### Memorandum

Members of the City Council

Acting City Manager

Re: Adopt a Resolution Fixing the Annual Salaries for the Auditor and  
the Treasurer as a Remedy to the 2008 City Charter Amendment of  
Section 2-4

---

### BACKGROUND

An amendment to Section 2-4 of the City Charter was approved in 2008, which eliminated specified minimum annual salaries for the City Manager, City Attorney, City Clerk, Auditor and Treasurer. The salaries for the Auditor and Treasurer should be fixed by Council resolution at the same level previously stated in the Charter.

### DISCUSSION

On November 4, 2008 voters approved a ballot measure of various amendments to the City Charter, which included deleting obsolete language in Section 2-4. Section 2-4 specifies the City Council's authority to set salaries for the Auditor, Treasurer, City Manager, City Attorney, and City Clerk. The 2008 amendment eliminated the list of outdated salary minimums for the City Clerk, City Manager, and City Attorney, which are now established by individual employment agreement or by the Executive Management Compensation Plan. The salaries for the Auditor and Treasurer are to be fixed by Council.

### FINANCIAL IMPACT

There is no financial impact to the General Fund by the adoption of this resolution. The Auditor and Treasurer have continued to receive their salaries without interruption.

### RECOMMENDATION

Adopt a Resolution fixing the annual salary for the Auditor at the amount of \$3,600
