from the Battalion Chief. All such time shall be made up in full shifts or, if the trade was for less than a full shift, in the same period of time as the trade.

Employees accepting to work a trade are expected to be on duty the entire length of time agreed to. Employees unable to work the full amount of the trade time should not agree to work the trade.

Employees on trade status assume the assignment of the employee they are replacing. Assignments will be made based on the seniority and qualifications of the employee assigned to the shift who requested the trade. (Status on eligibility list does not pass from the employee off on trade to the employee working the trade).

For approved trades between ranks an employee trading up in rank will assume the assignment of the employee being replaced, provided another employee with the appropriate rank is not available for such assignment. Section 12. Salaries

12.1 Rates of Pay

The biweekly rates of pay for the classifications covered by this Memorandum of Understanding for the duration of this Memorandum of Understanding are set forth in Appendix A.

Wage increases for the term of this MOU will be based upon the Base Revenue Index (BRI). The BRI is defined as one-half (i.e., 50%) of the year-over-year rate of growth measured between the two most recent successive fiscal years of the combined dollar amount of the following four local Alameda taxes:

- Property Tax
- 1% Bradley-Burns Sales Tax
- Utility Users Tax
- Transient Occupancy Tax

Wage increases for 2026 will be based upon the BRI from fiscal year 2023-2024 and 2024-2025, with a minimum increase of 1.0% and a maximum of 5.0%. An increase to base wages of 1.16% will be effective the first full pay period following ratification of this successor MOU by the Union and approval by City Council on its regular agenda in

accordance with the Brown Act and the City's Sunshine Ordinance, but in no event earlier than the first full pay period following January 1, 2026.

Wage increases for 2027 will be based upon the BRI from fiscal year 2024-2025 and 2025-2026, with a minimum increase of 1.0% and a maximum of 5.0%. Wage adjustments based upon the BRI will take effect the first full pay period following January 1, 2027.

The Fire Department retains the authority to remove employees who are not performing at acceptable levels in the above assignments.

12.2 Equity Adjustments

In January 2027, the City will conduct a total compensation survey for all classifications of the bargaining unit. Any classifications below market median will be adjusted to the median up to a maximum of 5% effective the first full period following survey completion.

12.3 Starting Rate

For the classification of Firefighter, the entrance salary for a new employee entering City service shall be paid at Step 1 of the Firefighter salary schedule or Step 3 of the Firefighter salary schedule if entering City service as a Lateral while undergoing Academy Training (base pay only, no "incentives"). After providing six (6) months of service to the City, including time spent in the Academy, the pay shall be increased to Step 2 of the Firefighter salary schedule or step 4 of the Firefighter salary schedule if entering City service as a Lateral.

Upon graduation from the Academy, the entrance salary for a new employee entering City service as a Paramedic shall be paid at Step 3 of the Firefighter salary schedule. After providing six (6) months of service to the City, including time spent in the Academy, the pay shall be increased to Step 4 of the Firefighter salary schedule.

When circumstances warrant, the City Manager may approve an entrance salary higher than Step 1, which City Manager decision shall be final.

For all other classifications within the bargaining unit, employees shall receive the minimum salary for such classifications upon initial appointment thereto, unless the salary attached to such initial step is not five percent (5%) or more above the employee's base salary plus special pays including Holiday-in-lieu pay, Paramedic Assistant or Paramedic Pay, and Career Development Incentive Pay prior to such appointment, in which event the employee will receive the salary attached to the lowest step which provides a salary increase of at least five percent (5%).

12.4 Step Increases

The step plan of each salary range shall be applied and interpreted as follows for permanent and probationary employees:

For Firefighters, there are 7 steps (Steps 1-7). For Apparatus Operators, there is 1 step (Step 5). For Fire Captains, there are 3 steps (Steps 5-7). For Battalion Chief there are 5 steps (Steps 3 – 7).

Upon entering the Academy, Firefighters will be paid at the first step of the Firefighter salary schedule.

For Firefighters, the second step shall be paid upon satisfactory completion of six (6) months of service in the Firefighter classification which includes Academy service.

For Firefighters, the third step shall be paid upon satisfactory completion of twelve (12) months of paid status at the second step.

The fourth step shall be paid upon satisfactory completion of twelve (12) months of paid status at the third step.

The fifth step shall be paid upon satisfactory completion of one (1) year of paid status at the fourth step.

The sixth step shall be paid upon satisfactory completion of one (1) year of paid status at the fifth step.

The seventh step shall be paid upon satisfactory completion of one (1) year of paid status at the sixth step.

Raises to the next step shall be automatic unless the employee's service has not been satisfactory in which event a raise may be delayed for not more than six (6) months with the approval of the City Manager.

12.5 Conversion Rate

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates.

The hourly rate for fifty-six (56) hour workweek employees is calculated by dividing the employee's base biweekly pay rate by 112. The hourly rate for forty (40) hour workweek employees is calculated by dividing the employee's base biweekly pay rate by eighty.

12.6 Pay Claims

Except in the case of grievances regarding pay under MOU Section 26,

- a) When the City fails to pay regular and/or overtime hours reported correctly and timely, the City will pay the employee within two business days from written notification of the error to payroll.
- b) When an employee reports regular and/or overtime hours incorrectly or untimely, or any special pay is paid incorrectly, the City will add such hours or pay to the employee's next regular pay check, the pay period following written notification to payroll.

- c) When an employee receives overpayment of regular and/or overtime, or any special pay to which they are not entitled, they will, within two weeks of notice of the overpayment, agree in writing to a reasonable payment plan to repay the full amount. A reasonable payment plan would result in repayment of no more than 1.5x the number of pay periods over which the payment was received. If no agreement is reached or the employee fails to respond, the repayment will be deducted from the employee's pay in the number of pay periods over which the overpayment was made.

Regular pay is defined as base salary plus applicable specialty pays, educational pays, premium pays, and incentive pays.

12.7 Non-Suppression Office Assignment

Employees assigned on regular assignment to any non-suppression office assignment identified in the organizational chart will receive a salary differential of seventeen and one half percent (17.5%) while assigned. EMTs assigned to a non-suppression office assignment will maintain their 4.0% Paramedic Assistant Differential under Section 25.11(a) and Paramedics assigned to a non-suppression office assignment will maintain their 12.5% Paramedic Pay Differential provided under Section 25.11(b). Paramedics may not receive both Paramedic Assistant Pay Differential and Paramedic Pay Differential.

The Fire Department retains the authority to remove employees who are not performing at acceptable levels in the above assignments.

Employees assigned to non-suppression office assignments shall work a regular workweek consisting of a 4/10, 40-hour schedule, as defined in Section 10.1. Modified duty assignments shall not be defined as non-suppression office assignments and shall be governed by the provisions of Section 25.2.

Effective the first full pay period following January 1, 2027, all members who are employed by the City as of January 1, 2027, will receive a one-time non-PERSable lump sum payment. The amount of the non-PERSable lump sum payment for 2027 will be determined based on number of eligible unit members, such that the total aggregate cost of the 2027 lump sum payments equals the total aggregate cost of the 2026 lump sum payments.

Section 13. Health and Welfare

13.1 Flexible Benefit Plan

The City has contracted with the Public Employees' Retirement System (PERS) for the purpose of providing medical insurance benefits for employees covered by this

Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Effective upon ratification of this agreement, the City shall contribute the maximums listed below. There shall be no cash back to employees of any excess dollars should the employee elect a plan that is less than the maximums listed below. Employees who elect not to enroll in one of the City's health plans shall receive \$230 per month.

The current maximum contribution rates are as follows:

None	\$ 230.00

Should the employee elect a more expensive plan, the balance of the cost incurred to provide medical care benefits for the employee and eligible dependents shall be paid by the employee. The City shall make a payroll deduction from the employee's pay to cover the difference.

Effective January 1, 2026, and every January 1st thereafter, during the term of this agreement the City will increase the City contribution to the medical premium to reflect 50% of the increase to cost from the previous year, of the CalPERS Kaiser plan in the area or region which Alameda is assigned. The increase will be based on 50% of the increase to the Employee plus two or more dependents level of coverage. The \$106.15 per pay period cash-in-lieu of coverage rate shall not change.

Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of their dependents which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which they are entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to their Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. No retroactive increases to the City's payments shall be allowed.

13.2 Dental Insurance

Effective January 1, 2014, the City switched from a 80% 20% plan to a plan that covers 90% of the cost of services, with the employee picking-up 10% of the cost of services.

The dental plan is a \$2500.00/\$2500.00 benefit plan per employee and eligible dependent(s) for annual dental care and lifetime orthodontic care.

13.3 Vision Coverage

The City shall provide each employee with the opportunity to purchase, at their own cost, additional life insurance up to the maximum amount provided by and subject to the conditions of the carrier.

13.6 Employee Assistance Program

The City shall continue to provide for all employees an employee assistance program. The cost of such program shall continue to be paid by the City only during the term of this Memorandum of Understanding.

Section 14. Retirement Plan

14.1 (a) California Public Employees Retirement System (CalPERS) Classic Membership

The provisions described in this Section A apply only to CalPERS eligible employees hired before January 1, 2013, or to eligible employees hired after that date who qualify for pension reciprocity in the CalPERS or public retirement system pursuant to Government Code Section 7522.02 (c) and who are defined as "classic" members of CalPERS as defined by the Public Employee's Pension Reform Act (PEPRA).

Except as modified below, the parties agree to be bound by the Agreement entered into on May 31, 1990, and executed by the City Manager and the President of the Union and attached to this Memorandum of Understanding as Appendix B.

The City shall continue to provide retirement benefits in accordance with the existing contract with PERS to provide for the 3.0% @ 50 retirement formula as set forth in Section 21362.2 of the California Government Code effective July 1, 2011 for employees hired prior to January 1, 2013. The City has implemented the provision of Section 414(h)(2) Internal Revenue Code by making employee contributions pursuant to California Government Code Section 20691 to PERS on behalf of all its employees in this recognized group or class of employment. "Employee contributions" shall mean those contributions to PERS which are deducted from the salary of employees and are credited to individual employee's accounts pursuant to California Government Code Section 20691.

The City has contracted with PERS for Employee Cost Sharing under Government Code Section 20516(a). The member's contribution in prior MOUs was 2.0% over and above the normal 9.0% contributions made by the employee in previous MOUs. This 11.0% contribution was in accordance with Section 414(h)(2) of the Internal Revenue Code whereby employee contributions shall be tax deferred and not subject to taxation until the time of constructive receipt.

There will be a one percent increase in the employee contribution of PERS pension costs, effective the first day of the first full pay period following the dates listed:

- July 1, 2016 increase 1.0% resulting in a total employee contribution of 15.0%. (9.0% employee contribution plus 6.0% additional contribution of the employer cost).

If during the term of this MOU, actuarial valuation numbers improve and the employers normal cost for the retirement benefit reduces, the parties agree to the employees contribution rate being no more than 50% of the employers normal cost. Otherwise, the total employee contribution at levels set forth above will remain in effect until the expiration of this MOU with the understanding that after July 1, 2016 the level shall remain at 15%.

14.1 (b) CalPERS New Membership

This Section B shall apply to CalPERS eligible employees hired on or after January 1, 2013, who do not qualify for pension reciprocity pursuant to Government Code Section 7522.02(c), and classified as “new” members of CalPERS as defined by PEPRA. All of the following requirements apply to these employees:

- a. As required by Government Code Section 7522.25, the safety Option Plan Two (2.0% @ 50 – 2.7% @ 57) pension formula shall apply.
- b. As required by Government Code Section 7522.32, for the purposes of determining a retirement benefit for CalPERS eligible employees, final compensation shall mean the highest average annual pensionable compensation earned during 36 consecutive months of service.
- c. As required by Government code Section 7522.30, employees shall have an initial contribution rate of 50% of the total normal cost rate.

14.2 Retirement Plan Final Compensation Calculation

Pursuant to the Public Employees’ Pension Reform Act (PEPRA), all employees who constitute “new PEPRA members” of the City’s defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation as the highest average annual pensionable compensation earned during a period of at least 36 consecutive months.

Pursuant to PEPRA, all employees who constitute “classic members” of the City’s defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation on a 12-consecutive month period in accordance with the Public Employees’ Retirement Law.

14.3 Public Service Credit For Federal or State Firefighter Service

Contributions to the supplemental retirement plan shall be on a “pick up” basis as defined in IRC 414(h)(2). This supplemental retirement plan allows the accrual of retiree health benefits. Contributions are divided 25% to the 401(h) or retiree health bucket, and 75% to the 401(a) or retiree income bucket. The plan will be administered by a third party administrator, Peery and Associates Inc. All plan expenses will be paid by the participants from the trust. In January 2016, the City shall make an initial deposit of \$5 million dollars into the OPEB Trust. In January 2016 and in January of each of the nine years thereafter (January 2017, 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025), the City shall make an annual contribution of \$250,000 to the OPEB Trust. The City will reimburse up to \$1,250 per fiscal year per employee after proof of successful completion for the cost of registration fees and training courses that are required for promotional eligibility in the Alameda Fire Department as described in section 25.3 and fire service courses related to operations and the member’s day-to-day functions within the Alameda Fire Department. Courses not related to promotional eligibility require prior approval from the Fire Chief of their designee. The City will reimburse up to a maximum of \$50,000 per fiscal year under this program/section 25.3.

For courses required for promotional eligibility as described in section 25.3 only, and with prior approval from the Fire Chief or their designee, the City will reimburse mileage at the then current IRS rate for employees who travel to courses more than 90 miles from the employee's home and/or work location when the courses are not available at a location within 90 miles in the next six months and had not been available at a location within 90 miles in the previous six months.

Section 26. Grievance Procedure

Definition of a Grievance

A grievance is any dispute which involves the interpretation or application of any provision of this Memorandum of Understanding.

26.1 Initial Discussion

Any employee or Union representative may discuss a grievance with the Fire Chief or with such subordinate management official as the Fire Chief may designate.

26.2 Referral to City Manager

If the grievance is not resolved within the Department within thirty (30) days of filing with the Fire Chief, the employee or Union representative may notify the City Manager in writing that a grievance exists. Such notifications shall state the particulars of the grievance and, if possible, the nature of the determination which is desired. A grievance which has been heard and investigated pursuant to this Section and Section 26.1 and which remains

unresolved thirty (30) calendar days after it has been submitted in writing may be referred to the Adjustment Board. The grievance shall be heard by the Adjustment Board within ninety (90) days of the Union notifying the City Manager as stated above.

26.3 Adjustment Board

In the event the Union and the City are unable to reach a mutually satisfactory accord on any grievance (as the term "grievance" is hereinabove defined) which arises and is presented during the term of this Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of three (3) employee representatives and three (3) representatives of the City. The Union shall be an indispensable party to any grievance which is submitted to the Adjustment Board.

If an Adjustment Board is unable to arrive at a majority decision, either the Union or the City may request that the grievance be referred to the City Manager. The Union or the City may, alternatively, refer the grievance to arbitration.

No Adjustment Board or Arbitrator shall entertain, hear or decide any dispute involving a position over which a recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as hereinabove set forth in paragraph (1) of this Section.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be grievable and no proposal to modify, amend or terminate this Memorandum of Understanding, may be referred for grievance under this Section; and no Adjustment Board or Arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in the Memorandum of Understanding or interpretations thereof will be recognized unless agreed to by the City Manager and the Union.

26.4 Arbitration

If arbitration is requested, representatives of the City and the Union shall meet promptly to select a mutually acceptable arbitrator. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Union and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

Decisions of Adjustment Board or Arbitrators on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the City.

26.5 No Abridgement of Other Rights of Appeal

The provisions of this grievance procedure shall not abridge on rights granted to employees under the City Charter or City ordinances, resolutions, rules and regulations providing other procedures for resolving disputes, except that an employee may not submit a grievance to an Adjustment Board or arbitrator in accordance with this grievance procedure if the employee has elected to use another procedure available under the City Charter or City ordinances, resolutions, rules and regulations for the resolution of his or her grievance.

26.6 Pay Claims

All complaints involving or concerning payment of compensation shall be filed in writing and no adjustments shall be retroactive for more than sixty (60) days from the date of filing.

26.7 Grievance Language Extended

Upon the expiration of this MOU, if no new Agreement is in place, the parties shall continue to follow the provision of the Grievance Procedure set forth in Section 26 until such time as a new MOU is ratified.

Section 27. Safety Committee

In an effort to promote health/safety among Fire Department employees, a joint Committee consisting of the Fire Department Deputy Chief, the City Risk Manager, the Fire Department Safety Officer and the Union Safety Chairman shall be established. This Committee shall meet at least once per month to review accident, injury and exposure reports and other information with a bearing on employees' health and safety, and make recommendations to correct unsafe/hazardous conditions and problems associated with collected data.

Section 28. Separability of Provisions

Should any Section, clause or provision of this Memorandum of Understanding be declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such Section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this Memorandum of Understanding. Upon such invalidation the parties agree immediately to meet and confer on substitute provisions for such parts or provisions rendered or declared illegal.

Section 29. Past Practices and Existing Memoranda of Understanding

29.1 Continuance of working conditions and practices not specifically authorized by ordinance or resolution of the City Council is not guaranteed by this Memorandum of Understanding.

29.2 It is understood and agreed by the parties that this Memorandum of Understanding supersedes all previous agreements between the parties, and that upon approval by the Alameda City Council it shall be binding and enforceable to the full extent permitted by law. In the event provisions of this Memorandum of Understanding are inconsistent with any City laws, resolutions, rules, or regulations, the terms of the Memorandum of Understanding shall prevail.

29.3 This Agreement shall be effective as of January 1, 2026, and shall remain in full force and effect until December 31, 2027.

APPENDIX "B" – TRANSFERRING 1082 PENSION MEMBERS TO PERS

APPENDIX "C" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

**AGREEMENT
TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS**

This Agreement, entered into this 31ST day of May, 1990, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "City") and the members (hereinafter "Members") of the 1082 Pension System (hereinafter "1082 Plan"), is made with reference to the following:

RECITALS:

A. The City of Alameda created by ordinance the 1082 Plan which provides pension benefits for its Members.

B. City and Members desire to transfer membership in the 1082 Plan to the State of California's Public Employees' Pension System (hereinafter "PERS").

NOW, THEREFORE, it is mutually agreed by and between and undersigned parties as follows:

- 1) As soon as practicable all current retirees and all current active and future employees covered by the 1082 Plan will be transferred to the PERS Safety, 2% at 50 full formula as provided in Section 21252.01 of the Government Code of the State of California, including the following optional benefits:
 - a) Section 20024.2 (One Year Highest Compensation)
 - b) Section 20835.1 (Limit Prior Service to Members Employed on Contract Date)
 - c) Section 21361.5 (Local System Service Credit)
 - d) Section 20862.8 (Credit for Unused Sick Leave) and (non-restricted accrual of sick leave)
 - e) Section 21263 and 21263.1 (Post-Retirement Survivor Allowance)
 - f) Section 21266 (Post-Retirement Survivor Allowance to Continue After Remarriage)
 - g) Section 21382.4 (Third level of 1959 Survivor Benefits). Employer will pay employer contribution.

- 2) Upon the City transferring the 1082 Plan to PERS, the IRS will

be requested to review the tax consequences of the following language: "Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status."

- 3) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all safety employees of the City:

Employees who are members of the Public Employees' Retirement System (PERS) may participate in a PERS "Pick-Up Program". Said Program operates under the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to PERS paid by the City of Alameda on behalf of said employees.

The City shall contribute to PERS each pay period a portion of the employee contribution rate as established by law equal to nine percent (9%) of the employee's "compensation" as that term is administered by the Board of Administration of PERS.

Contributions made pursuant to this section shall be reported to PERS as "employee contributions being made by the contracting agency." The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board determines that such contributions are taxable income subject to withholding.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

Except as set forth in the following paragraphs the aforesaid contribution shall be considered solely for the purpose set forth herein and shall not be considered for any other purpose including, but not limited to, being considered as part of any employee's salary for the purpose of computing straight-time earnings, compensation for paid leaves, compensation for overtime worked, compensation benefits and the City's contribution to PERS.

Any employee who has attained the age of forty-five (45) may elect to convert the said City-paid employee contribution to PERS to a salary increase of the same amount. Such election shall be irrevocable, must be made in writing and received by the Personnel Director, and shall become effective on the first of the month

"Sec 3 deleted circa July 1994"

following the date of election. In the event of such election the employee will thereafter be required to make the total amount of his or her contribution rate established by law.

In the event an illness or injury occurs which may cause an employee's retirement, that employee may immediately convert the nine percent (9%) City-paid employee contribution to the retirement fund to a nine percent (9%) salary increase, in which event the employee will be required to pay the total amount, nine percent (9%), of the employee contribution which had been paid by the City to the retirement fund.

The City shall afford the employee, at the employee's option, the ability to pay the nine percent (9%) City-paid employee contribution to the retirement fund retroactive twelve (12) months prior to an illness or injury which may cause an employee's retirement.

Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status.

- 4) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all 1082 safety employees and retirees who retired under 1082 who elect to transfer to PERS and current safety employees:

a. Medical Insurance

For 1082 retirees and future Public Safety retirees who are currently members of one of the City sponsored health plans, the City shall contribute the health plan costs, at the one party or two-party rate as the case may be, for that plan until the retired employee is eligible for Medicare coverage. If and when the retiree becomes eligible for Medicare coverage, Part A and Part B, then the City shall provide the retiree a Medicare supplementary program as provided for in Government Code Sections 22819 and 22859. In place of the above described rates, the City will pay the full cost of such Medicare Supplement Program. Any of the above mentioned retirees who currently are not enrolled in a City sponsored health plan may elect to receive a monthly contribution by the City, equal to the average of the one-party or two-party rates, whichever is appropriate, paid by the City, to a qualified health care plan (on record with the City) for the purpose of purchasing health care. Retired employee dependent eligibility for City health plan contribution is conditional upon the active enrollment of the retired employee.

For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her medical insurance paid by the City at the single party rate.

If a retired employee remarries, the retiree may add the retiree's spouse to the medical insurance coverage at the retiree's expense.

b. Dental

1082 retirees and future Public Safety retirees may elect to receive a monthly contribution by the City, equal to the one party or two party rate, as the case may be, paid by the City, to a qualified dental care plan (on record with the City) for the purpose of purchasing dental care. For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her dental insurance costs paid by the City at the single party rate. Should the City provide a dental benefit plan covering retired employees at a later date, the City shall provide the retiree and the surviving spouse the option of joining said plan at City cost at the appropriate rate. If a retired employee remarries, the retiree may add the retiree's spouse to the dental insurance coverage at the retiree's expense.

Any monies left in the 1082 Fund after the necessary funds have been transferred to PERS will be administered by the 1082 Pension Board to fund Health & Welfare (e.g. medical and dental) benefits for eligible retirees and dependents formerly members of the 1082 Pension System. Any other use of these monies would be a subject of negotiation with the Alameda Police Association and IAFF Local 689 representatives and would require their concurrence.

An individual Member who is retired from the City of Alameda under 1082 may make an irrevocable election to remain in the 1082 Plan. The existing benefits of the individual Member of the 1082 Plan at the time of election shall remain in full force and effect, without additions or deletions. Such election shall be made in writing to the City's Personnel Director and be made within 15 days from the date of the receipt of the Notice of Election.

This Agreement shall be effective upon ratification of all PERS transfer/contract amendment requirements. Non-restricted accrual of sick leave for purposes of Optional Benefit Section 20862.8 shall be effective as of January 1, 1990.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.
