

Arborist Report
70 Justin Circle

Date: March 5, 2026

Prepared by: Erin Smith, Public Works Director
950 West Mall Square, Room 110
Alameda, CA 94501

Subject: 70 Justin Circle

Species: Platanus x hispanica – London Plane Tree

Recommendation: Removal - This tree was determined for removal per the [City's Tree Removal Policy](#). Section D- All Other Tree Removals. Any resident or property owner can protest this determination in writing: March 9, 2026 – March 30, 2026. Protest procedures are in Section E of the [City's Tree Removal Policy](#).

Summary:

The tree at 70 Justin Circle has an extensive fungal infection along the length of the tree trunk as well as a significant crack within the root structure. There are no practical or reasonable options to resolve these issues, including no treatment for the fungal infection, and eventually the fungal infection and will kill the tree.

Photo:

Arborist Determination: This tree has a fungal infection that cannot be resolved which will ultimately result in death of the tree. It is recommended to remove the tree.
