Date: October 6, 2026

Prepared by: Erin Smith, Public Works Director
950 West Mall Square, Room 110
Alameda, CA 94501

Subject: 3322 Constance Circle F-1

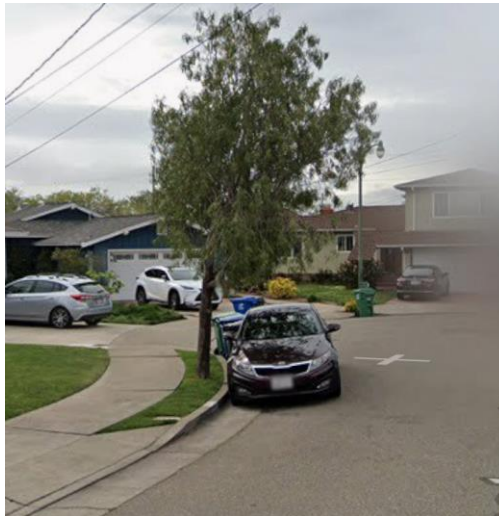

Species: Geijera Parviflora – Australian Willow

Recommendation: Removal – This tree was determined for removal per the City's [Tree removal policy](#). Section D-All Other Tree Removals. Any resident or property owner can protest this determination in writing: October 7, 2026- October 28, 2026. Protest procedures are in Section E of the City's [Tree Removal Policy](#).

Summary:

This tree at 3322 Constance Circle F-1 is causing a public infrastructure conflict. The growth of the tree and the incline of the trunk over the roadway does not provide the required 14 foot minimum street clearance. A certified arborist has assessed the tree and determined that there are no practical and reasonable options to correct the trunk incline, therefore removal is recommended. Removal of the tree will restore the required clearance minimums in the right-of-way.
