

City of Alameda  
**Commercial Streets Community Survey**

July 2021

**Total Respondents = 1759**

*Note: for most questions, multiple responses were allowed, so total responses will be greater than 1759.*

1. What are your opinions about the WEBSTER STREET restriping project?

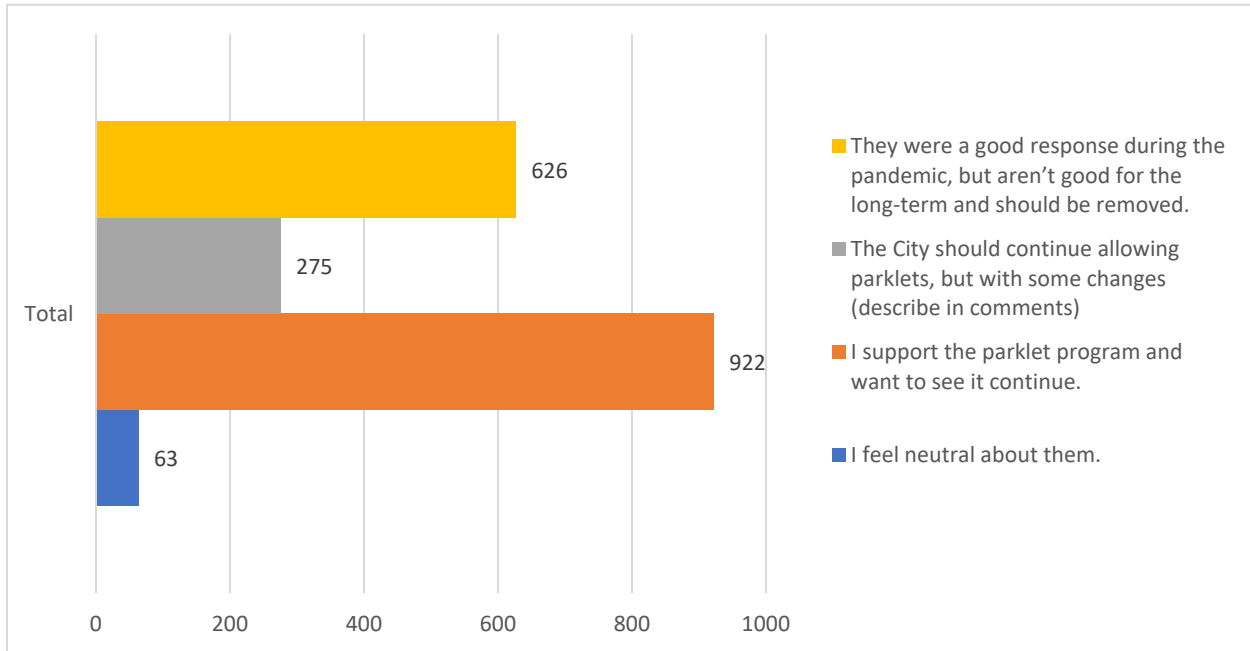

## 2. What are your opinions about the PARK STREET restriping project?

3. Are you more or less likely now to be spending time and/or money on each street (shopping, dining, hanging out, etc) than you were before the changes were made to the street?

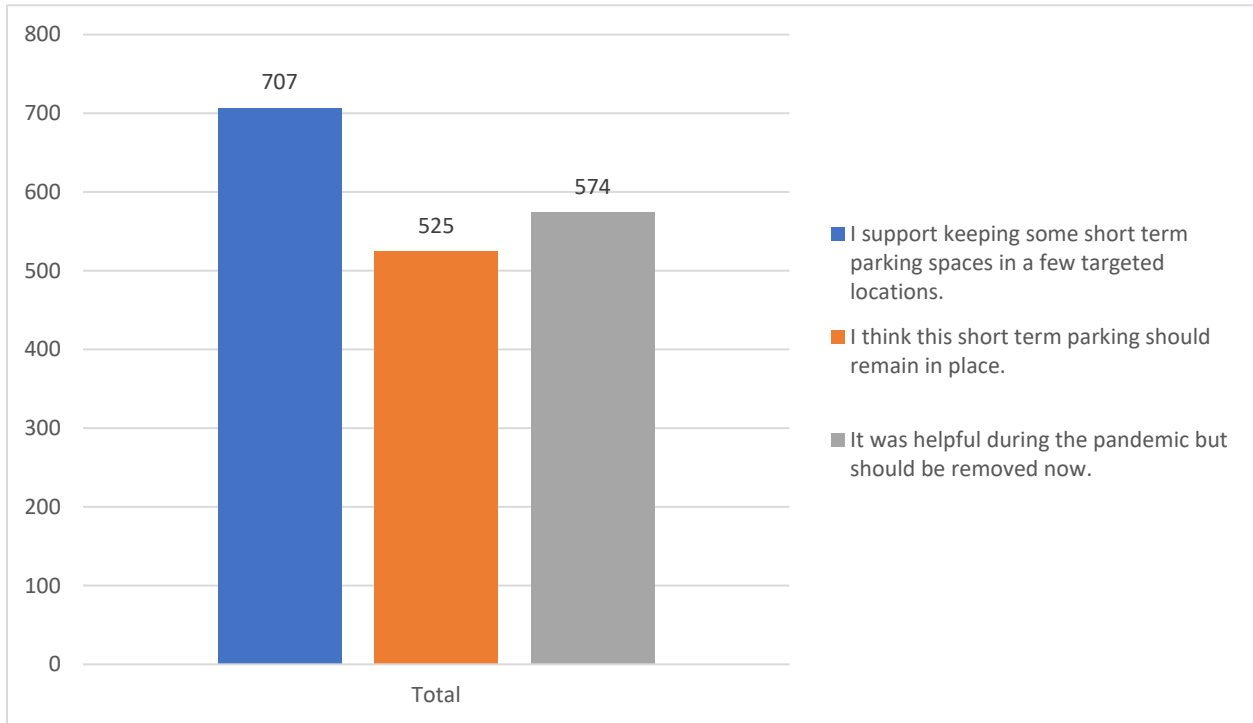

4. What are your opinions about the parklets around town? Parklets are areas used for dining and retail in former on-street parking spaces or roadway.

5. What are your opinions about the Alameda Avenue street closure and outdoor dining? This 1/2 of a block was closed to motor vehicle traffic just west of Park Street.

6. What opinions do you have about the short-term parking (drop off/pick up) that was implemented during the pandemic on Park and Webster Streets and around town?

7. Please describe your relationship to Alameda.
