Arborist Report
3260 Liberty Avenue

Date: November 2, 2026

Prepared by: Erin Smith, Public Works Director
950 West Mall Square, Room 110
Alameda, CA 94501

Subject: 3260 Liberty Avenue

Species: Metrosideros excelsa – New Zealand Christmas Tree

Recommendation: Removal - This tree was determined for removal per the City's Tree Removal Policy. Section D- All Other Tree Removals. Any resident or property owner can protest this determination in writing: November 2, 2026 – November 23, 2026. Protest procedures are in Section E of the City's Tree Removal Policy.

Summary: The tree at 3260 Liberty Avenue is creating a street clearance conflict and is in decline. Due to root failure, the tree is leaning into the street with less than four feet of clearance. There are no practical or reasonable options to mitigate the lean or the decline which will ultimately cause the tree to fail therefore removal is recommended.
