

Give yourself a pay raise.

Use parking benefits to bring home more of your paycheck.

Who couldn't use a little more money? The Parking Benefit is a great perk that saves you 40% or more! A Parking Benefits plan is a great way to reduce your commuting expenses by allowing you to set aside pre-tax money for qualified parking expenses.

Parking Benefit

Pay for parking at or near your regular place of employment tax free. Up to \$255 per month can be contributed on a pre-tax basis.

Simple Access to Your Parking Funds

With the Benefits debit card, participants can pay providers at the time of service directly from their Parking account. If the parking facility does not accept debit card payments, participants may also pay out of pocket and then submit a claim online through the consumer web portal. Parking receipts may be required by Discovery Benefits to reimburse claims. We recommend that participants keep receipts for their own records, as well. Sign up for free direct deposit to receive your reimbursement as quickly as possible.

Additional Plan Features

- 24/7 online account access
- Mobile apps and text alerts
- Single sign-on for all reimbursement accounts

SmartCommute Program

Beginning in 2016, Discovery Benefits will be introducing its new SmartCommute Program, which will make it easier for Washington, D.C. area residents to use their Commuter Benefits. If your employer participates in the SmartCommute Program, you will be able to load pre-tax transit funds onto your Metro SmarTrip® card from a commuter page on your consumer web portal starting December 1, 2015. The monthly deadline for orders is the 10th of the month prior to the month in which you're planning on using the funds. Example: If you want to use the funds starting January 1, 2016, you must place your order by December 10, 2015.
