

Arborist Report
1030 Marina Village (P39)

Date: September 30, 2025

Prepared by: Erin Smith, Public Works Director
950 West Mall Square, Room 110
Alameda, CA 94501

Subject: 1030 Marina Village Parkway (P39)

Species: Alnus rhombifolia – White Alder

Recommendation: Removal - This tree was determined for removal per the [City's Tree Removal Policy](#). Section D- All Other Tree Removals. Any resident or property owner can protest this determination in writing: October 1, 2025- October 22, 2025. Protest procedures are in Section E of the [City's Tree Removal Policy](#).

Summary:

The subject tree is in decline with 80% of canopy without foliage at this time. While there is currently no risk to the public, the tree will not recover and will eventually die as no treatment is available for vascular disease. Therefore, it is recommended that the tree be removed at this time.

Photo:

Arborist Determination: Tree is declining and should be removed. Tree is declining from vascular disease which there is no control treatment.
