. Scope of Services

1. Minimum Qualifications of Guards.

- a. pass a background investigation conducted by either the City of Alameda Police Department or Proposer to determine if they possess a valid driver's license, possess valid automobile liability insurance and are free from any wants, warrants or felony convictions. If conducted by Proposer, results of the background investigation must be provided to the City;
- e. have passed a physical examination within six (6) months prior to their assignment with the City, and must be in good physical condition, which enables them to perform the full range of security work. Guards must be fully capable of performing work requiring moderate to arduous physical exertion under normal and emergency conditions. Guards shall possess distance vision in each eye corrected to 20/30 on the Snellen Chart. They shall have normal fields of vision, good depth perception, ~~close vision correctable to Jaeger #4 type test of both eyes,~~ and the ability to distinguish basic colors;

~~**11. Overtime.** The City may, with prior notification to the contractor, request additional services that could result in overtime hours. Contractor may not charge overtime due to Contractor related staffing shortages.~~
