MEMORANDUM OF UNDERSTANDING
between
CITY OF ALAMEDA
and
ALAMEDA CITY EMPLOYEES ASSOCIATION

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and Employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda as the recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing December 28, 2018 and ending June 30, 2022.

The negotiations for a successor Memorandum of Understanding shall commence ninety days prior to the expiration of this Memorandum of Understanding.

Section 1. Recognition

1.1 Association Recognition

Alameda City Employees Association, affiliated with Operating Engineers Local 3, hereinafter referred to as the "Association", is the recognized employee organization for the classifications listed in Appendix A, certified pursuant to the letter from the City Manager dated February 19, 1970 and effective March 21, 1970.

1.2 City Recognition

The Municipal Employee Relations Officer of the City of Alameda or any person or organization duly authorized by the Municipal Employee Relations Officer, is the representative of City of Alameda, hereinafter referred to as the "City", in Employer-employee relations, as provided in Resolution No. 7476 adopted by the City Council on May 21, 1969.

Section 2. Association Security

2.1 Dues Deduction

Payroll deductions for membership dues shall be granted by the City only to the Association.

2.2 Agency Shop

The parties hereto recognize that membership in the Association is not compulsory, that employees have the right to join, not join, maintain, or drop their membership in the Association and that neither party shall exert any pressure on or discriminate against an employee regarding such matters. The Association agrees that it is obligated to represent all of the employees in the Unit fairly and equally, without regard to whether or not an employee is a member of the Association.

Any changes to the law for agency shop membership status will trigger an immediate meet and confer over the impacts of that decision of Section 2.2 Agency Shop only. Any employee of the City in an ACEA represented position, as a condition of continued employment, is required to either belong to the Association or to pay to the Association an amount equal to a service fee in an amount not to exceed the standard initiation fee, periodic dues, and general assessments for the organization. (Government Code Section 3502.5(a)) The Authorization to Deduct Dues form will be presented to new employees on the date of hire.

The Association shall notify the City in writing as to the amount of membership dues and the service fee. The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the dues or service fee check-off authorized. When an employee is in a non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legal and required deductions have priority over Association dues.

Monies withheld by the City shall be transmitted to the Treasurer of the Association at the address specified. The Association shall indemnify, defend and hold the City harmless against any claims made, and against any suit instituted against the City on account of check-off of employee organization dues or service fees. In addition, the Association shall refund to the City any amount paid to it in error upon presentation of supporting evidence.

The City shall furnish the Association, on a monthly basis, the name, date of hire, classification and work location of all newly hired employees subject to this Agreement along with verification of any monthly transmittals to charitable organizations. Should the City update its payroll system or payroll system software be acquired and implemented, the City will notify the Union to meet and discuss any possibility that future reports on appropriate ACEA member contact information that can be released legally and in accordance with MMBA. Changes in employee work status (leaving employment, new hires, promotions, etc.) will be provided on a monthly basis to both the ACEA president and OE3 business representative on record in writing with the City in an electronic format. The Union shall comply with Government Code 3502.5(a)-(f), which provides, in part: Every recognized employee organization which has agreed to an agency shop provision or is a party to an agency shop arrangement shall keep an adequate itemized record of its financial transactions and shall make available annually, to the public agency with which the agency shop provision was negotiated, and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or by a certified public accountant. An employee organization required to file financial reports under the Labor-Management Disclosure Act of 1959 covering employees governed by this chapter, or required to file financial reports under Section 3546.5, may satisfy the financial reporting requirement of this section by providing the public agency with a copy of the financial reports.

The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall submit a written request for excused absence to their respective department heads, with an information copy to the Human Resources Director, at least two (2) working days prior to the scheduled meeting whenever possible.

For the purposes of negotiations the number of employee representatives shall not exceed six (6). In order to reflect the diversity of ACEA's workforce, each of the six (6) representatives shall be from different departments and work locations, unless alternate arrangements are made between the City and ACEA.

Authorization for excused absence while participating in negotiations shall be arranged in advance with the City Manager or his/her designated representative.

Section 4. Access to Work Locations

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Such officers or representatives may enter any work location with the consent of the City Manager or designee. - (4) If the Association does not abide by these rules, it will forfeit its right to have materials posted on City bulletin boards.

Section 7. Advance Notice

Except in cases of emergency, the Association shall be given reasonable advance written notice of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council and shall be given the opportunity to meet with such body prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation.

The City shall provide employees with two (2) consecutive days off. Modifications to the assignment of two consecutive days off were made for some employees working in the Library Department in the past. Such alternative work schedule arrangements shall remain. Specific work days and schedules of employees will be set based on business and operational need and will be at the discretion of the Department Head.

In the event of a management initiated work schedule change, should the employee and

the employee's supervisor be unable to agree on a mutually satisfactory work schedule, the Association President or Business Agent may request that the Human Resources Director review the situation. After a review of the facts, the Human Resources Director may ask the City Manager to review the situation. In any such review by the City Manager, the Association will be an indispensable part of the review process. The City Manager's decision shall be final.

The City may authorize additional time to be worked by the employee outside of the employee's standard workweek schedule. This time shall be compensated in cash or compensatory time-off at the rate of one and one-half (1-1/2) times the employee's regular straight time rate of pay at the City's discretion.

Compensatory time off may be taken by mutual agreement of the employee and the supervisor.

Employees will not be allowed more than one hundred and twenty (120) hours in their compensatory time bank at any one time.

Employees assigned to a continuous acting assignment who are eligible for continuous acting pay shall be paid for the entire duration they are assigned to act and shall be immediately eligible to receive paid leave at their acting assignment pay rate. In order to be eligible for continuous acting pay the employee must perform the full scope of the higher classification.

Employees assigned to an intermittent acting assignment and who are eligible for intermittent acting pay shall be paid hour per hour for time worked in a higher classification. One hour shall be the minimum qualifying time period. If an employee works in a higher classification for a fraction of an hour the time shall be rounded to the nearest hour. Employees assigned to perform additional duties on an intermittent basis shall be paid hour per hour for time performing the additional duties. One hour shall be the minimum qualifying time period. If an employee performs additional duties for a fraction of an hour the time shall be rounded to the nearest hour. 11.7 Stand By

Upon ratification, employees required to perform standby shall be credited with one and one-half (1 and 1/2) hours of compensation at the straight time base rate of pay for such standby duty performed on a regularly assigned workday and three (3) hours compensation at the straight time base rate of pay for such standby duty assigned on regularly scheduled days off. When an employee assigned to such standby duty is called back, he/she shall receive both standby and call back compensation. Employees on standby will be provided pagers.

All increases shall be based on merit as established by the record of the employee's performance and shall require recommendation of the Department Head.

If the City Manager at any time determines that it is in the City's interest, he may assign an employee to a higher rate within the salary range fixed for the classification. The City Manager shall regulate the accelerated advancement through the salary range steps.

That factor shall be the percentage of the City's contributions for permanent part-time Civil Service employees for life insurance, medical insurance, dental insurance and retirement.

If any of such holidays falls on a Sunday, it shall be observed by the City on the following Monday. However, Departments in which employees are normally scheduled to work on a Saturday or Sunday have the discretion to observe the holiday on the Saturday or Sunday on which the holiday actually falls. Employees will be notified of the holiday observation at least 14 calendar days in advance.

If one of the holidays listed above is observed by the City on an employee's normal day off, the holiday hours for such day shall be added to the employee's floating holiday bank once the holiday has passed, to be used within the calendar year.

If an employee is scheduled or required to work on a holiday, the employee shall be paid for the holiday. In addition, the employee will receive time and one-half (1-1/2), in pay or compensatory time off for all hours worked on such holiday.

Employees will accrue their 10 authorized holidays as they occur, provided they are in a paid status for the full schedule of hours on both the regularly scheduled workdays immediately preceding and following the holiday. Each department shall establish a policy and process for employees to indicate their preference for vacation periods. Employees may request that the Human Resources Director review established department vacation policies and procedures to ensure that they are in line with City goals, policies, and values.

In the event that the department does not establish a specific policy, then the City may request that the Employee(s) indicate their preference for vacation periods during November and December of each calendar year for the following calendar year. In the event the City requests employees to indicate their preference for vacation periods the City will provide the appropriate form, and will post a final vacation schedule by January 1 of each year.

An employee who is hospitalized or provides doctor's notice of illness while on vacation, may elect to not charge such time to vacation.

23 - < 24	183.75	196
24+	187.5	200

Vacation shall be prorated for employees on paid status less than their standard work week.

During the term of this agreement, the City shall implement a vacation leave accrual system that provides all ACEA employees to earn vacation leave for every one hour of paid time based on the same accrual schedule listed above.

Paid time/status excludes any overtime and/or compensatory time worked. The City agrees to provide labor with at least 30 days advanced notice before implementing this change.

17.3 Vacation Accumulation

No employee may accumulate more than seventy-five (75) or eighty (80) hours of vacation depending on the employees schedule at any one time in addition to the employee's regular vacation entitlement. An employee may submit in writing a request to accumulate vacation in excess of the maximum set forth above. Such excess accumulation may be approved, at the sole discretion of the City Manager, on a case by case basis.

Upon termination of employment, a regular employee shall be paid cash value of his or her

accrued vacation leave at the time of termination.

17.5 Probationary Employees

Employees on original probation shall be eligible to use their accrued vacation after six (6) months of service.

Employees who have completed Fifteen (15) years of service with the City may “sell back” up to two weeks (72, 75, 76 and 80 hours depending on the employees standard work week) of vacation accrual once per calendar year, provided they have used two weeks of accruals in the last 12 calendar months:

During calendar year 2019 qualified employees will be able to sell back vacation by completing the vacation sell back form for 2019.

Effective December 2019, and during the month of December of each year thereafter, there will be an open enrollment period during which each bargaining unit member must make an irrevocable election to “sell back” vacation accrual the following year on the form prescribed by Human Resources. The number of hours that the bargaining unit member will sell back must be indicated at that time. Failure to submit an irrevocable election form shall be the same as electing not to sell back vacation leave.

The employee must request the vacation sell back on the form prescribed by Human Resources. A bargaining unit member who has elected to sell back vacation but has not done so by the first paycheck in December, will be automatically cashed out for the number of hours elected on the second paycheck in December.

If an employee elects to “sell back” vacation but has not used two weeks of vacation accruals in the previous 12 month their sell back request will not be fulfilled.

Employees must have completed fifteen (15) years of service at the time they request the sell back. For example, an employee who will complete fifteen years of service on August 1, 2020 may make an irrevocable election to sell back vacation time during the December 2019 election period but will not be permitted to request the sell back until after August 1, 2020.

These payments do not meet the definition of compensation earnable and special compensation under Government Code section 20636 and are non-PERSable compensation.

Employees are responsible for any tax consequences of the vacation “sell-back”.

The City may suspend this program due to budget constraints during economic downturns.

Section 18. Sick Leave

18.1 Benefits

During the term of this agreement, the City shall implement a sick leave accrual system that entitles employees to earn sick leave for every one hour paid time. Employees shall accrue at the appropriate rate as follows:

36 Hours Per Week	.0481	90 Hours
37.5 Hours Per Week	.0462	90 Hours
38 Hours Per Week	.0486	96 Hours
40 Hours Per Week	.0462	96 Hours

Paid time excludes any overtime and/or compensatory time worked. The City agrees to provide the bargaining unit with at least 30 days advanced notice before implementing this change.

Currently, employees in a paid status at least 92% of the month based on their standard workweek shall be entitled to earn sick leave hours. There shall be no limit on sick leave accrual. Sick leave usage shall not be considered as a privilege which an employee may use at his discretion, but shall be allowed only in case of necessity of actual sickness or disability. Charge for sick leave used shall be on the basis of one (1) hour for each hour used; provided, however, that sick leave shall be charged for only those hours when the employee was absent from work. In no event shall sick leave be converted into a cash bonus. Sick leave may not be used before it is earned. The City shall mail to any employee who is on sick leave and who must reimburse the City for their Health, Life, and Dental benefits a notification and the agreed to forms advising such employee of the SDI and LTD benefits. 18.4 Illness in the Immediate Family

An employee may use up to one-half of his or her annual sick leave allocation in any calendar year in the event of illness of a spouse, child or parent, or domestic partner,

One and two-tenths of one percent (1.2%) of the employee's unused accumulated sick leave, at the time of resignation or retirement, times the number of full years of service by the employee with the City, times the employee's daily pay rate at the time of resignation or retirement; provided, however, that in no event shall the payment for unused accumulated sick leave exceed thirty percent (30%) of the monetary value of the employee's unused sick leave accumulation. Unused sick leave accumulation for the purpose of payment at time of retirement or resignation shall not exceed the number of days accrued by the employee on July 1, 1978.

There shall be no payment for unused accumulated sick leave if an employee's service with the City is terminated due to discharge.

Workers' Compensation benefits shall be determined and paid in accordance with the Workers' Compensation Laws of the State of California upon a determination that the illness or injury is covered by the Workers' Compensation Laws of the State of California. Integration of accumulated leave with Workers' Compensation is to be automatic. For the purposes of this subsection, integration shall mean the use of accrued leave to supplement Workers' Compensation payments to the employee. An employee shall determine which of their accrued leaves may be used for integration. Available leaves for integration include sick leave, vacation, holidays or compensatory time. Except for benefits provided by the Workers' Compensation Laws of the State of California and except for allowing employees to integrate accumulated leave, no additional pay or salary replacement shall be provided by the City of Alameda to the employee.

Benefits

Accrued vacation and compensatory time off hours donated by other employees will be converted to sick leave and credited to the receiving employee's sick leave time balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For as long as the receiving employee remains in a paid status, seniority, and all other benefits will continue, with the exception of sick leave and vacation accrual. The total leave credits received by an employee will not normally exceed three months. However, if approved by the Department Head and the Human Resources Director the total leave credits may be extended on a case by case basis, subject to review by the City Manager or designee.

Guidelines For Donating Leave Credits To The Time Bank

- a. Accrued vacation leave and compensatory time off may be donated by any regular full-time employee who has completed his/her initial City probationary period. Time donated will be converted from vacation or compensatory time to sick leave hours and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee.

- b. The total amount of time donated to one employee by another employee shall not exceed forty (40) hours. The total leave credits received by the employee shall not exceed three months; however, the Human Resources Director may approve an extension to six months total time.
- c. Initial leave time donations must be a minimum of one work shift. An employee cannot donate leave hours that would reduce his/her vacation balance to less than one week.
- d. The use of donated leave hours will be in consecutive one-shift increments.
- e. While an employee is on leave using donated leave hours, no vacation or sick leave hours will accrue.
- f. Under all circumstances, time donations received for the employee are forfeited once made by the employee making the donation. In the event that the receiving employee does not use all transferred leave for the catastrophic illness/injury, any balance will remain with that employee until that employee's separation from City service.
- g. Taxability of leave donated or received under this program will be governed by Internal Revenue Service guidelines.
- h. For the purpose of the Section, "immediate family member" as referenced under Eligibility shall be defined as provided for in Section 19.6.
- i. Under extenuating and extraordinary circumstances and upon recommendation of the Human Resources Director the City Manager may grant exceptions on a case-by-case basis. Such exceptions shall not establish practice or precedence.

Section 20. Probationary Period

All original and promotional appointments shall be subject to a probationary period. The probationary period shall be regarded as part of the testing process and shall be utilized for closely observing the employee's work for securing the most effective adjustment of a new employee to their position and for rejecting any probationary employee whose performance does not meet the required standards of work.

The probationary period for employees is twelve (12) months. An employee's probationary period may be extended for up to six (6) additional months, with the approval of the Human Resources Director, to provide the employee with additional time to meet the required standards of work. Probationary period extensions beyond 6 months must be approved by the City Manager.

During the probationary period, an employee may be rejected at any time by the City Manager without cause and without the right to appeal.

Any employee rejected during the probationary period following a promotional appointment shall be reinstated to the position from which they were promoted, unless the employee is rejected for reasons other than competency to perform the job in which they were promoted.

Section 21. Layoff

21.1 Layoff and Reemployment

Seniority is defined as the length of continuous paid employment and leave with pay status with the City calculated from the date of original hire, including the probationary period, as a full-time employee. Time spent in a leave without pay status shall be excluded. Part-time and temporary part-time employees do not accrue seniority.

In reduction of forces, the last employee hired shall be the first employee laid off, and in rehiring, the last employee laid off shall be the first employee rehired until the list of former employees is exhausted; provided that the employee retained or rehired is capable of performing the work required.

Employees who are laid off or who elect to demote or transfer in lieu of a layoff, shall have reemployment rights to future vacancies in the position previously held. The City shall maintain a preferred list with the names of the employees laid off in inverse order of layoff. Future vacancies in those affected positions shall first be filled from the preferred list in inverse order of layoff.

Services with the City shall be terminated by:

- (1) Discharge, retirement, resignation or any termination of employee status;
- (2) Failure to return to work within seven (7) calendar days when recalled from layoff;
- (3) Failure to return to work upon expiration of an authorized leave of absence;
- (4) Leave without pay status for a continuous period of twelve (12) months or more;
- (5) Layoff status for a continuous period of twelve (12) months or more.

When a layoff becomes necessary, the Human Resources Department will provide layoff instructions to the affected departments with a copy to the Association.

Before any regular full-time employee is laid off, all other categories of employees in the affected classifications will be separated.

An employee subject to layoff will be allowed, in lieu of a layoff, to:

- (1) Demote to a lower paying classification previously held by the employee;
- (2) Transfer to the same classification in another department.

An employee who has reemployment rights, shall have the same right to compete for promotion that he/she would have had if he/she had not been laid off.

An employee who is laid off shall not accrue or be eligible for any benefits, including, but not limited to, vacation, sick leave, holidays, medical, dental, LTD, life insurance, retirement contributions and uniforms. Any employee reemployed after a layoff shall retain all vacation and sick leave accruals that the employee did not receive compensation for at the time of layoff.

If the City decides to subcontract work and such work would result in the layoff of a full-time employee, the City will notify the Association within thirty (30) days in advance of such action, and upon written request, will meet and discuss the matter prior to subcontracting the work.

21.2 Alternatives to Layoff

If during the term of this MOU the City of Alameda experiences shortfalls to its revenue sources, the City and the Association agree to meet to discuss alternative cost reduction measures which could be taken by the City in the interest of preserving service delivery to the public.

Section 22. Discharge or Discipline

22.1 Right of Discharge or Discipline

The City shall have the right to discipline, up to and including discharge, any employee for dishonesty, insubordination, drunkenness, incompetence, willful negligence, failure to perform work as required or to observe any of the City's safety and house rules and regulations which must be conspicuously posted and not in derogation of the Memorandum of Understanding, or for engaging in strikes, individual or group slowdowns or work stoppages, or refusal to accept overtime, or for violating or ordering the violation of the Memorandum of Understanding.

22.2 Appeals

If a regular employee (including a non-Civil Service employee represented by ACEA) feels he or she has been unjustly discharged, he or she shall have the right to appeal his or her case through the appropriate procedure (Section 24.5). Such appeal must be filed with the City Manager or the Civil Service Board by the Association in writing within seven (7) calendar days from the date of discharge and unless so filed the right of appeal is lost.

Any discharged employee shall be furnished the reason for his or her discharge in writing.

Section 23. Personnel Files

An employee or his or her representative, on presentation of written authorization from the employee, shall have access to the employee's Personnel file on request. The City shall furnish the employee copies of all performance evaluation reports and letters of reprimand or warning prior to placement of such documents into the employee's Personnel file. The employee may be required to acknowledge the receipt of any document entered into his Personnel file without prejudice to subsequent arguments concerning the contents of such documents.

Section 24. Grievance Procedure

A grievance shall be defined as any dispute, arising during the term of the Memorandum of Understanding which involves the interpretation or application of any provision of this Memorandum of Understanding during its term, excluding all ordinances, resolutions, rules and regulations, the subject of which is not specifically covered by the provisions of this Memorandum. Such excluded ordinances, resolutions, rules and regulations shall not be subject to the Grievance Procedure.

24.1 Initial Discussions

Any employee who believes that he or she has a grievance may discuss his or her complaint with the top management official in the department in which he or she works, or with such subordinate management official as the department head may designate. Such discussion must take place within fourteen (14) calendar days of the incident that lead to the grievance, or within fourteen (14) calendar days from the time the employee would reasonably be expected to know of the occurrence. Failure to file the grievance within the time limits specified shall result in the dismissal of the issues of the grievance and the grievance shall be null and void. If the issue is not resolved within fourteen (14) calendar days of this initial discussion with the department, or if the employee elects to submit his or her grievance directly to an official of the employee organization which is formally recognized as the representative of the classification to which he or she is assigned, the procedures hereafter specified may be invoked.

24.2 Referral to Department Director

Any employee or any official of the employee organization which has been formally recognized by the City and which has jurisdiction over any position directly affected by the grievance may notify the Department Director in writing that a grievance exists, This notification must be submitted within seven (7) calendar days of the initial discussion, or within the initial fourteen (14) calendar day period specified in 24.1 above. In such notification, the grievant must state the particulars of the grievance, the provision of the MOU that is alleged to have been violated and, the desired resolution/outcome. No grievance may be processed under subsection 24.3 below which has not first been filed and investigated in pursuance of this subsection 24.2. The Department Director shall have fourteen (14) calendar days to respond to the grievance.

A grievance which remains unresolved after the response by the Department Director may be referred to the Adjustment Board within fourteen (14) calendar days of the Department Director's response provided for above. An Adjustment Board will be scheduled within thirty (30) calendar days of referral, depending on the availability of the Adjustment Board members.

24.3 Adjustment Board

In the event the Association and the City are unable to reach a mutually satisfactory accord on any grievance (as the term "grievance" is herein above defined) which arises and is presented during the term of the Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of two (2) employee representatives, and two (2) representatives of the City. The Association shall be an indispensable party to any grievance which is submitted to the Adjustment Board.

The Adjustment Board shall meet and review the position of the Association and the City regarding the grievance. If the Adjustment Board unanimously agrees on a resolution to the grievance or the ACEA and the City appointed member agree, that resolution shall be final.

If an Adjustment Board is unable to arrive at a resolution either the grievant, the Association or the City may request, within 14 calendar days, that the grievance be referred to the City Manager, or arbitration.

No Adjustment Board or Arbitrator shall entertain, hear, decide or make recommendations on any dispute involving a position over which a recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as herein above set

forth in paragraph (1) of this Section.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary thereto shall not be grievable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred for grievance under this Section; and no Adjustment Board or Arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in the Memorandum of Understanding or interpretations thereof will be recognized unless agreed to by the City Manager and the Association and accepted by the City Council.

24.4 City Manager and Arbitration

If the grievance is not resolved at the previous step, the grievant, the Association, or the City may within fourteen (14) calendar days, after completion of the previous step in the grievance procedure, submit the grievance directly to the City Manager or may request arbitration. If the grievance is submitted to the City Manager, he/she will review the facts submitted by the parties, and may request to meet with the parties as part of his/her evaluation of the issue(s). The decision of the City Manager on matters brought before him/her shall be final and binding upon the parties.

If arbitration is requested, representatives of the City and of the Association shall meet within fourteen (14) calendar days to select a mutually acceptable arbitrator. A hearing before the arbitrator shall be held as soon as practical and the arbitrator shall render a decision which shall be advisory to the City Manager. At the Association's request the City Manager will meet with the Association prior to making a final decision. If the City Manager declines to follow the arbitrator's decision, within fourteen (14) calendar days of receiving the arbitrator's decision, the City Manager shall state the reason for doing so in writing. In the event the City Manager has not outlined the reason in writing within fourteen (14) calendar days, the Association will request a clarification meeting with the City Manager.

The cost of arbitration shall be borne equally by the City and the Association.

24.5 Matters excluded from the Grievance Procedure of the Memorandum of Understanding

In addition to the exclusions set out in the first paragraph of this Section, the following disputes are not subject to resolution through the grievance procedure described in paragraphs 24.1 through 24.4 of this Section: (1) employee disciplinary matters and (2) disputes concerning the application or interpretation of any rule or policy or administrative procedure of the City that is contained in the City Charter, the Civil Service Ordinance, or the Civil Service Rules and Regulations that involve or pertain to the discharge or discipline of an employee or to the City's examination and promotion procedures. The appeal or dispute resolution procedures set forth in the City Charter, the Civil Service Ordinance, or the Civil Service Rules and Regulations that involve or pertain to employee disciplinary matters, the discharge or discipline of an employee, or the City's examination and promotion procedures shall be the exclusive procedures available to resolve such matters.

24.6 Disciplinary or Discharge Appeal Action

No appeal involving the discipline or discharge of an employee (including non-Civil Service

employees represented by ACEA) will be entertained unless it is filed in writing by the Association with the City Manager or Civil Service Board within seven (7) calendar days from the date of the notification of the action. A copy of the notification of the action shall be sent to the Association.

24.7 Pay Claims

All complaints involving or concerning payment of compensation shall be filed in writing and no adjustments shall be retroactive for more than 30 days from the date of filing.

Section 25. Outside Employment

No employee shall engage in employment that constitutes an incompatible activity for the employee or the City. No employee shall engage in outside employment during his/her regular working hours. No uniform, emblem, badge or other employee identification shall be worn by any person while in the employment of someone other than the City. All requests by the employee for permission to engage in outside employment shall be made on a form provided by the City. No employee shall accept or continue employment other than occasional work from other than the City of Alameda without the approval of the City Manager, which may be withheld only if such employment constitutes an incompatible activity for the employee or the City or which would interfere with the employee's ability to perform his or her City job.

Section 26. Miscellaneous

26.1 Professional Engineer Registration

The City agrees to pay Professional Engineers who have achieved State Registration, and who are employed by the City in engineer classifications, such as Junior or Assistant, which do not require State Registration as a condition of employment, thirty-five dollars (\$35.00) per month in addition to the affected employee's regular salary. It is understood by both parties that if the requirements for engineer classifications affected by this policy are changed to require State Registration, the thirty-five dollar (\$35.00) payment shall be discontinued for that classification, and that an appropriate salary range for such classification shall be renegotiated.

26.2 Educational Reimbursement

The City shall continue the education reimbursement program which shall be up to seven hundred fifty dollars (\$750.00) each fiscal year (July 1 – June 30).

26.3 Break Periods

All employees will be allowed a fifteen (15) minute break period approximately midway during the first half of any workday and a fifteen (15) minute break period approximately midway during the second half of any workday.

26.4 Rest Periods

The City recognizes that work during the period from 11:00 p.m. to 5:00 a.m. hour interferes with the employee's normal time for sleep, and might endanger a person's health or safety if required to continue with a full regular shift in a tired condition. The City will provide a rest period of one (1) hour for each hour worked between 11:00 p.m. and 5:00 a.m., to be taken after the beginning of the regular scheduled weekday shift, on the same day, without loss of compensation.

Payment for the rest period will be at the regular straight-time rate. In computing the length of a rest period, a minimum of one (1) hour will be credited.

If the work period starts early and terminates prior to 5:00 a.m., the rest period will commence at the beginning of the regular weekday shift. If the work period starts late and continues beyond 6:00 a.m., the employee may be required to continue to work the regular shift, with the rest period deducted from the end of that shift. If the work period extends the full eight (8) hours from 11:00 p.m. to 7:00 a.m., the employee need not report for work on the regular shift until the next workday, in which case, the person will be paid for the full regular shift as if it had been worked.

26.5 Certification

Construction Inspectors who are required by State agencies to be certified and an employee required by the City to engage in pesticide spraying and who is required to have a State certification shall be reimbursed for the fees for such certification excluding licenses required by the Department of Motor Vehicles.

26.6 Safety and Employee Well Being

1. Safety and Employee Well Being are mutual concerns of the City and the Association. The City recognizes its responsibility to maintain safe working environments and health and safety standards in accordance with all applicable guidelines. The Association recognizes its responsibility to encourage employees to work safely and adhere to the City's established safety rules, regulations and practices.
2. When an employee in good faith believes that he/she is being required to work under unhealthy or unsafe conditions, he/she should notify their immediate supervisor. The supervisor should investigate as soon as possible the alleged unhealthy or unsafe conditions and should communicate in a timely manner with the employee as to the results of the investigation. If deemed necessary, steps shall be taken to correct the condition.
3. In those instances where an employee has a complaint arising out of a health or safety condition under the City's responsibility, and where such complaint is not resolved expeditiously at the departmental level, the Risk Manager and the Association's representative shall meet promptly to discuss the matter.
4. The City shall provide safety training and instruction to minimize illness or injury to employees.
5. An employee designated by the Association shall be a member of the City-wide Safety Committee

26.7 Mechanics Training

A mechanic may be eligible to attend up to one (1) week per year City approved Mechanic Training courses or classes and additional courses or classes as approved by Public Works Superintendent.

26.8 Bilingual Pay Policy

In accordance with the City's Bilingual Pay Policy, the Human Resources Department will designate the languages to which the pay will apply and assign employees accordingly. The Bilingual Pay differential is one hundred dollars (\$100.00) per month.

26.9 Drug Free Work Place

In January of 2019, or as soon thereafter as is reasonably possible, the parties will commence meeting and conferring in good faith about changes to the City's Drug and Alcohol Testing Policy Pursuant to the Department of Transportation Regulations. These discussions will primarily focus on:

- 1) The update of the City's Drug and Alcohol Testing Policy Pursuant to the Department of Transportation in accordance with Federal Motor Carrier Safety Administration, Department Of Transportation regulations which may include the addition of a self-disclosure policy and program pursuant to Title 49, Subtitle B, Chapter III, Subchapter B, Part 382.121, Employee admission of alcohol and controlled substances use, and;
- 2) Possible improvement to Provision 26.13, Class B License, to address any concerns with the City's present practices to engage in the interactive process should an employee required to possess a commercial driver's license fail to adequately maintain the medical component of the commercial license requirement.

26.10 Nepotism Policy

At such time as the City meets and confers with the other City bargaining units regarding the Nepotism Policy, the City will meet and confer with the Association.

26.11 Tool Allowance

An annual tool allowance of up to \$600 per fiscal year will be made available to employees in the classification of Fleet Mechanic and Senior Fleet Mechanic. The annual allowance is for the replacement of those tools worn or broken in the normal course of employment with the City or for the replacement of technologically obsolete tools. Tool replacement is limited to the list of recommended tools (generated by the Department), which shall be reviewed and posted yearly. The purchase of any tool under the reimbursement provision which is not included on the Departments recommended list must be approved in advance.

Reimbursement will be paid only upon submission to the employee's supervisor of a receipt(s) from the current fiscal year. Reimbursement does not carry over between fiscal years. If, in the judgment of the employee's supervisor, a tool is broken through misuse or abuse, it will not be replaced under this provision. In the event the employee and the Superintendent are unable to agree on the replacement of a tool, the Association President may request that the Human Resources Director review the situation.

26.12 Class B License

If a Maintenance Worker II fails to meet the requirement to maintain the medical component of the Class B driver's license and wishes to have the circumstances reviewed in a labor/management committee, prior to action being taken by the Department, he/she must immediately notify ACEA of such request in writing. With prior, written authorization from the employee releasing any confidential medical information, a labor/management committee consisting of two members appointed by ACEA and two members appointed by the City will meet to review the circumstances and see what alternatives are available for the consideration of the Department.

26.13 Catastrophic Leave and State Disability Insurance

In January of 2019, or as soon thereafter as is reasonably possible, the parties will

commence meeting and conferring in good faith about changes to the Catastrophic Leave Bank (Section 19.7) and State Disability Insurance (SDI) (Section 26.9). These discussion will focus on the administration and processing of Catastrophic Leave and timelines for employees providing State Disability Insurance checks to the City in order to buy back leave accruals.

26.14 Impacts of Implementation of New HRIS and Payroll System

During the term of this agreement the City will implement a new HRIS/Payroll system. Before and during implementation of the new HRIS/Payroll system the parties agree to meet and confer in good faith regarding the impacts resulting from such implementation as required by the scope of representation.

26.15 Classification Disputes

In the event that an employee covered under this MOU does not agree with the findings of a classification study and recommendation, the employee may request to meet with the Human Resources Director to discuss the findings. If, after meeting with the Human Resources Director, the employee still disagrees with the recommendation, the employee may request to meet with the City Manager and the City Manager shall meet with the employee and their representative to discuss the findings. The City Manager's determination to any classification dispute is final and is not subject to the Grievance Procedures set forth in Section 24 of this MOU.

Section 27. Severability of Provisions

Should any section, clause or provision of this Memorandum of Understanding be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this Memorandum of Understanding.

Upon such invalidation the parties agree to meet and confer concerning substitute provisions for any provisions that were rendered or declared illegal.

Section 28. Past Practices and Existing Memoranda of Understanding

28.1 Continuance of working conditions and practices not specifically authorized by ordinance or resolution of the City Council is not guaranteed by this Memorandum of Understanding.

28.2 This Memorandum of Understanding shall supersede all other Memoranda of Understanding between the City and the Association.
